INDEPENDENT AUDITOR'S REPORT

October 12, 2023

To the Plan Administrator of
the Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CORTESE DODGE INC. 401(K) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Cortese Dodge Inc. 401(k) Profit Sharing Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Cortese Chrysler Jeep Dodge, Inc. (the Company). Cortese Ford Lincoln and Cortese Imports Inc. are companies under common ownership whose employees are also eligible to participate in The Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

Northeast Retirement Services, Inc. is the plan administrator. Empower Trust Company, LLC (formerly Great-West Trust Company, LLC (Great-West)) is the trustee and custodian of the Plan's assets. Empower Retirement (Empower) is the Plan's record-keeper.

Eligibility

Generally, all employees who have completed eleven months of service, as defined in the plan document, and have attained 21 years of age are eligible to participate in the plan on the date of employment.

Contributions

Eligible participants may contribute up to 17% of their pre-tax annual compensation, as defined in the plan document, not to exceed the legal maximum deferral. In addition, each participant may contribute rollover contributions received in a lump sum from another qualified defined contribution or defined benefit retirement plan.

The Company provides an annual matching contribution of 50% of employee deferrals up to a maximum of 6% of the eligible participant's compensation. The Company matching contributions are allocated to participants' accounts on an annual basis. The Plan also allows for discretionary profit sharing contributions, as determined by the Company. No profit sharing contributions were made in 2022 or 2021.

Participant Accounts

Participants direct the investment of their accounts into various investment options offered by the Plan. Each participant's account is credited with the participant's contributions, employer matching contributions, and actual earnings and losses thereon. Investment income and loss and expenses are allocated to the participant's account based on the ratio of the account balance of the individual participant to the aggregate of account balances of all participants in the fund within the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon termination due to disability, death or retirement, or separation from service with the Company, a participant may elect to receive a lump sum payment, installment payments, or to have their account rolled over to another qualifying investment. For in-service payment of benefits after a participant has attained 59 ½ years of age, a participant may elect to receive any portion or all of his or her account as a lump-sum distribution.

1. DESCRIPTION OF PLAN (Continued)

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted under certain circumstances.

Vesting

All participants are immediately vested in their contributions plus actual earnings and losses thereon. Vesting in employer matching contributions plus actual earnings thereon is based on years of continuous service. A participant is 20% vested after one year, 40% vested after two years, and 100% vested after three years of credited service.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, each participant's account will become fully vested.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Company. Distribution and loan fees are charged directly to the participants for the transactions and are paid out of the proceeds of the distribution or loan.

Notes Receivable from Participants

Participants may borrow from their individual accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at prevailing rates. Principal and interest are paid through payroll deductions.

Forfeitures

Forfeitures of non-vested account balances may be used to pay administrative expenses or reduce nonelective contributions. Amounts forfeited by participants including gains thereon, totaled \$0 and \$4 in 2022 and 2021, respectively. The Company applied \$0 and \$803 to reduce employer matching contributions in 2022 and 2021, respectively.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Investments are exposed to various risks, such as interest rate and market risk. Due to the level of risks associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Fair Value Measurement - Definition and Hierarchy

FASB ASC 820 (ASC 820), *Fair Value Measurements* defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan uses various valuation techniques in determining fair value. ASC 820 establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's estimate about the assumptions market participants would use in pricing the asset or liability, developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation does not entail a significant degree of judgment.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The availability of observable inputs can vary and is affected by a wide variety of factors. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining fair value is greatest for instruments categorized in Level 3. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety. See Note 4 for a classification of the Plan's assets valued by each input level.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to participant contributions.

Benefit Payments

Benefit payments are recorded when paid.

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts of net assets available for benefits during the reporting period. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

In accordance with Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the following information was certified as complete and accurate by Empower Trust Company, LLC, the trustee, as of and for the years ended December 31, 2022 and 2021, respectively:

	<u>2022</u>	<u>2021</u>
Investments, at fair value	<u>\$ 11,607,918</u>	<u>\$ 13,391,499</u>
Notes receivable from participants	<u>\$ 169,703</u>	<u>\$ 168,427</u>
Net (depreciation) appreciation of investments	<u>\$ (2,206,023)</u>	<u>\$ 1,353,331</u>
Interest and dividends	<u>\$ 13,548</u>	<u>\$ 31,619</u>
Interest income on notes receivable from participants	<u>\$ 7,019</u>	<u>\$ 6,186</u>
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 182,079</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 182,079</u>
Investments, at net asset value				<u>11,425,839</u>
Total investments				<u>\$ 11,607,918</u>

4. FAIR VALUE OF FINANCIAL INSTRUMENTS (Continued)

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 359,686	\$ -	\$ -	\$ 359,686
Investments, at net asset value				<u>13,031,813</u>
Total investments				<u>\$ 13,391,499</u>

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at fair value based on quoted market prices in active markets.

Common/collective trusts (CCT) and stable value fund (SVF): valued at fair value using the net asset value (NAV) per share practical expedient based on the value of underlying investments using a market approach.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investment in Entities that Calculate Net Asset Value

The Plan is invested in CCTs and an SVF which calculate NAV on a daily basis. Units are issued and redeemed as of the end of each day at the daily NAV. The NAV of these investments is derived from the market value of the underlying investments. The NAV of each fund is then calculated each day and posted by the custodian.

The CCT and SVF's primary investment objectives are to seek income while preserving principal and provide daily liquidity at contract value for participant withdrawals and transfers. Redemptions are generally restricted to processing on a valuation date at the daily net asset value per unit computed on that date. CCT and SVF units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the CCT.

There are no restrictions on the number of transactions a participant can conduct related to the CCT and SVF accounts. These accounts do not have any unfunded commitments.

5. TAX STATUS

The Plan uses a prototype plan document developed by Great-West Trust Company, LLC (now named Empower Trust Company, LLC). Great-West Trust Company, LLC received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (the Code). The Plan itself has not received a determination letter from the IRS. However, Plan management believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the financial statements.

6. RECONCILIATION TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 11,901,959	\$ 13,739,545
Contributions receivable as of end of year	(172,460)	(179,619)
Excess contributions payable as of end of year	<u>48,122</u>	<u>-</u>
Net assets available for benefits per Form 5500	<u>\$ 11,777,621</u>	<u>\$ 13,559,926</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Form 5500:

	<u>2022</u>	<u>2021</u>

Add: Contributions receivable as of beginning of year	179,619	150,281
Add: Excess contributions payable as of end of year	<u>48,122</u>	<u>-</u>
Change in net assets available for benefits per Form 5500	<u>\$ (1,782,305)</u>	<u>\$ 1,266,166</u>

7. PARTY-IN-INTEREST TRANSACTIONS

Empower Trust Company, LLC is the trustee and custodian of the Plan's assets. Empower Retirement is the Plan's record-keeper. Consequently, transactions involving Empower Trust Company, LLC, Empower Retirement and the Plan qualify as party-in-interest. Additionally, notes receivable from participants qualify as party-in-interest transactions.

8. SUBSEQUENT EVENTS

In July of 2023, Pentegra Services, Inc. replaced Northeast Retirement Services, Inc. as the plan administrator.

Subsequent events have been evaluated through October 12, 2023, which is the date the financial statements were available to be issued.
