Part I Asset and Liability Statement

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

To the Participants and The Trustees of
Laparkan Trading, Limited 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Laparkan Trading, Limited 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year end December 31, 2022, and the related notes to the financial statements ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the 2022 Financial Statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the accompanying 2022 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LAPARKAN TRADING, LIMITED 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A--DESCRIPTION OF PLAN

The following description of the Laparkan Trading, Limited 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan sponsored by the employer, Laparkan Trading Limited (the "Company") for the benefit of its full-time employees who have six months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Plan Amendments: Effective January 1, 2022, the Plan Document was restated to bring the Plan into compliance with legislative and regulatory changes. The Plan is subject to the provisions of ERISA.

Elective Deferrals and Contributions: Each year, participants may elect to have the Company contribute a portion of their total eligible annual compensation to the Plan ("elective deferrals"). For any calendar year, a participant's elective deferrals may not exceed a specific dollar amount [$20,500 and if over 50 years of age, the participant may contribute an additional $6,500 in 2022 as determined by the Internal Revenue Service ("IRS")]. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may stop or change their contribution elections at any time.

As defined by the Plan agreement, the Company may make discretionary matching contributions based on a percentage of a participant's elective deferral contributions. For the year ended December 31, 2022, the Company elected to match 100% of each participant's deferrals up to 4% of their eligible compensation on a per pay period basis. The Company may also make discretionary profit-sharing contributions. During the year ended December 31, 2022, the Company did not make any profit-sharing contributions.

Participant Accounts: Each participant's account is credited and/or reduced with the participant's elective deferral contributions and distributions, the Company's contribution, and an allocation of the Plan's investment earnings/losses, investment fees and any administrative expenses paid out of the Plan. Allocations are based on either participant's compensation or account balance as defined in the Plan agreement.

Allocations are based on participant account balances in one or more investment options selected by the participant. Matching and discretionary allocations are based on participant contributions and participant salaries, respectively. All participants with elective deferrals in the Plan year are entitled to allocations of Company discretionary matching contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account balance.

NOTE A--DESCRIPTION OF PLAN--Continued

Vesting: Participants are fully vested in their elective contributions, as well as any rollover contributions, plus or minus any earnings or losses thereon. Vesting in the Company's discretionary contributions and the earnings or losses thereon is based upon years of continuous service, as defined in the Plan document, as follows:

Years of Service	Vested Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Investment Options: Upon enrollment in the Plan, a participant may direct elective deferrals and employer matching contributions in any of the investment options offered by the Plan. Participants may change their investment options at their discretion. The Plan currently offers investments in pooled separate accounts and a guaranteed interest account.

Notes Receivable from Participants: Participants may borrow from their Plan accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The interest rate shall be a reasonable fixed rate and the term of the loan shall be a maximum of 5 years. The loans are collateralized by a security interest in the participant's vested account balance and are repaid through payroll deductions. The interest rates on participant loans outstanding at December 31, 2022 range from 4.25% to 8.0%.

Payment of Benefits: On termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or installment payments over a specified period of time, not to exceed the participant's life expectancy or the joint life expectancy of the participant and the participant's beneficiary. The normal retirement age is 65 years. A participant may also receive distributions of his or her vested interest in rollover contributions, or upon attaining age 59 ½, or if they experience undue financial hardship as further defined in the Plan agreement and in accordance with the Internal Revenue Code ("IRC").

Forfeited Accounts: Forfeitures occur when a participant terminates employment and has not vested in a portion of the Company contribution amounts. Forfeitures of non-vested discretionary employer contributions are used by the Company to offset future contributions to the Plan or Plan administrative expenses. There were no forfeitures at December 31, 2022 and 2021.

NOTE A--DESCRIPTION OF PLAN--Continued

Hardship Distributions: Hardship distributions are permitted if the distribution is due to expenses incurred or necessary for medical care described in IRC Section 213(d), purchase of a principal residence, payment of tuition, to prevent eviction from or foreclosure of the principal residence, or any other condition which the Commissioner of the IRS deems an immediate and financial need of the participant. There were no hardship distributions during the year ended December 31, 2022.

Administration of Plan Assets: The Plan's Board of Trustees (the "Board") has overall responsibility of the operation and administration of the Plan. The Board determines the appropriateness of the Plan's investment offerings and monitors investment performance. Administrative Plan related expenses, such as professional fees amounting to approximately $19,000, were paid by the Company in 2022 on behalf of the Plan.

The Plan's assets are maintained and administered by John Hancock Life Insurance Company (U.S.A.) (the "John Hancock", "Custodian" or "Trustee"). The Plan's third-party administrator provides certain recordkeeping services and maintenance of participant account records are managed by E.J. Reynolds (the "TPA").

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment earnings and interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's net gains and losses on investments bought and sold as well as held during the year.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest and related fees. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Company as disclosed in Note A and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions to participants are charged directly to participant's accounts and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Risks and Uncertainties: The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events: The Plan administrator has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 11, 2023, the date the financial statements were available to be issued.

NOTE C-- INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments and interest for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Plan's Custodian.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodology used at December 31, 2022 and 2021.

Pooled Separate Accounts: These investments are public investment vehicles valued using the net asset value (“NAV”) provided by the administrator of the fund. NAV is used as a practical expedient to estimate fair value and is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Transactions (purchases and sales) may occur daily. These investments measured using NAV practical expedient are exempt from classification under the fair value hierarchy.

Guaranteed Interest Account: These investments are made by the Plan in an unallocated group fixed annuity contract which is invested in the general assets of the Custodian who guaranteed a fixed interest rate. NAV for the investment contract is $1. See Note E for valuation methodology used to determine NAV. The investment contracts are classified within Level 2 of the valuation hierarchy.

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

	Assets at Fair Value as of December 31, 2022			
	Quoted Prices In Active Markets (Level 1)	**Significant Other Observable Inputs (Level 2)**	**Significant Other Unobservable Inputs (Level 3)**	**Total**
Guaranteed interest account	$ -	$ 4,103	$ -	$ 4,103
Pooled separate accounts, measured at NAV (a)				2,706,037
Total assets at fair value				$ 2,710,140

	Assets at Fair Value as of December 31, 2021			
	Quoted Prices In Active Markets (Level 1)	**Significant Other Observable Inputs (Level 2)**	**Significant Other Unobservable Inputs (Level 3)**	**Total**
Guaranteed interest account	$ -	$ 8,203	$ -	$ 8,203
Pooled separate accounts, measured at NAV (a)				3,055,345
Total assets at fair value				$ 3,063,548

(a) In accordance with ASC Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE E--GUARANTEED INTEREST ACCOUNT

The Plan offers a non-benefit responsive guaranteed interest account with a three and five-year term, which are similar in concept to bank certificates of deposit, with a guaranteed interest rate which is credited to contributions for the term of the certificates, provided that contributions are held until the certificate maturity date. A minimum guaranteed interest rate is set by the Custodian for each guaranteed interest account, with the yearly minimum guaranteed interest rate never to be less than 0%. The Custodian maintains the contributions in a general account. Principal contributions made are guaranteed and not subject to invasion for any charges or fees under the contract. The account is credited with interest on the underlying investments on a daily basis and charged for participant withdrawals and administrative expenses. The funds are included in the financial statements at fair value. The average yields based on actual earnings for the contract for the years ended December 31, 2022 and 2021, were .50% in each year.

NOTE F--PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts, and a guaranteed interest account managed by John Hancock. John Hancock is the custodian of the Plan; therefore, transactions with the custodian qualify as party-in-interest transactions. E.J. Reynolds provides certain recordkeeping services and third-party administration as defined by the Plan; therefore, transactions with E.J. Reynolds qualify as party-in-interest transactions. Goldman Sachs provides investment advisory services to the Plan; therefore, transactions with Goldman Sachs qualify as party-in-interest transactions. As described in Note B, certain recordkeeping fees, investment advisory fees, and third-party administrator fees paid by the Plan are included in administrative expenses on the accompanying statement of changes in net assets available for benefits.

NOTE G--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100% vested in their accounts.

NOTE H--TAX STATUS

The Plan obtained its latest determination letter dated June 30, 2020 from the IRS informing the Company that the Plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and tax-exempt.

NOTE H--TAX STATUS--Continued

GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the Plan's financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examination for years prior to 2019.

NOTE I--CONCENTRATIONS

As of December 31, 2022 and 2021, two of the Plan's investment options held approximately 32% and 29%, of the Plan's total investments, respectively.

INDEPENDENT AUDITOR'S REPORT

To the Participants and The Trustees of
Laparkan Trading, Limited 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Laparkan Trading, Limited 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year end December 31, 2022, and the related notes to the financial statements ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the 2022 Financial Statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the accompanying 2022 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

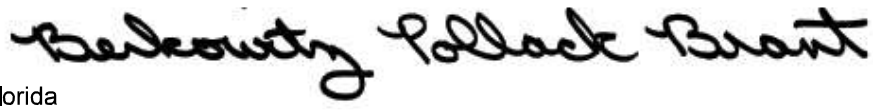

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of Laparkan Trading, Limited 401(k) Profit Sharing Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 11, 2022, indicated that (a) the amounts and disclosures in the 2021 Financial Statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

LAPARKAN TRADING, LIMITED 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A--DESCRIPTION OF PLAN

The following description of the Laparkan Trading, Limited 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan sponsored by the employer, Laparkan Trading Limited (the "Company") for the benefit of its full-time employees who have six months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Plan Amendments: Effective January 1, 2022, the Plan Document was restated to bring the Plan into compliance with legislative and regulatory changes. The Plan is subject to the provisions of ERISA.

Elective Deferrals and Contributions: Each year, participants may elect to have the Company contribute a portion of their total eligible annual compensation to the Plan ("elective deferrals"). For any calendar year, a participant's elective deferrals may not exceed a specific dollar amount [$20,500 and if over 50 years of age, the participant may contribute an additional $6,500 in 2022 as determined by the Internal Revenue Service ("IRS")]. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may stop or change their contribution elections at any time.

As defined by the Plan agreement, the Company may make discretionary matching contributions based on a percentage of a participant's elective deferral contributions. For the year ended December 31, 2022, the Company elected to match 100% of each participant's deferrals up to 4% of their eligible compensation on a per pay period basis. The Company may also make discretionary profit-sharing contributions. During the year ended December 31, 2022, the Company did not make any profit-sharing contributions.

Participant Accounts: Each participant's account is credited and/or reduced with the participant's elective deferral contributions and distributions, the Company's contribution, and an allocation of the Plan's investment earnings/losses, investment fees and any administrative expenses paid out of the Plan. Allocations are based on either participant's compensation or account balance as defined in the Plan agreement.

Allocations are based on participant account balances in one or more investment options selected by the participant. Matching and discretionary allocations are based on participant contributions and participant salaries, respectively. All participants with elective deferrals in the Plan year are entitled to allocations of Company discretionary matching contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account balance.

NOTE A--DESCRIPTION OF PLAN--Continued

Vesting: Participants are fully vested in their elective contributions, as well as any rollover contributions, plus or minus any earnings or losses thereon. Vesting in the Company's discretionary contributions and the earnings or losses thereon is based upon years of continuous service, as defined in the Plan document, as follows:

Years of Service	Vested Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Investment Options: Upon enrollment in the Plan, a participant may direct elective deferrals and employer matching contributions in any of the investment options offered by the Plan. Participants may change their investment options at their discretion. The Plan currently offers investments in pooled separate accounts and a guaranteed interest account.

Notes Receivable from Participants: Participants may borrow from their Plan accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The interest rate shall be a reasonable fixed rate and the term of the loan shall be a maximum of 5 years. The loans are collateralized by a security interest in the participant's vested account balance and are repaid through payroll deductions. The interest rates on participant loans outstanding at December 31, 2022 range from 4.25% to 8.0%.

Payment of Benefits: On termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or installment payments over a specified period of time, not to exceed the participant's life expectancy or the joint life expectancy of the participant and the participant's beneficiary. The normal retirement age is 65 years. A participant may also receive distributions of his or her vested interest in rollover contributions, or upon attaining age 59 ½, or if they experience undue financial hardship as further defined in the Plan agreement and in accordance with the Internal Revenue Code ("IRC").

Forfeited Accounts: Forfeitures occur when a participant terminates employment and has not vested in a portion of the Company contribution amounts. Forfeitures of non-vested discretionary employer contributions are used by the Company to offset future contributions to the Plan or Plan administrative expenses. There were no forfeitures at December 31, 2022 and 2021.

NOTE A--DESCRIPTION OF PLAN--Continued

Hardship Distributions: Hardship distributions are permitted if the distribution is due to expenses incurred or necessary for medical care described in IRC Section 213(d), purchase of a principal residence, payment of tuition, to prevent eviction from or foreclosure of the principal residence, or any other condition which the Commissioner of the IRS deems an immediate and financial need of the participant. There were no hardship distributions during the year ended December 31, 2022.

Administration of Plan Assets: The Plan's Board of Trustees (the "Board") has overall responsibility of the operation and administration of the Plan. The Board determines the appropriateness of the Plan's investment offerings and monitors investment performance. Administrative Plan related expenses, such as professional fees amounting to approximately $19,000, were paid by the Company in 2022 on behalf of the Plan.

The Plan's assets are maintained and administered by John Hancock Life Insurance Company (U.S.A.) (the "John Hancock", "Custodian" or "Trustee"). The Plan's third-party administrator provides certain recordkeeping services and maintenance of participant account records are managed by E.J. Reynolds (the "TPA").

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment earnings and interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's net gains and losses on investments bought and sold as well as held during the year.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Notes Receivable from Participants: Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest and related fees. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Company as disclosed in Note A and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions to participants are charged directly to participant's accounts and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

Risks and Uncertainties: The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events: The Plan administrator has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 11, 2023, the date the financial statements were available to be issued.

NOTE C-- INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments and interest for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Plan's Custodian.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodology used at December 31, 2022 and 2021.

Pooled Separate Accounts: These investments are public investment vehicles valued using the net asset value (“NAV”) provided by the administrator of the fund. NAV is used as a practical expedient to estimate fair value and is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Transactions (purchases and sales) may occur daily. These investments measured using NAV practical expedient are exempt from classification under the fair value hierarchy.

Guaranteed Interest Account: These investments are made by the Plan in an unallocated group fixed annuity contract which is invested in the general assets of the Custodian who guaranteed a fixed interest rate. NAV for the investment contract is $1. See Note E for valuation methodology used to determine NAV. The investment contracts are classified within Level 2 of the valuation hierarchy.

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

	Assets at Fair Value as of December 31, 2022			
	Quoted Prices In Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)	Total
Guaranteed interest account	$ -	$ 4,103	$ -	$ 4,103
Pooled separate accounts, measured at NAV (a)				2,706,037
Total assets at fair value				$ 2,710,140

	Assets at Fair Value as of December 31, 2021			
	Quoted Prices In Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Other Unobservable Inputs (Level 3)	Total
Guaranteed interest account	$ -	$ 8,203	$ -	$ 8,203
Pooled separate accounts, measured at NAV (a)				3,055,345
Total assets at fair value				$ 3,063,548

(a) In accordance with ASC Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE E--GUARANTEED INTEREST ACCOUNT

The Plan offers a non-benefit responsive guaranteed interest account with a three and five-year term, which are similar in concept to bank certificates of deposit, with a guaranteed interest rate which is credited to contributions for the term of the certificates, provided that contributions are held until the certificate maturity date. A minimum guaranteed interest rate is set by the Custodian for each guaranteed interest account, with the yearly minimum guaranteed interest rate never to be less than 0%. The Custodian maintains the contributions in a general account. Principal contributions made are guaranteed and not subject to invasion for any charges or fees under the contract. The account is credited with interest on the underlying investments on a daily basis and charged for participant withdrawals and administrative expenses. The funds are included in the financial statements at fair value. The average yields based on actual earnings for the contract for the years ended December 31, 2022 and 2021, were .50% in each year.

NOTE F--PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts, and a guaranteed interest account managed by John Hancock. John Hancock is the custodian of the Plan; therefore, transactions with the custodian qualify as party-in-interest transactions. E.J. Reynolds provides certain recordkeeping services and third-party administration as defined by the Plan; therefore, transactions with E.J. Reynolds qualify as party-in-interest transactions. Goldman Sachs provides investment advisory services to the Plan; therefore, transactions with Goldman Sachs qualify as party-in-interest transactions. As described in Note B, certain recordkeeping fees, investment advisory fees, and third-party administrator fees paid by the Plan are included in administrative expenses on the accompanying statement of changes in net assets available for benefits.

NOTE G--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100% vested in their accounts.

NOTE H--TAX STATUS

The Plan obtained its latest determination letter dated June 30, 2020 from the IRS informing the Company that the Plan is designed in accordance with applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and tax-exempt.

NOTE H--TAX STATUS--Continued

GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the Plan's financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examination for years prior to 2019.

NOTE I--CONCENTRATIONS

As of December 31, 2022 and 2021, two of the Plan's investment options held approximately 32% and 29%, of the Plan's total investments, respectively.
