INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Foothill Family Service 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Foothill Family Service 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Foothill Family Service 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

continued

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Foothill Family Service 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Foothill Family Service 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Foothill Family Service 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Foothill Family Service 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITORS' REPORT

continued

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FOOTHILL FAMILY SERVICE 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following brief description of Foothill Family Service 403(b) Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan’s agreement for a more complete description of the Plan’s provisions.

General

The Plan is a Section 403(b) tax-deferred annuity plan covering all employees of Foothill Family Service, Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

All employee contributions to the Plan are through salary reduction agreements between Foothill Family Service, Inc. and its employees. For the years ended December 31, 2022 and 2021, federal tax law limit of basic participant contributions to the plan was 100% of participant salary up to \$20,500 and \$19,500, respectively, plus a limit of \$6,500 in catch-up contributions for participants who attain the age of 50 or more by the end of a taxable year.

Employer Contributions

Effective December 31, 2014, the employer, as defined in the plan, may make matching and/or profit-sharing contributions each year. Foothill Family Service, Inc.’s matching levels are reassessed annually by the employer’s board of directors. As of, and for the year ended December 31, 2022, the employer matched 50% of the first 5% of the eligible participant’s contribution. In addition, Foothill Family Service, Inc. contributes 3% of the eligible participant’s salary.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) Foothill Family Service, Inc.’s contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Each participant has a nonforfeitable right to 100% of the value of his or her accounts.

FOOTHILL FAMILY SERVICE 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loans fund. Loan terms vary based upon the purpose of the loan from 1-5 years for a general-purpose loan, or up to ten years for the purchase of a primary residence. Loans are secured by the balance in the participant's account and bear interest at a rate which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid quarterly by the participant.

Forfeitures

Forfeitures of employer discretionary contributions are allocated to the individual qualifying participant accounts. Forfeitures of matching contributions are applied to reduce employer contributions or administrative expenses. The forfeiture balances were \$4,451 and \$11,395, respectively, for the periods ended December 31, 2022 and 2021.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to either receive a lump-sum distribution equal to the value of his or her account, or to rollover a portion or the entire balance of the account to another retirement account.

2. Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is as follows:

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned, and related fees are recorded as administrative expenses and expensed when incurred.

continued

FOOTHILL FAMILY SERVICE 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Fair Value Measurements

Generally accepted accounting principles provide guidance on how fair value should be determined when financial statements elements are required to be measured at fair value. Valuation techniques are ranked in three levels depending on the degree of objectivity of the inputs used with each level:

Level 1 inputs - quoted prices in active markets for identical assets

Level 2 inputs - quoted prices in active or inactive markets for the same or similar assets

Level 3 inputs - estimates using the best information available when there is little or no market

The Plan is required to measure certain investments at fair value. The specific techniques used to measure fair value for the financial statement element is described in the notes below that relates to the element.

Concentration of Credit Risk

Financial instruments that potentially subject the Plan to concentration of credit risk consist of cash invested in money market and mutual funds. Credit risk related to these investments is limited as funds are invested in debt and equity securities of companies located in many different geographic regions and industries.

FOOTHILL FAMILY SERVICE 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures as of the date and for the period presented. Actual results may differ from those estimates.

Administrative Expenses

The costs of the plan for accounting and administration expenses are the responsibility of the Plan.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market volatility, and credit risks. Market risks include global events which could impact the value of investments securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.

Subsequent Events

Management has evaluated subsequent events through October 12, 2023, the date which the financial statements were available for issue. No events or transactions have occurred during this period that appear to require recognition or disclosure in the financial statements.

3. Notes Receivable from Participants

Loans to participants are repaid semi-monthly at varying interest rates. Loans to participants outstanding at December 31, 2022 and 2021 were \$298,728 and \$279,662, respectively.

NOTES TO FINANCIAL STATEMENTS

5. Fair Value Measurements, continued

The fair values of mutual funds in the fair value hierarchy are based on quoted net asset values of the shares held by the Plan at year-end (Level 1 inputs).

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statement of net assets available for benefits.

6. Fair Value of Investments in Entities that Use NAV Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021:

Investments	Fair Value as of December 31,		Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
	2022	2021			
General account	<u>\$247,835</u>	<u>\$575,902</u>	n/a	Daily	12 months

7. Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers and employees of Foothill Family Service, Inc. No officer or employee received compensation from the Plan for these services.

8. Plan Termination

Although it has not expressed any intent to do so, Foothill Family Service, Inc. has the right under the Plan to discontinue its contribution at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

FOOTHILL FAMILY SERVICE 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

9. Tax Status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (“the Code”). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (“IRS”). The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

10. Impact and Response to the COVID-19 Virus

Following the Los Angeles County, and State “Safer-at-Home” order to close all non-essential business activities, Foothill Family Service, Inc. has been conducting business as usual and has converted to serving clients remotely to meet isolation protocols.

The Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) was enacted on March 27, 2020. Under Section 2202 of the CARES Act, Plan sponsors are permitted to make qualified coronavirus-related distributions available from 401(a), 401(k), 403(b), and governmental 457(b) plans, which are called “CARES Act Distributions”.

Enactments to the pension plan due to the COVID-19 virus are as follows:

All vested account balances in all contribution sources were made available for CARES Act Distributions, except for sources that may contain assets transferred from money purchase pension plans or as otherwise directed.

Any restrictions based on the participant’s age or length of participation in the plan, or how long the contributions were in the plan will not apply to CARES Act Distributions. Plan sponsors are responsible for reviewing the source exclusions implemented by Mutual of America Life Insurance Company and Voya Financial. for accuracy.

These distributions are available as pre-approved transactions with participant self-certification of eligibility for the CARES Act Distribution (unless spousal consent is required for certain plans, in which case paperwork is required). The maximum dollar amount that can be requested per participant is \$100,000. The custodians will track the overall limit of \$100,000 within and across plans of the same controlled group, as established on Mutual of America Life Insurance Company and Voya Financial Participant Recordkeeping System.

Plan amendments for CARES Act Distributions are required and must be executed by December 31, 2025, per IRS Notice 2022-33 and Notice 2022-45.
