Independent Auditors' Report

To the Plan Administrator of
Waterproofing Affiliates Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Waterproofing Affiliates Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Waterproofing Affiliates Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Waterproofing Affiliates Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Waterproofing Affiliates Group 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Waterproofing Affiliates Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Waterproofing Affiliates Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets Held at December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information,

including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Waterproofing Affiliates Group 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Note 1: Plan Description

The following description of the Waterproofing Affiliates Group (Company) 401(k) Plan (Plan) is provided for general informational purposes only. Participants should refer to the Plan document for more complete information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

General

The Plan, formed January 1, 2013, is a defined contribution plan covering all employees of the Company and any participating affiliates who have 1,000 hours of service and are age 18 years or older. Once eligible, participants may enroll on the first day of the first and seventh month of the plan year.

Contributions

Participating employees may elect to contribute up to 100% of their eligible compensation, as defined by the Plan, subject to Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan allows for the Company to make a discretionary matching and/or profit-sharing contribution on behalf of the employees. The Company makes discretionary matching contributions each pay period to the Plan. During 2022 and 2021, the Company elected to match 100% of employee deferrals up to 3%. For the years ended December 31, 2022 and 2021, the Company made a discretionary matching contribution totaling \$249,805 and \$244,325, respectively. No profit-sharing contributions were made for the years ended December 31, 2022 and 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution and Company's discretionary matching contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expense. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

On termination of service a participant or beneficiary of a deceased participant may elect to receive either a single lump-sum payment, or partial withdrawals equal to the value of the participant's vested interest in his or her account. However, if the value of the vested account balance does not exceed \$5,000, then a lump-sum distribution will be made without participants consent. Participants are also eligible to receive in-service distributions after attaining age 59 ½ or due to hardship (subject to certain restrictions).

Waterproofing Affiliates Group 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Note 1: Plan Description (Continued)

Vesting

Participants are immediately vested in their contributions and Company discretionary matching contributions, plus actual earnings thereon. Company profit-sharing contributions are vested in accordance with the schedule below.

<u>Years of Service</u>	<u>Percentage Account Balance</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

In addition, participants shall become 100% vested upon death, disability, or after reaching a normal retirement age of 65.

Forfeitures

Participants who separate from service prior to full vesting forfeit the balance of their account to the extent that vesting has not occurred. Forfeitures may first be used to pay any administrative expenses. Any forfeitures remaining after paying Plan expenses may be used to offset future Company contributions. In 2022 and 2021, the Plan used \$0 in forfeitures for Plan expenses or Company contributions. Any forfeitures remaining after paying Plan expenses and offsetting Company contributions are transferred to the Plan's noninterest-bearing cash account. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$63,182 and \$56,971, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have one loan outstanding at a time. Generally, loan transactions are treated as a transfer to (from) the investment fund and from (to) the participant loan fund. Loan terms range from one to five years. Loans that are used for the purchase of a principal residence may have a term exceeding five years, as approved by the Plan Administrator. The loans are secured by the balance in the participants' accounts. The interest rates charged on participant loans were between 4.25% and 6.50% during the current year. Principal and interest are paid ratably through weekly payroll deductions. Participant notes receivable are valued at amortized cost.

December 31, 2022 and 2021

Note 2: Summary of Significant Accounting Policies

This summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Plan's administrator, who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America (GAAP) and have been consistently applied in the preparation of the financial statements.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Administration of the Plan

Certain administrative expenses of the Plan may be paid by the Company. The Plan is not required to reimburse the Company for any administrative expenses paid by the Company. Expenses not paid by the Company are paid by the Plan.

Uses of Estimates

The preparation of the financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefit payments are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for credit losses had been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a deemed benefit payment is recorded.

Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 6 for fair value measurements.

Waterproofing Affiliates Group 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Note 2: Summary of Significant Accounting Policies (Continued)

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction in contributions. The Plan distributed the 2022 and 2021 excess contributions to the applicable participants prior to March 15, 2023 and 2022, respectively.

Date of Management's Review

Subsequent events have been evaluated for potential recognition or disclosure through October 12, 2023, which is the date the financial statements were available to be issued.

Note 3: Income Tax Status

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4: Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivables from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (the custodian of the Plan).

Note 5: Party-in-Interest

Plan investments are managed by John Hancock Life Insurance Company, who acts as custodian of the Plan's assets, as defined by the Plan. Pentec Pension Management Group, Inc. and Cambridge Investment Research, Inc. provide third party administrative and broker services for the Plan, respectively. These transactions qualify as party-in-interest transactions; however, they are exempt from the ERISA prohibited transaction rules.

Note 6: Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) Topic 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means;If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts – Valued daily based on the market value of the underlying net assets in each separate account. The majority of the net assets have observable level 1 quoted pricing inputs which are used to determine the unit value of the pooled separate account which is not publicly quoted. Therefore, assets are valued at net asset value (NAV) as a practical expedient. This practical expedient would not be used if it is determined that the fund will sell the investment for an amount different from the reported NAV. The redemption frequency of each of these pooled separate accounts is daily, and there are no redemption restrictions. There are no unfunded commitments related to the Plan's investments in pooled separate accounts.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 6: Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	<u>Assets at Fair Value as of December 31, 2022:</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Total investments in fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments at NAV (a)				5,981,776
Total investments at fair value				<u>\$ 5,981,776</u>

	<u>Assets at Fair Value as of December 31, 2021:</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Total investments in fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments at NAV (a)				6,754,271
Total investments at fair value				<u>\$ 6,754,271</u>

(a) In accordance with FASB ASC Subtopic 820-10, certain investments that are measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Note 7: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their accounts. The Company would then direct the distribution of the accounts in a manner permitted by the Plan as soon as practicable.

Note 9: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021, to Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per financial statements	\$ 6,155,888	\$ 6,895,992
Plus: excess contributions payable	3,426	23,478

Note 9: Reconciliation of Financial Statements to Form 5500 (Continued)

The following is a reconciliation of changes in net assets available for benefits per the financial statements for the year ended December 31, 2022, to Form 5500:

Changes in net assets available for benefits per financial statements	\$ 740,104
Less: current year excess contributions payable	(3,426)
Plus: prior year excess contributions payable	<u>23,478</u>
Changes in net assets available for benefits per Form 5500	<u>\$ 760,156</u>

Note 10: Fidelity Bond

For the Plan years ended December 31, 2022 and 2021, the fidelity bond did not meet the requirements, as defined by ERISA, of being equal to 10% of plan assets handled, up to a maximum of \$500,000.

Note 11: Delinquent Participant Contributions and Missed Deferral Opportunities

During the Plan year ended December 31, 2022, employee withholdings in the amount of \$64,979, were not remitted within the appropriate timeframe by the Company. These transactions constitute prohibited transactions as defined by ERISA.
