The Tribal Council of Cowlitz Indian Tribe of
Cowlitz Indian Tribe 401(k) Plan

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Cowlitz Indian Tribe 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net position available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net position available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cowlitz Indian Tribe 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cowlitz Indian Tribe 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cowlitz Indian Tribe 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cowlitz Indian Tribe 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cowlitz Indian Tribe 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4(i) – schedule of assets (held at end of year) and Schedule H, line 4(a) – schedule of delinquent contributions as of and for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Required Supplementary Information

Management has omitted the Management Discussion and Analysis that the Governmental Accounting Standards Board requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by the missing information.

Cowlitz Indian Tribe 401(k) Plan

Notes to Financial Statements

Note 1 – Description of Plan

The following description of the Cowlitz Indian Tribe 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution 401(k) salary deferral plan, adopted January 1, 2003, covering substantially all employees of Cowlitz Indian Tribe (the Tribe) and Cowlitz Indian Tribal Housing (Housing). The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Tribe is the Plan's sponsor and serves as Plan administrator, which is responsible for establishing Plan benefits, contributions, and other provisions, and for approving all Plan amendments. At December 31, 2022, there were 428 total participants consisting of 288 active and 140 retired or separated participants.

Eligibility – Employees of the Tribe and Housing are eligible to participate in the Plan upon reaching age 18 and after completing one year of service in which at least 1,000 hours are worked. Participants must be employed as of the last day of the Plan year and have worked 501 hours during the Plan year to be eligible to receive any employer paid profit sharing contributions.

Contributions

Participant contributions – Each year, participants may contribute between 1% and 100% of pretax annual compensation, as defined in the Plan. Participants may also elect to make Roth contributions utilizing after-tax contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified plans.

Employer match and profit sharing contributions – The Tribe may elect to make discretionary matching and profit sharing contributions to the Plan. There were no profit sharing contributions for the year ended December 31, 2022. The Tribe makes discretionary matching contributions equal to 5% of each eligible participant's eligible compensation.

Contributions are subject to regulatory limitations.

Participant accounts – Each participant's account is credited with the participant's contributions and Tribe discretionary matching contributions as well as allocations of the Tribe's profit sharing contribution and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan.

Cowlitz Indian Tribe 401(k) Plan

Notes to Financial Statements

Vesting – Participants are vested immediately in their contributions plus actual earnings (losses) thereon. Vesting in the Tribe's contribution portion of their accounts is based on years of continuous service. Participants vest in the Tribe's contributions based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	0%
2	33%
3	66%
4 or more	100%

Payment of benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's account balance. For termination of service for other reasons, or for participants whose account balance is under \$5,000, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeitures – Forfeitures are the nonvested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan and are used to pay Plan administrative expenses, with any remaining amount used to reduce future Tribe contributions. As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$131,116 and \$107,228, respectively. For the year ended December 31, 2022, \$7,443 was used for payment of administrative expenses.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America as applied to governmental units, using the accrual method of accounting. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

Use of estimates – The preparation of financial statements in accordance with generally accepted accounting principles requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cowlitz Indian Tribe 401(k) Plan

Notes to Financial Statements

Investment valuation – The investments are reported at fair value and contract value. The Plan's qualified institutions, Empower Annuity Insurance Company of America, and Empower Trust Company, LLC, certify the contract value of the guaranteed investment contract and fair value of all other investments. If available, quoted market prices are used to value investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (the exit price) in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net depreciation in fair value of investments consists of both the realized gains or losses and unrealized appreciation and depreciation of those investments.

Payment of benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Tribe and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Note 3 – Investments

Investment securities are exposed to various risks that can affect the value of the Plan's investments such as custodial credit risk, interest rate risk, credit risk, concentration risk, and foreign currency risk. The Plan invests in registered investment companies (mutual funds) and a Guaranteed Investment Contract (GIC). The GIC and mutual fund holdings in equity securities respond to such factors as economic conditions, individual company earnings performance, and market liquidity, while holdings in debt securities are particularly sensitive to credit risk and change in interest rates.

Custodial credit risk – Custodial credit risk is the risk that in the event of a failure by the counterparty, the Plan will not be able to recover the value of its investments that are in the possession of an outside party. The Plan's policies do not specifically address custodial credit risk, but all the Plan's investments are insured or registered, or held by the Plan or its agent in the Plan's name.

Interest rate risk – Interest rate risk arises from the likelihood that interest rates will rise or fall during the holding period of a fixed rate security and adversely affect the selling price of the security prior to maturity. The price of a debt security typically moves in the opposite direction of the change in interest rates.

Foreign currency risk – Foreign currency risk is the risk that changes in exchange rates will adversely impact the fair value of an investment denominated in a foreign currency. The Plan's foreign currency risk exposure resides within the international mutual fund holdings. The Plan does not hold any direct investments or instruments denominated in a foreign currency.

Credit risk – Credit risk exists when there is a possibility that the issuer or other counterparty to an investment may be unable to fulfill its payments on a security under the original term. The Plan had the following credit quality mix in its fixed income investments as of December 31, 2022 and 2021:

N/A – Investment did not represent 5% or more of net position available for benefits.

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Cowlitz Indian Tribe 401(k) Plan

Notes to Financial Statements

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table discloses, by level, the fair value hierarchy of the Plan's assets at fair value as of December 31, 2022 and 2021:

	Fair Value Measurement at December 31, 2022

Note 5 – Guaranteed Investment Contract with Empower Annuity Insurance Company of America

In 2014, the Plan entered into a fully benefit-responsive investment contract (FBRIC) with Empower Annuity Insurance Company of America (Empower). Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. As of December 31, 2022, the crediting rate was 1.05%. The FBRIC does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the FBRIC criteria and therefore is reported at contract value. Contract value is the relevant measure for FBRICs because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Cowlitz Indian Tribe 401(k) Plan

Notes to Financial Statements

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations, which may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the Plan's ability to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following: (1) An uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreements without the consent of the issuer.

Note 6 – Tax Status

The Plan document is a volume submitter defined contribution plan under CCH, Inc., that received a favorable opinion letter from the Internal Revenue Service on November 30, 2020, which stated that the Plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Note 7 – Information Certified by the Trustees

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Empower Trust Company, LLC, a trustee of the Plan, has certified to the completeness and accuracy of:

- Registered investment company funds reflected on the accompanying statements of net position available for benefits as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments in the amount of \$1,934,208, and interest and dividends in the amount of \$399,894 reflected on the accompanying statement of changes in net position available for benefits for the year ended December 31, 2022.
- Investments reflected on the schedule of assets (held at end of year), excluding the guaranteed investment contract.

Cowlitz Indian Tribe 401(k) Plan

Notes to Financial Statements

Empower Annuity Insurance Company of America, a trustee of the Plan, has certified to the completeness and accuracy of:

- The contract value of the guaranteed investment contract reflected on the accompanying statements of net position available for benefits as of December 31, 2022 and 2021.
- Interest and dividends of the guaranteed investment contract, in the amount of \$4,231, reflected on the accompanying statement of changes in net position available for benefits for the year ended December 31, 2022.
- Contract value of the guaranteed investment contract reflected on the schedule of assets (held at end of year).

Note 7 – Party-in-Interest Transactions

Certain Plan investments are managed by Empower Annuity Insurance Company of America. The Plan receives recordkeeping services from an affiliate of Empower Annuity Insurance Company of America; therefore, transactions with these entities qualify as exempt related party-in-interest transactions.

Note 8 – Plan Termination

Although it has not expressed any intention to do so, the Tribe has the right to terminate the Plan and discontinue its contributions at any time. If the Plan is terminated, amounts allocated to a participant's account become fully vested.

Note 9 – Reconciliation to Form 5500

The Form 5500 has certain items that differ from amounts shown on the accompanying financial statements. These differences relate to classification only and have no effect upon net position available for benefits for either period.
