## INDEPENDENT AUDITORS' REPORT

Benefits Committee  
Cub Crafters, Inc. Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Cub Crafters, Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) Audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) Audit opinion.

### **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) Audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period-of-time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) Audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **2022 Supplemental Schedule Required by ERISA**

The supplemental Schedule H, line 4i: Schedule of Assets (Held at End-of-Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditors' Report on the 2021 Financial Statements**

The financial statements of the Plan as of December 31, 2021 were audited by other auditors whose report dated August 10, 2023 expressed an unmodified opinion on those statements.

## **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2022 and 2021**

### **NOTE 1 – DESCRIPTION OF PLAN**

#### General

The Cub Crafters, Inc. Profit Sharing Plan (the Plan) was established for the benefit of the employees of Cub Crafters, Inc. (the Company). The Company acts as the Plan Sponsor and Trustee. Participants should refer to the Plan Document for a more complete description of the Plan.

The Plan is a defined contribution plan covering all employees of the Company who have six months of service or 500 hours of service, whichever comes first, and have attained age eighteen. Employees elect to participate in the salary deferral program. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### Contributions

Participants may defer 100% of eligible compensation to the Plan, either in pre-tax contributions or after-tax Roth contributions, to the allowable limit under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover funds from other qualified plans.

The Plan provides for a Company safe harbor match to those participants who have met the eligibility requirements. The safe harbor match is an amount equal to 100% of the first 4% of the participant's deferred salary contributions.

The Plan also provides for Company discretionary matching and profit-sharing contributions to those participants who have met eligibility requirements. There were no such contributions for the years ended December 31, 2022 and 2021, respectively.

#### Participant Accounts

Each participant's account is credited with the participant and sponsor contributions, account earnings, gains and/or losses, and their portion of Plan expenses. Employees direct their accounts to be invested in a combination of available funds.

Participants vest in elective contributions and safe harbor contributions immediately.

#### Notes Receivable from Participants

Participants are allowed to obtain loans from the Plan for 50% of their vested interest in the Plan up to a maximum of \$50,000. The loans are secured by the balance in the participant's account. The loans are repaid over a term not to exceed five years (15 years for qualified home loans). The interest rate approximates market at the time of the loan. Principal and interest is paid ratably through periodic payroll deductions.

#### Forfeitures

Non-vested portions of participant accounts, if any, are available for Plan expenses or to reduce employer contributions. Forfeitures were not significant as of and for the years ending December 31, 2022 and 2021, respectively.

# **Cub Crafters, Inc. Profit Sharing Plan**

## **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2022 and 2021**

### **NOTE 1 – DESCRIPTION OF PLAN – CONTINUED**

#### Benefits

Upon termination of service, participants may receive their account balance in the form of a lump sum distribution or roll over into another qualified plan. Participants may also receive a lump sum amount upon demonstration of a financial hardship, which amounts are available from all sources of their participant account. The Plan may elect to make a mandatory distribution or a direct rollover into an IRA selected by the Plan administrator for those terminated participants with vested balances of \$5,000 or less.

### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### Basis of Accounting

The Plan's financial statements are prepared on an accrual basis.

#### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### Investment Valuation and Income Recognition

Investments are stated at fair market value. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Notes Receivable from Participants

Notes receivable from participants are valued at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent notes receivable from participants are recorded as distributions on the basis of the terms of the Plan agreement.

#### Payment of Benefits

Benefit payments are recorded when paid.

#### Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in the net appreciation (depreciation) of the fair value of investments.

### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED**

#### Fair Value Measurements

Accounting principles generally accepted in the United States of America (GAAP) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the investment entity has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

#### Subsequent Events

The Plan has evaluated all events occurring subsequent to December 31, 2022 and through October 13, 2023, which is the date that the financial statements were issued, and does not believe that any events occurring during this period require either recognition or disclosure in the accompanying financial statements.

## NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

### NOTE 4 – INVESTMENTS – CONTINUED

The following is a description of the valuation methodologies used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

*Mutual funds:* Valued at the net asset value (NAV) of the shares held by the Plan at the end of the year.

*Shares in BDC:* Valued at the net asset value (NAV) of the shares held by the Plan as reported by the external managers of the management investment company. The investment represents shares in a closed-end business development company (BDC) that underwrites loans to middle market corporate borrowers. The fund is registered with the U.S. Securities and Exchange Commission but is not publicly traded. The fund was closed to new investment as of April 30, 2015. The net asset value is determined based on the market value of the assets held net of any liabilities excluding deferred financing costs.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Level 3 activity is as follows:

|                   | <u>2022</u> | <u>2021</u>      |
|-------------------|-------------|------------------|
| Beginning balance | \$ 64,089   | \$ 57,646        |
| Distributions     | (64,089)    | -                |
| Unrealized gains  | <u>-</u>    | <u>6,443</u>     |
| Ending balances   | <u>\$ -</u> | <u>\$ 64,089</u> |

### NOTE 5 – PLAN TAX STATUS

The Plan operates on a volume submitter document, and obtained its latest opinion letter on December 31, 2018, which stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Plan administration believes there are no uncertain tax positions related to Plan activities.
