Board of Directors
Shriners Hospitals for Children Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Shriners Hospitals for Children Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SHRINERS HOSPITALS FOR CHILDREN RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2022 and 2021

(1) Description of Plan

The following description of Shriners Hospitals for Children Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

(a) General

The Plan is a defined contribution plan with an Internal Revenue Code 403(b) provision covering all eligible employees of the Shriners Hospitals for Children (the “Company”). The Plan was amended and restated on January 1, 2009. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (“ERISA”).

Effective January 1, 2018, the Plan was amended to increase the automatic enrollment default deferral rate to 3% of eligible compensation, limit loans outstanding to only one loan, exclusive of those loans issued under the previous custodian of the Plan, and add a Roth IRA post-tax contribution as an option for contributions.

(b) Contributions

Participants are automatically enrolled in the Plan upon eligibility, which is defined as one day of employment, with a default deferral percentage of eligible compensation. Participants are able to opt-out of the automatic enrollment by contacting the custodian directly. Participants choosing to contribute do so based on a percentage of eligible compensation on a pre-tax basis to the Plan, not to exceed \$20,500 and if applicable, \$6,500 of catch up elective deferrals for participants over age 50 as allowed by the Internal Revenue Service for 2022.

The Company may, at its discretion, make matching contributions of 50% of the participant’s voluntary contribution, not to exceed the first 6% of the participant’s compensation, as defined. Employees who are not enrolled in the Shriners Hospitals for Children Employees’ Retirement Plan are eligible to receive matching contributions of 100% of the participant’s voluntary contribution, not to exceed the first 6% of participant’s compensation, as defined. All employees of the Company who have completed one year of employment are eligible to receive the employer matching contribution.

The Plan allows participants to direct investment of their elective deferrals and the Company matching contributions into various investments offered by the Plan.

The Plan accepts rollovers and direct transfers from other tax-qualified plans.

(c) Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of the Company’s matching contributions, as well as earnings thereon. Allocations are based on participant earnings or account balances, as defined.

SHRINERS HOSPITALS FOR CHILDREN RETIREMENT SAVINGS PLAN

Notes to Financial Statements - Continued

(1) Description of Plan - Continued

(d) Vesting

Participants are immediately vested in their contributions; their allocation of the Company's matching contribution, plus actual earnings thereon.

(e) Payment of Benefits

On termination of service due to death, permanent disability or retirement, a participant may elect to receive either a lump sum, partial or installment distribution of the participant's vested account balance. A participant whose vested account balance does not exceed \$1,000 will receive a single lump sum distribution. In-service withdrawals of vested portions of participant account balances are permitted upon attainment of age 59½ or in the event of disability. Benefits are recorded when paid.

(f) Hardship Withdrawals

In the event of financial hardship, participants may request a distribution from the Plan to the extent required to satisfy the immediate financial needs of the participant. Such distributions are limited to the vested account balance of the participant. Qualifications to receive a hardship distribution are outlined in the Plan's provisions.

As a result of the Bipartisan Budget Act of 2018 and effective January 1, 2019, the requirement to exhaust loan distributions prior to receiving a hardship distribution was removed from the Plan. Additionally, participants are no longer suspended from making contributions to the Plan as a result of a hardship withdrawal.

(g) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and may borrow up to the lesser of 50% of their vested account balance or \$50,000. Loan terms range from one to five years or up to fifteen years for the purchase of a primary residence. Notes receivable from participants are secured by the balance in the participant's account and bear a fixed rate of interest at a rate commensurate with local prevailing rates as determined by the plan administrator (2.00% to 8.00% at December 31, 2022). Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis and present the net assets available for benefits and changes in net assets available for benefits in accordance with accounting principles generally accepted in the United States of America.

(b) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at the net asset value of shares held by the Plan at year end based on quoted market prices.

The Transamerica Financial Life Insurance Company ("TFLIC") General Account and Variable Annuity Life Insurance Company ("VALIC") General Account are valued based on observable inputs.

The Transamerica Life Insurance Company ("TLIC") Guaranteed Investment Option is a stable value product that guarantees principal and interest, valued at contract value. Guarantees are provided to participating retirement plans through a group annuity contract issued by TLIC. Guarantees are backed by the financial strength of TLIC's general account. See Note 5 for additional information about the TLIC Guaranteed Investment Option.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(c) Administrative Fees

Certain administrative and recordkeeping expenses are allocated proportionately to each participant. These expenses are allocated proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. Processing fees for items such as hardship distributions, in-service distributions, distributions at termination of employment and loans are charged against the account of the participant responsible for the expense.

(d) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(e) Risks and Uncertainties

The Plan provides for various investment options in any combination of investment securities as stated in the plan agreement. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

(3) **Custodian Certification of Plan Investments**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly TFLIC and State Street Bank and Trust Company ("SSBT"), the custodians of the Plan, have certified that the following information included in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) is complete and accurate:

- Total investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021;
- Total investment income and related investment activity, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022;
- Assets held for investment purposes as presented in the Schedule of Assets (Held at End of Year) as of December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in these financial statements and supplemental schedule.

(4) **Fair Value Measurements**

The Company uses a three-tier fair value hierarchy which prioritizes the inputs used in measuring fair value as follows:

Level 1: Observable inputs such as quoted prices in active markets;

Level 2: Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly;

Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

Each asset's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Registered Investment Companies: shares of registered investment companies are valued at the net asset value of shares held by the Plan at year end based on quoted market prices and are classified as Level 1 as determined by TFLIC.

Self-Directed Brokerage Account: self-directed brokerage accounts are invested in various cash and money funds and mutual funds; Level 1 classification is considered appropriate based on readily determinable fair value of the investments.

TFLIC General Account and VALIC General Account: based on observable inputs and are classified as Level 2 as determined by TFLIC and VALIC.

(4) Fair Value Measurements - Continued

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021, respectively:

Description	Assets Measured at Fair Value at December 31, 2022	Fair Value Measurements at Report Date Using		
		Observable Inputs (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Self-directed brokerage account	\$ 5,585,434	5,585,434	-	-
General accounts:				
Transamerica Financial Life Insurance Company	544,316	-	544,316	-
Variable Annuity Life Insurance Company	2,424	-	2,424	-
Registered investment companies	526,052,748	526,052,748	-	-
	<u>\$ 532,184,922</u>	<u>531,638,182</u>	<u>546,740</u>	<u>-</u>
Description	Assets Measured at Fair Value at December 31, 2021	Fair Value Measurements at Report Date Using		
		Observable Inputs (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Self-directed brokerage account	\$ 7,496,061	7,496,061	-	-
General accounts:				
Transamerica Financial Life Insurance Company	444,125	-	444,125	-
Variable Annuity Life Insurance Company	2,546	-	2,546	-
Registered investment companies	666,119,649	666,119,649	-	-
	<u>\$ 674,062,381</u>	<u>673,615,710</u>	<u>446,671</u>	<u>-</u>

The Company determined that the guaranteed investment option - general account has no stated maturity date (represents an "evergreen" contract). Therefore, the plan sponsor was not able to identify inputs necessary to determine fair value using discounted cash flows. The plan sponsor believes that the contract value approximates fair value at December 31, 2022 based on information provided by TLIC.

(5) TLIC Guaranteed Investment Option

Investments in the guaranteed investment option allow participants to invest money in a general account of TLIC which earns interest. The Company has determined, based on recommendations from TLIC, that this investment is fully-benefit responsive. Participant contributions are commingled with TLIC's other assets and TLIC assumes the risk of principal and accrued interest. An effective annual rate of interest is established the day prior to January 1st and July 1st each year. Interest is credited to the guaranteed investment option daily based on its daily balance, at a rate of interest that is the daily equivalent of the effective annual rate of interest applicable for the semiannual period. The guaranteed investment option is reported at contract value at December 31, 2022. All participant transactions are at contract value.

(5) **TLIC Guaranteed Investment Option - Continued**

Certain events limit the ability of the Plan to transact at contract value with TLIC. Such events include the following: (1) amendments to the plan documents (including complete or partial termination); (2) bankruptcy of the Company; (3) other Company events that cause a significant withdrawal from the Plan; or (4) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Company does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

(6) **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, at any time, subject to provisions of ERISA.

(7) **Tax Status**

The Plan adopted a volume submitter 403(b) plan, which obtained a favorable opinion letter dated March 31, 2017. The Plan is required to operate in conformity with the Internal Revenue Code to maintain the tax-exempt status for plan participants under Section 403(b). The plan administrator and the Plan's management believe that the Plan is being operated in compliance with the Internal Revenue Code, and as such, no provision for income taxes has been included in the accompanying financial statements.

The plan administrator and the Plan's tax counsel have analyzed the tax positions taken by the Plan and have concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by tax jurisdictions, however, there are currently no audits for any tax period in progress.

(8) **Party-in-Interest**

The Plan invests in certain funds managed by TFLIC. The Plan paid approximately \$596,000 of administrative fees to TFLIC during 2022. These transactions qualify as party-in-interest transactions, but are expressly exempted from prohibited transaction rules.

(9) **Subsequent Events**

The Plan's management has evaluated events and transactions for potential recognition or disclosure in the financial statements through October 16, 2023, the date the financial statements were available to be issued.
