|--------|-------------------------------|
|--------|-------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of  
*Penn Line Enterprises, Inc. Employee Stock Ownership and Savings Plan*

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of Penn Line Enterprises, Inc. Employee Stock Ownership and Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Penn Line Enterprises, Inc. Employee Stock Ownership and Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Newport Trust Company as of December 31, 2022 and for the year ended December 31, 2022, and PNC Bank, National Association as of December 31, 2021 stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Penn Line Enterprises, Inc. Employee Stock Ownership and Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Penn Line Enterprises, Inc. Employee Stock Ownership and Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Penn Line Enterprises, Inc. Employee Stock Ownership and Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Penn Line Enterprises, Inc. Employee Stock Ownership and Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedules of assets (held at end of year) and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Participant Accounts*

ESOP and profit sharing portions: The Plan custodian maintains separate participant accounts for each participant. Each participant's account is credited with the (a) Company contribution and (b) an allocation of earnings/(losses). Allocation of earnings/(losses) is based on the ratio of the participant's beginning of the year account balance to all participants' beginning of the year account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

401(k) and matching portion: Each participant's account is credited with the participant's contribution and allocations of (a) the Company matching contribution and (b) earnings/(losses). Allocation of earnings/(losses) is based on participant account balances and participant investment selections. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

*Vesting*

ESOP portion: A participant will vest in the balance in his or her account based on total years of service credited. Participants vest 20% after two years of service, and then 20% per year thereafter. Participants shall become fully vested if employed on or after normal retirement age or upon death or disability.

401(k), matching, and profit sharing portions: Participants are immediately vested in their 401(k) account, including matching contributions, and their profit sharing account.

ESOP portion: No distributions from the Plan will be made until a participant retires, dies, or otherwise terminates employment. Distributions of ESOP account balances up to \$245,000 are paid in cash and in one lump-sum payment. ESOP account balances exceeding \$245,000 (indexed for inflation) are paid over a period not to exceed five years, with each annual installment equal to \$245,000. The distribution period may be longer than five years but no longer than ten years if the ESOP account exceeds \$1,230,000.

Profit sharing portion: Distributions of this portion of the Plan are paid in cash and in one lump-sum payment, regardless of balance.

401(k) and matching portion: Upon termination of service, death, disability, or retirement, a participant/beneficiary will generally receive a lump-sum amount equal to the value of the participant's account. The Plan permits in-service distributions to participants over age 59½. Hardship withdrawals are permitted by the Plan.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021 AND YEAR ENDED DECEMBER 31, 2022

**NOTE A—DESCRIPTION OF PLAN (CONTINUED)**

**Put Option**

Under Federal income tax regulations, the employer stock that is held by the Plan and its participants and is not readily tradable on an established market, or is subject to trading limitations, includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the current appraised value of the stock. The Company can pay for the purchase with interest over a period of five years. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

**Diversification**

Diversification is offered to participants close to retirement so that they may have the opportunity to move part of the value of their investment in Company stock into investments which are more diversified. Participants who are at least age 55 or have completed their tenth year of service after the date they first became a participant in the Plan may elect to diversify a portion of their account. Diversification is offered to each eligible participant over a six-year period. In each of the first five years, a participant may diversify up to 25% of his/her account balance that is attributable to Company stock. In the sixth year, the percentage increases to 50%. Participants eligible to diversify make their election after year-end based on the number of shares of the employer's stock held in their account at year-end.

**Forfeited Accounts**

At December 31, 2022 and 2021, forfeited nonvested amounts totaled \$612,835 and \$287,920, respectively. Forfeitures of participant accounts are allocated to each account of the remaining participants based upon the relation of the participant's compensation to total compensation for the Plan year. Forfeitures of terminated nonvested account balances in the amounts of \$0 and \$9,464 were allocated to remaining participants during the years ended December 31, 2022 and 2021, respectively.

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**NOTE B—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The estimated fair value of the Plan's investment in Penn Line Enterprises, Inc. common stock has been determined by an independent appraiser. As a practical expedient, the fair value of the stable value common collective trust fund is measured using the net asset value per share of the fund. See Note F for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Benefits are recorded when paid.

**Expenses**

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in the net appreciation in fair value of investments. Fees for the distributions to participants are included in administrative expenses and charged directly to the participant's account.

**Date of Management's Review of Subsequent Events**

Subsequent events were evaluated through October 13, 2023, which is the date the financial statements were available to be issued.

**NOTE F—FAIR VALUE MEASUREMENTS**

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

**NOTES TO THE FINANCIAL STATEMENTS**

**DECEMBER 31, 2022 AND 2021 AND YEAR ENDED DECEMBER 31, 2022**

**NOTE F—FAIR VALUE MEASUREMENTS (CONTINUED)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds – The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common stocks and exchange-traded funds – The fair value of common stocks and exchange-traded funds are valued at the closing price reported on active markets.

Mortgage backed securities – The fair value of mortgage backed securities are determined using observable market data of bonds with similar features, credit ratings, and discounted cash flows.

Company common stock – The fair value of the Company’s common stock held by the Plan is based upon an annual independent appraisal. The appraisal was based on the income valuation approach consistent with prior years. The appraiser took into account historical and projected cash flow and net earnings, weighted average cost of capital, and applicable discounts.

Common collective trust – The stable value common trust fund, a common collective trust which holds indirect investments in fully benefit-responsive investment contracts, is valued at the net asset value per unit, as determined by the Fund trustee at year-end. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. The Plan’s investment in the stable value fund is not required to be classified within the fair value hierarchy since it is measured at net asset value.

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The following tables provide further details of the Plan's Level 3 fair value measurement for the year ended December 31, 2022:

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize the Plan's investments for which fair value is measured using the net asset value per share as a practical expedient as of December 31, 2022 and 2021, respectively. The redemption notice period is applicable only to the Plan.

The Plan invests in a common collective trust, the T. Rowe Price Stable Value Common Trust Fund (trust) operated by T. Rowe Price Trust Company. The trust invests primarily in synthetic investment contracts issued by insurance companies and financial institutions along with other short-term investments. The investment objectives of the trust are to maximize current income consistent with the maintenance of principal and to provide for benefit-responsive participant withdrawals at contract value for certain events without penalty or adjustment. Participants may redeem trust units on a daily basis for withdrawal or transfer of all or a portion of their investment at contract value without restriction. Events outside the normal operation of the trust (i.e. partial or complete legal termination of the trust or a unit holder, tax disqualification of the trust or a unit holder, and certain trust amendments if the issuers' consent is not obtained) can limit the trust's ability to transact at contract value with the issuers of its investment contracts. Withdrawals from an investment contract due to these events may result in a negative market value adjustment with respect to such withdrawal. Per the Annual Report of the T. Rowe Price Stable Value Common Trust Fund as of December 31, 2022, the occurrence of these events is not probable.

The T. Rowe Price Stable Value Fund is a direct filing entity. As a result, no disclosure of their investment strategies is required.

**DECEMBER 31, 2022 AND 2021 AND YEAR ENDED DECEMBER 31, 2022**

**NOTE G—TAX STATUS**

The Internal Revenue Service (IRS) has determined and informed the Plan sponsor by a letter dated May 20, 2015, that the Plan is and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**NOTE H—PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

**NOTE I—ADMINISTRATION OF PLAN ASSETS**

With the exception of Company common stock, Plan assets are held and managed by Newport Trust Company, Trustee. Participant and employer matching contributions are held and managed by Newport Trust Company, which invests cash received and dividend income and makes distributions to participants. Company common stock, which is the primary component of Plan assets, is held and managed by three co-trustees (individuals).

Certain administrative functions related to the operation and financial reporting of the Plan are performed by officers or employees of the Company or its subsidiaries. No such officer or employee receives compensation from the Plan.

**NOTES TO THE FINANCIAL STATEMENTS**

**DECEMBER 31, 2022 AND 2021 AND YEAR ENDED DECEMBER 31, 2022**

**NOTE J—RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

A significant portion of the Plan's assets are investments in Company common stock (see Note D). As the Company is the Plan sponsor, transactions involving Company common stock qualify as related party and party-in-interest transactions. As described in Note B, the Company pays the certain expenses of the Plan. The Plan also engages several service providers. Such parties are parties-in-interest under ERISA.

Delinquent participant contributions represent non-exempt party-in-interest transactions. Plan management identified delinquent participant contributions related to the Plan year ended December 31, 2022 amounting to \$5,035. These contributions were deposited into the Plan during 2022 and 2023. Lost earnings related to these late contributions have not been deposited to the Plan as of the date of this report. Plan management previously identified delinquent participant contributions of \$2,377 and \$26,386 related to Plan years ended December 31, 2021 and 2020, respectively. All of these contributions were deposited into the Plan during 2021 and 2022. Lost earnings related to these late contributions were deposited into the Plan on October 5, 2023.

**NOTE K—RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities including the Company's common stock. These investment securities are exposed to various risks including interest rate, market, and credit risks, as well as valuation assumptions based on earnings and cash flows. Due to the level of risk associated with these investment securities, and to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in the values of these investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.
