Independent Auditors' Report

The Plan Administrator of Accurus Aerospace Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Accurus Aerospace Corporation 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

**The Plan Administrator of
Accurus Aerospace Corporation 401(k) Plan**
Page 3

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**The Plan Administrator of
Accurus Aerospace Corporation 401(k) Plan**

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accurus Aerospace Corporation 401(k) Plan

Notes to Financial Statements
December 31, 2022

1. Plan Description

The following description of the Accurus Aerospace Corporation 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible full-time employees of Accurus Aerospace Corporation (the "Company" or "Employer") and other participating affiliates (Accurus Aerospace Tulsa, LLC fka Precise Machining & Manufacturing, LLC; Accurus Aerospace Athens, LLC fka McCann Aerospace Machining, LLC; Accurus Aerospace Kent, LLC fka La Croix Industries, LLC and Accurus Aerospace Wichita, LLC fka ZTM Aerospace, LLC) who are 21 years of age or older and have at least 60 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In April of 2023, assets amounting to \$1,841,058 were transferred to the Plan from the Ferra Aerospace Inc. 401(k) Plan.

Contributions

Each year, participants may contribute up to 100% of their annual compensation on a pre-tax or after-tax (Roth) basis, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. There is an annual limit as to the amount that can be deducted from compensation that is determined by the Internal Revenue Code ("IRC"). Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically invested in a designated balanced fund until changed by the participant. Unless a participant elects otherwise, the Plan provides for automatic enrollment at a contribution rate of 3% of a participant's eligible compensation and will increase each year by 1% up to a maximum of 6% of a participant's eligible compensation.

The Employer will make a matching contribution to the Plan equal to 100% of a participant's elective deferrals up to 1% of their eligible compensation, plus 50% of a participant's elective deferrals that are greater than 1% up to 6% of their eligible compensation. The Employer may also make a discretionary contribution to the Plan. For the 2022 plan year, no discretionary Employer contributions were made to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) Employer contributions and (b) Plan earnings (losses) thereon. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Accurus Aerospace Corporation 401(k) Plan

Notes to Financial Statements
December 31, 2022

1. Plan Description (*continued*)

Vesting

Participants are fully vested in their contributions plus actual earnings thereon. Vesting in Company matching and discretionary contributions is based on years of continuous service. A participant is 100% vested in the Company's matching contributions after two years of credited service. Vesting in Company discretionary contributions are based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 2	0%
At least 2, but less than 3	20%
At least 3, but less than 4	40%
At least 4, but less than 5	60%
At least 5, but less than 6	80%
6 or more	100%

Forfeitures

If a participant terminates employment and is less than 100% vested in their Employer matching or discretionary contributions, the participant will forfeit the non-vested portion of their account. The Company uses forfeited non-vested amounts to pay Plan expenses. Any remaining amounts will be used to reduce Employer contributions. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$56,362 and \$70,604. During 2022, no forfeitures were used to reduce Employer contributions and \$5,942 was used to reduce Plan expenses from forfeited non-vested accounts.

Payment of Benefits

Upon termination of service due to death, disability, retirement or other reason, a participant is entitled to receive a lump-sum amount equal to the value of the participant's vested interest in their account.

Benefits can also be distributed in the event of a participant's immediate and heavy financial need. Such distributions, which are considered hardship withdrawals, cannot exceed the amount required to relieve the financial need.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum amount of \$1,000 up to a maximum equal to the lesser of 50% of a participant's vested account balance or \$50,000, subject to the approval of a loan application. Participants may not have more than one loan outstanding at any time. The interest rate will be based on rates available for similar loans from commercial lending institutions as determined by the plan administrator. Loans are repaid through payroll deductions within a five-year period, unless the loan was made to acquire a primary residence, in which case the loan can be repaid over a thirty-year period.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("US GAAP"), which requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair Value Measurements

The Plan follows US GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Pursuant to US GAAP guidance, alternative investments where fair value is measured using the net asset value ("NAV") per share as a practical expedient is not categorized within the fair value hierarchy.

Investment Valuation and Income Recognition

All of the Plan's investments are stated at fair value except for the group annuity contract, which is valued at contract value. The mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. These funds are deemed to be actively traded. The common/collective trusts are valued at the NAV, as provided by the trustee, which is used as a practical expedient for fair value based on the fund's underlying investments. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The pooled separate accounts are reported at the value reported to the Plan by the insurance company, which represents the fair value of the underlying investments comprising the accounts. The group annuity contract is valued at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net depreciation in value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (*continued*)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued unpaid interest. If a participant ceases to make loan repayments and the plan administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Administrative expenses of maintaining the Plan may be paid by the Company or the Plan, at the Employer's discretion. Certain administration fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is October 13, 2023.

3. Information Certified (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held at December 31, 2022 and 2021, and net depreciation in value of investments and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, qualified institutions.

4. Investments

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	2022			
	Level 1	Level 2	Other Investments Measured at NAV *	Total
Mutual Funds	\$ 1,237,027	\$ -	\$ -	\$ 1,237,027
Pooled Separate Accounts	-	362,127	-	362,127
Common/Collective Trusts	-	-	11,625,685	11,625,685
	<u>\$ 1,237,027</u>	<u>\$ 362,127</u>	<u>\$ 11,625,685</u>	<u>\$ 13,224,839</u>

	2021			
	Level 1	Level 2	Other Investments Measured at NAV *	Total
Mutual Funds	\$ 1,537,338	\$ -	\$ -	\$ 1,537,338
Pooled Separate Accounts	-	449,732	-	449,732
Common/Collective Trusts	-	-	13,948,645	13,948,645
	<u>\$ 1,537,338</u>	<u>\$ 449,732</u>	<u>\$ 13,948,645</u>	<u>\$ 15,935,715</u>

(*) As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

The Plan had investments in a benefit-responsive group annuity contract, which is stated at contract value. The group annuity contract amounted to \$639,638 and \$428,138 at December 31, 2022 and 2021.

5. Group Annuity Contract

The Principal Fixed Income Guaranteed Option (the "PFIGO") is a guaranteed general account backed group annuity contract issued by Principal Life Insurance Company. Because the PFIGO is benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the PFIGO.

A rate of interest is contractually guaranteed by Principal Life Insurance Company and is credited to participant's account balances. This net crediting rate is after a deduction of fees for administrative and record-keeping services provided to the Plan. The rate is reset on a semiannual basis.

Notes to Financial Statements

5. Group Annuity Contract (*continued*)

Benefit payments are made at contract value (i.e. no market value adjustments or surrender charge adjustments) for Plan benefit events including: retirement, death, disability, termination of employment, loans, withdrawals, or Plan termination. An employer level liquidation or employer initiated transfer of the Plan's interest in the PFIGO will be subject to either a 12-month advance notice or a 5% surrender charge, whichever the Employer chooses. Notification of a Plan's intent to terminate its interest may be revoked within 90 days of the receipt of such notice, after which time, the notice becomes irrevocable. A 5% surrender charge will also apply if the cumulative percentage of participant transfers from the PFIGO exceeds 20% of the Plan's interest in the contract during the 12-month period immediately preceding the employer-level surrender of the Plan's interest in the contract. If this scenario occurs, the surrender charge will be billed to the Employer.

The credit risk of the issuer, Principal Life Insurance Company, was evaluated by nationally recognized statistical rating agencies as follows: Moody's Investors Service (A1 as of January 2022), A.M. Best (A+ as of March 2023), Standard and Poor's (A+ as of June 2022), and Fitch Ratings (AA- as of June 2023).

6. Common/Collective Trusts

The Plan offers non benefit-responsive common/collective trusts called the Principal LifeTime Hybrid Funds ("Funds"). These Funds include: the Principal LifeTime Hybrid 2010 Fund; the Principal LifeTime Hybrid 2015 Fund; the Principal LifeTime Hybrid 2020 Fund; the Principal LifeTime Hybrid 2025 Fund; the Principal LifeTime Hybrid 2030 Fund; the Principal LifeTime Hybrid 2035 Fund; the Principal LifeTime Hybrid 2040 Fund; the Principal LifeTime Hybrid 2045 Fund; the Principal LifeTime Hybrid 2050 Fund; the Principal LifeTime Hybrid 2055 Fund; the Principal LifeTime Hybrid 2060 Fund; the Principal LifeTime Hybrid 2065 Fund; and the Principal LifeTime Hybrid Income Fund. The unit value of each of these Funds is determined on a daily basis. Units are issued and redeemed daily at their unit value. Net investment income and realized and unrealized gains and losses on investments are not distributed to participants but are reflected in the unit value.

7. Party-In-Interest Transactions

Certain investments of the Plan are managed by Principal Life Insurance Company, Principal Trust Company, or Principal Global Investors Trust Company, all of whom are members of Principal Financial Group. Principal Life Insurance Company and Principal Trust Company are trustees as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA.

A separate account is maintained by the Principal Life Insurance Company which receives payments from the Principal Life Insurance Company pursuant to a written agreement with the Employer. Under the agreement, the Employer can use the amounts in the account to pay for administrative expenses incurred by the Plan. The account is not considered a Plan asset since any unused amounts on or before March 15th following the calendar year in which the amount was received reverts back to the Principal Life Insurance Company. These transactions are considered allowable party-in-interest transactions. Administrative expenses of \$45,432 were paid from this account during 2022.

Accurus Aerospace Corporation 401(k) Plan

Notes to Financial Statements
December 31, 2022

7. Party-In-Interest Transactions (*continued*)

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

8. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

9. Tax Status

The Internal Revenue Service ("IRS") has determined and informed the prototype document preparer by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

10. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.
