INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Pleasant Travel Service Salary Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Pleasant Travel Service Salary Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedule Required by ERISA

The supplementary Schedule H, Line 4i Schedule of Assets Held (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 - PLAN DESCRIPTION

The following description of the Pleasant Travel Service Salary Savings Plan (the Plan) provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

(a) GENERAL

Pleasant Travel Service (the Company and the Plan Sponsor) adopted the Plan on May 1, 1984 to provide deferred compensation benefits for its eligible employees. The Company is responsible for administering the Plan. Prudential Bank & Trust FSB (the Trustee) and Prudential Retirement Insurance and Annuity Company (collectively Prudential) acquired by and renamed Empower Annuity Insurance Company (Empower) (collectively the Custodian) in 2022, are responsible for receiving Plan contributions from the Company, investing and safeguarding the Plan's assets held for investment purposes, and maintaining the individual participant account balances. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was most recently amended in April 2020, to adjust hardship distribution documentation requirements and implement certain provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act).

(b) PARTICIPATION

All non-union Company employees who have attained age 21 and who have been employed for at least one year are eligible to participate in the Plan.

(c) PARTICIPANT CONTRIBUTIONS

Participants are permitted to make self-directed contributions, from 1% to 16% of their eligible compensation, subject to IRS limitations not to exceed \$20,500, for the year ended December 31, 2022. Participants may also contribute amounts representing distributions from other eligible retirement plans, as defined in the Plan. The Plan allows for automatic enrollment and each employee, whose entry date is on or following the effective date, will be automatically enrolled at a deferral rate of 3%.

(d) COMPANY CONTRIBUTIONS

The Company makes a safe harbor matching contribution equal to 100% of the participant's salary deferrals that do not exceed 3% of the participant's compensation, plus an additional 50% of participant's deferrals between 3% and 5% of the participant's compensation. In addition, the Company may make a discretionary matching contribution equal to a percentage of the participant's deferrals which will be determined each year. Employees become eligible for the matching contributions when they have completed 1,000 hours of service.

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 - PLAN DESCRIPTION (continued)

(e) VESTING

Participants are immediately vested in their voluntary contributions and employer safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion is based on years of service. Participants are vested in Company's discretionary matching contributions at 20 percent after two years of service and an additional 20 percent each year thereafter until 100 percent upon completing six years of service.

(f) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, allocations of the Company's contribution, if any, and Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(g) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 less the highest outstanding loan balance during the prior 12 months or 50 percent of their vested account balance. The loans are stated at the unpaid principal amount, secured by the balance in the participant's account and bear interest at rates between 3.25% and 6.50% per annum. Principal and interest is paid ratably through payroll deductions.

(h) FORFEITURES

Forfeitures may first be used to pay Plan administrative expenses, and any remaining forfeitures will be used to reduce Company contributions. During the year ended December 31, 2022, forfeitures of \$7,284 were used to pay Plan administrative expenses and employer contributions. As of December 31, 2022, forfeitures of \$3,401 are available for future use.

(i) PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments or an annuity as permitted under the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. There were no benefit claims for participants separated from service that have not been paid as of December 31, 2022.

(j) ADMINISTRATIVE EXPENSES

The Company absorbs significant costs of the Plan including certain administrative and accounting fees. Transaction charges are paid by the participants.

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

(b) USE OF ESTIMATES

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan Administrator to use certain estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported revenues and expenses during the reporting period. Although the Plan Administrator believes its estimates are appropriate, changes in assumptions utilized in preparing such estimates could cause these estimates to change sometime in the future.

(c) RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, including pooled investment accounts and fully-benefit responsive investment contracts. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect amounts reported in the financial statements.

(d) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the price at which plan participants would transact in the contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5, respectively, for discussion of fair value measurements and contract value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(f) SUBSEQUENT EVENTS

The Plan has evaluated any transactions occurring subsequent to the statement of net assets available for benefits date of December 31, 2022, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through October 11, 2023, the date the financial statements were available to be issued. No such material events or transactions were noted to have occurred except for as otherwise disclosed in the footnotes.

NOTE 3 - INVESTMENTS

The Plan's funds are maintained by Prudential Bank & Trust FSB (Prudential) and Empower Annuity Insurance Company (Empower). The funds are credited with contributions and actual earnings on the underlying investment and charged for Plan withdrawals. The Plan's funds in the financial statements as of December 31, 2022 and 2021 are the values as reported to the Plan by Prudential and Empower.

The following was certified as complete and accurate by Prudential and Empower:

- Investment accounts and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments, other investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Supplementary Schedule of Assets (Held at End of Year).

The Plan's independent auditor did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the statements of net assets available for benefits and changes in net assets available for benefits and the supplementary schedule of assets (Held at End of Year).

Participants may change their investment options at their discretion.

NOTE 4 - FAIR VALUE MEASUREMENT

The Plan adopted a fair value measurement accounting standard for those assets that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at December 31, 2022 and 2021, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

	Year Ended December 31
2022:	
Investments Measured at Net	
Asset Value - Pooled Investment Accounts ^(a)	<u>\$ 9,297,588</u>
<i>TOTAL INVESTMENTS AT FAIR VALUE</i>	<u><u>\$ 9,297,588</u></u>
2021:	
Investments Measured at Net	
Asset Value - Pooled Investment Accounts ^(a)	<u>\$ 12,483,376</u>
<i>TOTAL INVESTMENTS AT FAIR VALUE</i>	<u><u>\$ 12,483,376</u></u>

(a) In accordance with Financial Accounting Standard Board Accounting Standard Codification Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The following is a description of the valuation methodologies used for assets measured at net asset value:

- **Pooled Investment Accounts:** Valued at the net asset value (NAV) of shares held by the Plan at year-end, which is determined by dividing net assets at fair value by units outstanding. The accounts are designed to approximate the performance of mutual funds of the same name, with similar investment strategies. The Pooled Investment Accounts do not have any unfunded commitments relating to investments, or any significant restrictions on redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

There have been no changes in the methodologies used at December 31, 2022 and 2021.

NOTE 5 - INVESTMENTS AT CONTRACT VALUE

The Plan participated in a fully benefit-responsive investment contract with Prudential during the years ended December 31, 2022 and 2021. Prudential maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 6 - TAX STATUS

The Plan is a prototype plan which is subject of a favorable tax opinion letter from the IRS dated December 4, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by Prudential and Empower. Prudential and Empower is a custodian as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

In the event the Plan is terminated, all assets shall become 100% vested and the assets will be allocated to each participant in the proportion each account balance bears to the total of all account balances.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Pleasant Travel Service Salary Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Pleasant Travel Service Salary Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedule Required by ERISA

The supplementary Schedule H, Line 4i Schedule of Assets Held (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 - PLAN DESCRIPTION

The following description of the Pleasant Travel Service Salary Savings Plan (the Plan) provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

(a) GENERAL

Pleasant Travel Service (the Company and the Plan Sponsor) adopted the Plan on May 1, 1984 to provide deferred compensation benefits for its eligible employees. The Company is responsible for administering the Plan. Prudential Bank & Trust FSB (the Trustee) and Prudential Retirement Insurance and Annuity Company (collectively Prudential) acquired by and renamed Empower Annuity Insurance Company (Empower) (collectively the Custodian) in 2022, are responsible for receiving Plan contributions from the Company, investing and safeguarding the Plan's assets held for investment purposes, and maintaining the individual participant account balances. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was most recently amended in April 2020, to adjust hardship distribution documentation requirements and implement certain provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act).

(b) PARTICIPATION

All non-union Company employees who have attained age 21 and who have been employed for at least one year are eligible to participate in the Plan.

(c) PARTICIPANT CONTRIBUTIONS

Participants are permitted to make self-directed contributions, from 1% to 16% of their eligible compensation, subject to IRS limitations not to exceed \$20,500, for the year ended December 31, 2022. Participants may also contribute amounts representing distributions from other eligible retirement plans, as defined in the Plan. The Plan allows for automatic enrollment and each employee, whose entry date is on or following the effective date, will be automatically enrolled at a deferral rate of 3%.

(d) COMPANY CONTRIBUTIONS

The Company makes a safe harbor matching contribution equal to 100% of the participant's salary deferrals that do not exceed 3% of the participant's compensation, plus an additional 50% of participant's deferrals between 3% and 5% of the participant's compensation. In addition, the Company may make a discretionary matching contribution equal to a percentage of the participant's deferrals which will be determined each year. Employees become eligible for the matching contributions when they have completed 1,000 hours of service.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 - PLAN DESCRIPTION (continued)

(e) VESTING

Participants are immediately vested in their voluntary contributions and employer safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion is based on years of service. Participants are vested in Company's discretionary matching contributions at 20 percent after two years of service and an additional 20 percent each year thereafter until 100 percent upon completing six years of service.

(f) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, allocations of the Company's contribution, if any, and Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(g) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 less the highest outstanding loan balance during the prior 12 months or 50 percent of their vested account balance. The loans are stated at the unpaid principal amount, secured by the balance in the participant's account and bear interest at rates between 3.25% and 6.50% per annum. Principal and interest is paid ratably through payroll deductions.

(h) FORFEITURES

Forfeitures may first be used to pay Plan administrative expenses, and any remaining forfeitures will be used to reduce Company contributions. During the year ended December 31, 2022, forfeitures of \$7,284 were used to pay Plan administrative expenses and employer contributions. As of December 31, 2022, forfeitures of \$3,401 are available for future use.

(i) PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments or an annuity as permitted under the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. There were no benefit claims for participants separated from service that have not been paid as of December 31, 2022.

(j) ADMINISTRATIVE EXPENSES

The Company absorbs significant costs of the Plan including certain administrative and accounting fees. Transaction charges are paid by the participants.

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

(b) USE OF ESTIMATES

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan Administrator to use certain estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported revenues and expenses during the reporting period. Although the Plan Administrator believes its estimates are appropriate, changes in assumptions utilized in preparing such estimates could cause these estimates to change sometime in the future.

(c) RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, including pooled investment accounts and fully-benefit responsive investment contracts. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect amounts reported in the financial statements.

(d) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the price at which plan participants would transact in the contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5, respectively, for discussion of fair value measurements and contract value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(f) SUBSEQUENT EVENTS

The Plan has evaluated any transactions occurring subsequent to the statement of net assets available for benefits date of December 31, 2022, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through October 11, 2023, the date the financial statements were available to be issued. No such material events or transactions were noted to have occurred except for as otherwise disclosed in the footnotes.

NOTE 3 - INVESTMENTS

The Plan's funds are maintained by Prudential Bank & Trust FSB (Prudential) and Empower Annuity Insurance Company (Empower). The funds are credited with contributions and actual earnings on the underlying investment and charged for Plan withdrawals. The Plan's funds in the financial statements as of December 31, 2022 and 2021 are the values as reported to the Plan by Prudential and Empower.

The following was certified as complete and accurate by Prudential and Empower:

- Investment accounts and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments, other investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Supplementary Schedule of Assets (Held at End of Year).

The Plan's independent auditor did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the statements of net assets available for benefits and changes in net assets available for benefits and the supplementary schedule of assets (Held at End of Year).

Participants may change their investment options at their discretion.

NOTE 4 - FAIR VALUE MEASUREMENT

The Plan adopted a fair value measurement accounting standard for those assets that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at December 31, 2022 and 2021, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

	Year Ended December 31
2022:	
Investments Measured at Net	
Asset Value - Pooled Investment Accounts ^(a)	\$ 9,297,588
TOTAL INVESTMENTS AT FAIR VALUE	\$ 9,297,588
2021:	
Investments Measured at Net	
Asset Value - Pooled Investment Accounts ^(a)	\$ 12,483,376
TOTAL INVESTMENTS AT FAIR VALUE	\$ 12,483,376

(a) In accordance with Financial Accounting Standard Board Accounting Standard Codification Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The following is a description of the valuation methodologies used for assets measured at net asset value:

- **Pooled Investment Accounts:** Valued at the net asset value (NAV) of shares held by the Plan at year-end, which is determined by dividing net assets at fair value by units outstanding. The accounts are designed to approximate the performance of mutual funds of the same name, with similar investment strategies. The Pooled Investment Accounts do not have any unfunded commitments relating to investments, or any significant restrictions on redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

There have been no changes in the methodologies used at December 31, 2022 and 2021.

NOTE 5 - INVESTMENTS AT CONTRACT VALUE

The Plan participated in a fully benefit-responsive investment contract with Prudential during the years ended December 31, 2022 and 2021. Prudential maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 6 - TAX STATUS

The Plan is a prototype plan which is subject of a favorable tax opinion letter from the IRS dated December 4, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by Prudential and Empower. Prudential and Empower is a custodian as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

In the event the Plan is terminated, all assets shall become 100% vested and the assets will be allocated to each participant in the proportion each account balance bears to the total of all account balances.

To the Plan Administrator of the
Pleasant Travel Service Salary Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Pleasant Travel Service Salary Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedule Required by ERISA

The supplementary Schedule H, Line 4i Schedule of Assets Held (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 - PLAN DESCRIPTION

The following description of the Pleasant Travel Service Salary Savings Plan (the Plan) provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

(a) GENERAL

Pleasant Travel Service (the Company and the Plan Sponsor) adopted the Plan on May 1, 1984 to provide deferred compensation benefits for its eligible employees. The Company is responsible for administering the Plan. Prudential Bank & Trust FSB (the Trustee) and Prudential Retirement Insurance and Annuity Company (collectively Prudential) acquired by and renamed Empower Annuity Insurance Company (Empower) (collectively the Custodian) in 2022, are responsible for receiving Plan contributions from the Company, investing and safeguarding the Plan's assets held for investment purposes, and maintaining the individual participant account balances. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was most recently amended in April 2020, to adjust hardship distribution documentation requirements and implement certain provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act).

(b) PARTICIPATION

All non-union Company employees who have attained age 21 and who have been employed for at least one year are eligible to participate in the Plan.

(c) PARTICIPANT CONTRIBUTIONS

Participants are permitted to make self-directed contributions, from 1% to 16% of their eligible compensation, subject to IRS limitations not to exceed \$20,500, for the year ended December 31, 2022. Participants may also contribute amounts representing distributions from other eligible retirement plans, as defined in the Plan. The Plan allows for automatic enrollment and each employee, whose entry date is on or following the effective date, will be automatically enrolled at a deferral rate of 3%.

(d) COMPANY CONTRIBUTIONS

The Company makes a safe harbor matching contribution equal to 100% of the participant's salary deferrals that do not exceed 3% of the participant's compensation, plus an additional 50% of participant's deferrals between 3% and 5% of the participant's compensation. In addition, the Company may make a discretionary matching contribution equal to a percentage of the participant's deferrals which will be determined each year. Employees become eligible for the matching contributions when they have completed 1,000 hours of service.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 - PLAN DESCRIPTION (continued)

(e) VESTING

Participants are immediately vested in their voluntary contributions and employer safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary matching contribution portion is based on years of service. Participants are vested in Company's discretionary matching contributions at 20 percent after two years of service and an additional 20 percent each year thereafter until 100 percent upon completing six years of service.

(f) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, allocations of the Company's contribution, if any, and Plan earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses, if applicable. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(g) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 less the highest outstanding loan balance during the prior 12 months or 50 percent of their vested account balance. The loans are stated at the unpaid principal amount, secured by the balance in the participant's account and bear interest at rates between 3.25% and 6.50% per annum. Principal and interest is paid ratably through payroll deductions.

(h) FORFEITURES

Forfeitures may first be used to pay Plan administrative expenses, and any remaining forfeitures will be used to reduce Company contributions. During the year ended December 31, 2022, forfeitures of \$7,284 were used to pay Plan administrative expenses and employer contributions. As of December 31, 2022, forfeitures of \$3,401 are available for future use.

(i) PAYMENT OF BENEFITS

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments or an annuity as permitted under the Plan. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. There were no benefit claims for participants separated from service that have not been paid as of December 31, 2022.

(j) ADMINISTRATIVE EXPENSES

The Company absorbs significant costs of the Plan including certain administrative and accounting fees. Transaction charges are paid by the participants.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

(b) USE OF ESTIMATES

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan Administrator to use certain estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported revenues and expenses during the reporting period. Although the Plan Administrator believes its estimates are appropriate, changes in assumptions utilized in preparing such estimates could cause these estimates to change sometime in the future.

(c) RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, including pooled investment accounts and fully-benefit responsive investment contracts. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect amounts reported in the financial statements.

(d) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the price at which plan participants would transact in the contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5, respectively, for discussion of fair value measurements and contract value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(f) SUBSEQUENT EVENTS

The Plan has evaluated any transactions occurring subsequent to the statement of net assets available for benefits date of December 31, 2022, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through October 11, 2023, the date the financial statements were available to be issued. No such material events or transactions were noted to have occurred except for as otherwise disclosed in the footnotes.

NOTE 3 - INVESTMENTS

The Plan's funds are maintained by Prudential Bank & Trust FSB (Prudential) and Empower Annuity Insurance Company (Empower). The funds are credited with contributions and actual earnings on the underlying investment and charged for Plan withdrawals. The Plan's funds in the financial statements as of December 31, 2022 and 2021 are the values as reported to the Plan by Prudential and Empower.

The following was certified as complete and accurate by Prudential and Empower:

- Investment accounts and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments, other investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Supplementary Schedule of Assets (Held at End of Year).

The Plan's independent auditor did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the statements of net assets available for benefits and changes in net assets available for benefits and the supplementary schedule of assets (Held at End of Year).

Participants may change their investment options at their discretion.

NOTE 4 - FAIR VALUE MEASUREMENT

The Plan adopted a fair value measurement accounting standard for those assets that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at December 31, 2022 and 2021, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

	Year Ended December 31
2022:	
Investments Measured at Net	
Asset Value - Pooled Investment Accounts ^(a)	<u>\$ 9,297,588</u>
<i>TOTAL INVESTMENTS AT FAIR VALUE</i>	<u><u>\$ 9,297,588</u></u>
2021:	
Investments Measured at Net	
Asset Value - Pooled Investment Accounts ^(a)	<u>\$ 12,483,376</u>
<i>TOTAL INVESTMENTS AT FAIR VALUE</i>	<u><u>\$ 12,483,376</u></u>

(a) In accordance with Financial Accounting Standard Board Accounting Standard Codification Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The following is a description of the valuation methodologies used for assets measured at net asset value:

- **Pooled Investment Accounts:** Valued at the net asset value (NAV) of shares held by the Plan at year-end, which is determined by dividing net assets at fair value by units outstanding. The accounts are designed to approximate the performance of mutual funds of the same name, with similar investment strategies. The Pooled Investment Accounts do not have any unfunded commitments relating to investments, or any significant restrictions on redemptions. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

There have been no changes in the methodologies used at December 31, 2022 and 2021.

NOTE 5 - INVESTMENTS AT CONTRACT VALUE

The Plan participated in a fully benefit-responsive investment contract with Prudential during the years ended December 31, 2022 and 2021. Prudential maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

PLEASANT TRAVEL SERVICE SALARY SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 6 - TAX STATUS

The Plan is a prototype plan which is subject of a favorable tax opinion letter from the IRS dated December 4, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by Prudential and Empower. Prudential and Empower is a custodian as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

In the event the Plan is terminated, all assets shall become 100% vested and the assets will be allocated to each participant in the proportion each account balance bears to the total of all account balances.
