Plan Administrator

403(b) Thrift Plan for Employees of New Mexico Legal Aid, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of 403(b) Thrift Plan for Employees of New Mexico Legal Aid, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

December 31, 2021 Statement of Net Assets Available for Benefits

The accompanying statement of net assets available for benefits of the Plan as of December 31, 2021 was not audited, reviewed, or compiled by us and accordingly, we do not express an opinion or any other form of assurance on it.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the 403(b) Thrift Plan for Employees of New Mexico Legal Aid, Inc. (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan under Section 403(b) of the Internal Revenue Code (IRC). The Plan's purpose is to enable the employees of New Mexico Legal Aid, Inc. (the Employer or Plan Sponsor) to accumulate long-term savings for retirement while benefiting from favorable tax treatment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was established and became effective on November 1, 2008.

Eligibility

Employees are eligible to participate in salary reductions as of the first day of employment. Ineligible employees are: (1) nonresident aliens who received no earned income from sources within the United States; and (2) part-time or temporary employees who are classified as independent contractors. There is no minimum age and service requirement to participate.

Employees who are eligible to make salary reduction contributions to another plan of the Employer described in Sections 401(k) or 403(b) of the IRC or a government eligible deferred compensation plan described in Section 457(b) of the IRC are not eligible to participate and receive employer matching contributions under this Plan.

Each eligible employee shall become a participant in the Plan as of the earliest of (a) effective date of the eligible employee's salary reduction agreement, and (b) the date on which the eligible employee submits the administrative forms necessary to make a rollover contribution.

Contributions

Eligible participants may elect to make pre-tax or Roth contributions. They may contribute to the Plan each payroll period up to the maximum amount allowable under the IRC. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

All eligible employees are eligible to receive employer matching contributions.

Additionally, participants may also rollover amounts representing distributions from other qualified retirement or profit-sharing plans.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, actual earnings thereon and allocations of the employer's contributions (if any) and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on each participant's compensation, account balances or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may invest their entire account on specific assets, specific funds or other investments permitted under the Plan. All participant-directed investments shall be charged or credited with net earnings, gains, losses, and expenses as well as any appreciation or depreciation in the fair value of investments. The participants may change their investment options daily.

Vesting

Participants are immediately vested for their entire contributions plus actual earnings thereon. Employer base and employer matching, plus earnings thereon, is vested based on years of service. A participant vests 100% upon the completion of six years of service.

<u>Years of Service</u>	<u>Percentage of Vesting</u>
One	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

Participants are automatically 100% vested upon reaching the age of 65 while employed, death, total and permanent disability (as defined in the Plan), or termination of the Plan.

Forfeitures

Forfeitures are non-vested amounts in the accounts of participants who terminate employment. Each year, if there are any forfeitures, they are used first to pay certain Plan expenses. Any amount of forfeitures remaining will be used to reduce future employer contributions to the Plan. The changes in the Plan's forfeiture account balance for the year ended December 31, 2022 are as follows:

Balance, January 1	\$ -
Forfeitures during the year	27,360
Forfeitures used during the year to reduce employer contributions	(27,360)
Balance, December 31	\$ -

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The length of time during which a participant is required to repay a loan depends on the purpose of the loan. Loans made to help purchase a principal residence of the participant must be repaid within 10 years. Loans for all other purposes must be repaid over a period of five years or less. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. A participant may only have one outstanding loan at any time.

Payment of Benefits

The value of a participant's account can be distributed upon the participant's 65th birthday unless specifically requested at an earlier or later date. If the participant elects to postpone receiving benefits, the Plan provides for distributions to be made after the participant attains the age of 65. Upon death, the beneficiary will be entitled to receive 100% of the participant's account.

While actively employed by the Employer, a participant may be eligible to withdraw contributions from his or her account to meet a financial hardship or upon reaching the age of 59 ½, make a lump-sum withdrawal of all or part of their account.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Sponsor to make certain estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value as reported by the Plan's custodian, Mutual of America Life Insurance Company (Mutual of America). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Investments in annuity contract, which is considered a fully benefit-responsive contract, is valued at contract value.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Net Appreciation (Depreciation) in Fair Value of Investments

Realized and unrealized appreciation (depreciation) in the fair value of investments is calculated based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Realized and unrealized appreciation (depreciation) is reported in the accompanying Statement of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan agreement. No allowance for credit losses has been recorded as of December 31, 2022.

Benefits Paid to Participants

Benefit payments to participants are recorded when paid.

Administrative Expenses

The Plan's expenses are paid by either the Plan or the Employer, as provided by the Plan document. Expenses that are paid directly by the Employer are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net asset available for benefits. In addition, certain investment related expenses are included in net depreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

NOTE 3 FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

NOTE 3 FAIR VALUE MEASUREMENT (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

Pooled Separate Accounts - Investments in pooled separate accounts are valued using the net asset value (NAV) provided by the custodian of the funds. The NAV is based on the value of the underlying assets owned by the funds, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value. The pooled separate accounts are not classified within the fair value hierarchy; however, the amounts measured using NAV are disclosed to permit reconciliation of the fair value of investments in the Statements of Net Assets Available for Benefits. The Plan's investment in pooled separate accounts totaled \$4,377,083 at December 31, 2022.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 INVESTMENTS AT CONTRACT VALUE

The Plan has an annuity contract with Mutual of America, which is considered fully benefit-responsive contract. Amounts placed in the annuity contract are credited with interest at a rate determined by Mutual of America. Mutual of America reserved the right to change the interest rates applicable to the amounts held in the annuity contract at its discretion. The annuity contract is reported at contract value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contract, less any withdrawals.

The annuity contract is supported by Mutual of America's general account assets which are primarily invested in cash and investment grade fixed income securities.

The contract value of the Plan's annuity contract was \$638,391 as of December 31, 2022.

NOTE 5 FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan's asset information as of December 31, 2022, and for the year then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by Mutual of America, the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any audit procedures with respect to this information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments, as reflected in the Statement of Net Assets Available for Plan Benefits as of December 31, 2022.
- Notes receivable from participants, as reflected in the Statement of Net Assets Available for Benefits as of December 31, 2022;
- Investment activity, as reflected in the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2022.
- Investment information disclosed in Notes 3 and 4 of the Plan's financial statements; and,
- Investments, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022.

NOTE 6 INCOME TAX STATUS

The Plan has adopted a prototype non-standardized 403(b) plan sponsored by Mutual of America which is the subject of a favorable tax opinion letter from the Internal Revenue Service (IRS) dated March 31, 2017. The Plan Sponsor routinely self-reviews the administration of the Plan and self-corrects any compliance issues in accordance with the Employee Plans Compliance Resolution System. Accordingly, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. No provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of liability (or asset) or disclosure in these financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts and the net assets of the Plan will be allocated among the participants and their beneficiaries after payment of any expenses properly chargeable to the Plan, in accordance with the provisions of ERISA.

NOTE 8 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain investments of the Plan are managed by Mutual of America. Mutual of America is the custodian as defined in the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the custodian amounted to \$704 for the year ended December 31, 2022.

The following is a reconciliation of the changes in net assets available for benefits for the year ended December 31, 2022 as reported in the accompanying financial statements with that reported on Form 5500:

Net decrease in net assets available for benefits as reported on the financial statements	\$ (293,963)
Less: Participants contributions - current year	(14,498)
Less: Employer contributions - current year	(15,304)
Add: Participants contributions - prior year	14,131
Add: Employer contributions - prior year	<u>6,068</u>
Net decrease in net assets available for benefits as reported on Form 5500	<u>\$ (303,566)</u>

NOTE 10 RISK AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 11 NEW LAWS AND REGULATION

On December 29, 2022, the SECURE 2.0 Act of 2022 (SECURED 2.0) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURED 2.0 changed the retirement plan rules for long-term, part-time employees. The 401(k) plan requirement to allow employees to contribute elective deferral was expanded to 403(b) plans. For plan years beginning in 2024, if an employee has three consecutive 12-month periods with more than 500 hours of service in each, the employee must be eligible to enter the plan, and the period of service was reduced from three to two consecutive 12-month periods, for plan years beginning after December 31, 2024.

NOTE 12 SUBSEQUENT EVENTS

The Plan Administrator has evaluated events or transactions that occurred subsequent to December 31, 2022 through October 13, 2023, the date the accompanying financial statements were available to be issued, for potential recognition or disclosure in the financial statements and determined that no subsequent events occurred that required disclosure or adjustment to the accompanying financial statements.
