## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator  
Adriatic Marine, LLC 401(K) Retirement Savings Plan  
Harvey, Louisiana

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Adriatic Marine, LLC 401(K) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Adriatic Marine, LLC 401(K) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Adriatic Marine, LLC 401(K) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Adriatic Marine, LLC 401(K) Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Adriatic Marine, LLC 401(K) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Adriatic Marine, LLC 401(K) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

***Auditors' Responsibilities for the Audit of the Financial Statements (continued)***

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ADRIATIC MARINE, LLC 401(K) RETIREMENT SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2022 and 2021

1) Description of plan

The following description of the Adriatic Marine, LLC 401(K) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan began operations January 1, 2017 as a defined contribution plan covering substantially all employees of Adriatic Marine, LLC (Company or Employer) who are twenty-one years of age and who have completed six months of service, as defined. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Participants may make elective contributions to the Plan by deferring a percentage of their compensation each pay period up to a maximum of 100% of compensation or the statutory maximum dollar amount for the year. In addition, a participant who has attained age 50 before the close of the Plan year shall be eligible to make catch-up contributions in accordance with limitations under the Internal Revenue Code. The total of deferral and Company match cannot exceed the statutory maximum. All eligible employees are automatically enrolled in the Plan with a 3% deferral election, increasing to 4% in year 3, 5% in year 4, and 6% in year 5, unless the employee elects otherwise.

The Company will make safe harbor matching contributions equal to 100% of the participant's salary deferral that did not exceed 1% of the participant's compensation plus 50% of their salary deferrals between 1% and 6% of their compensation. In addition, the Plan allows for a discretionary profit-sharing contribution, to be determined by the Employer. There were no profit sharing contributions made in 2022 and 2021.

(c) Participant accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company contributions, (b) administrative expenses, and (c) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service, as defined. A participant becomes 100% vested after two years of services. However, if an active participant dies or becomes totally disabled prior to attaining the normal retirement age, the participant's account becomes 100% vested.

(e) Payment of benefits

Upon termination of service due to death, disability, or normal retirement, a participant will receive a lump-sum amount or a distribution in the form of an annuity, equal to the value of the vested interest in his or her account. Participants may also receive in-service withdrawals for their vested account balance upon reaching 59 ½ years of age. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan. Balances under \$5,000 may be paid out at the discretion of the Company.

(f) Forfeitures

When termination of participation in the Plan occurs, the non-vested portion of the participant's account, as defined by the Plan, represents forfeitures. Forfeitures are used to reduce administrative expenses and Employer match. If the participant is re-employed and fulfills certain requirements, as defined in the Plan, the participant's account will be reinstated. Forfeitures available to offset future Employer contributions and administrative expenses at December 31, 2022 and 2021 were \$3,724 and \$4,363, respectively.

ADRIATIC MARINE, LLC 401(K) RETIREMENT SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2022 and 2021

1) Description of plan (continued)

(g) Notes receivable from participants

Loans to participants from the Plan are not permitted.

2) Summary of accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) Investment valuation and income recognition

The Plan's investments are stated at fair market value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 9 for discussion of fair value measurements.

The Plan maintains a non-fully benefit-responsive investment contract with The Standard Insurance Company. The Standard Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at market value as reported to the Plan by The Standard Insurance Company. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The average yield during 2022 and 2021 was 0.74% and 0.71%, respectively.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The interest earnings is compounded and credited to the fixed account at a daily rate equivalent to the effective annual interest rate as determined by the Company. The net interest rate will never be less than the minimum interest rate allowed by state law.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(c) Payment of benefits

Benefits are recorded when paid.

(d) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(e) Plan administrative costs

The Company absorbs administrative costs of the Plan. Administrative expenses paid by the Plan arise from fees for the processing of distributions that are charged to their respected participant accounts. In addition, certain investment accounts charge assets and participant fees that are allocated among the respected participants.

3) Investments

During the years ended December 31, 2022 and 2021, the Plan's investments (including gains and losses on investments bought, sold and held during the year) (depreciated) appreciated in value by \$(411,858) and \$249,374, respectively.

ADRIATIC MARINE, LLC 401(K) RETIREMENT SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2022 and 2021

4) Federal income tax status

The prototype plan received an opinion letter from the Internal Revenue Service dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the letter, including amendments made to comply with recent law changes. The Plan itself has not separately applied for a determination letter; however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes had been included in the Plan's financial statements.

U.S. generally accepted accounting principles requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is not subject to U.S. federal and state tax examinations by tax authorities beyond three years from the filing of those returns.

5) Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

6) Information certified by the custodian (unaudited)

The following is a summary of the investment information regarding the Plan as of December 31, 2022 and 2021, and for the years then ended, included in the Plan's financial statements and supplementary schedule that was prepared by or derived from information prepared by the custodian of the Plan, The Standard Insurance Company, and furnished to the plan administrator. The plan administrator has obtained certifications from the custodian that such information is complete and accurate.

7) Related party transactions

Certain Plan investments are shares of pooled separate accounts managed by The Standard Insurance Company, the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions.

8) Risk and uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

For the Years Ended December 31, 2022 and 2021

9) Fair value measurement

Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no other changes in the methodologies used at December 31, 2022 and 2021.

*Pooled separate accounts:* Valued at net asset value, which is fair market value, as the assets are marked-to-market on a daily basis.

*Guaranteed investment contract:* Valued at fair value, which approximates contract value.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

| Assets at Fair Value as of December 31, 2022 |         |              |            |              |

10) Prohibited transactions

During the Plan year ended December 31, 2022, employee withholdings in the amount of \$23,170 were not remitted within the appropriate period by the Company. These transactions constitute prohibited transactions as defined by ERISA. Lost earnings on the 2022 withholdings had not been remitted to the Plan as of the date of this report.

11) Secure Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

12) Subsequent events

The Plan has evaluated subsequent events through the date of the auditors' report, the date which the financial statements were available to be issued. There were no material subsequent events that require recognition or additional disclosures in these financial statements.
