INDEPENDENT AUDITOR'S REPORT

The Plan Administrator
US Pharma Lab, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of US Pharma Lab, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of US Pharma Lab, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of US Pharma Lab, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about US Pharma Lab, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to

those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of US Pharma Lab, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about US Pharma Lab, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment

information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

US PHARMA LAB, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022, and 2021

NOTE A - DESCRIPTION OF THE PLAN

The following description of the US Pharma Lab, Inc. 401 (k) Plan (the "Plan") provides only general information. US Pharma Lab, Inc. (the "Company") is the plan sponsor. All employees of the Company including the employees of fully owned subsidiaries are also eligible to participate in the Plan. Participants should refer to the Plan agreement and Summary Plan Description for a more complete description of the Plan's provisions.

1. General

On January 1, 2013, the Company established the US Pharma Lab, Inc. 401(k) Plan (hereinafter referred to as "Plan") to provide eligible employees with a means of deferring current compensation from income tax. The US Pharma Lab, Inc. 401 (k) Savings Plan is a prototype non-standardized cash or deferred profit-sharing plans for all employees of the Company who are at least twenty-one years of age and have completed one-month service with entry on the first day of the month after satisfaction of the requirement of employment. The employees of the Company who are at least twenty-one years of age and have completed one year of service are eligible for employer match. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 01, 2021, the Plan is subject to discrimination testing and is no longer a Safe Harbor Plan.

The Plan was restated with effect from January 01, 2022, to bring the plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37.

2. Investments Held by Insurance Company

The Plan's investments were held in a trust with Equitable Life Insurance Company, (the "Custodian"). Among other duties, the Custodian is responsible for the custody, record keeping, investing of the Plan assets, and for the payment of benefits to eligible participants. All contributions are invested by the Custodian as designated by the Plan participants.

Under the Plan, participants may elect to direct the contributions for deposit in Equitable Life Insurance Company's Account. Contributions placed in the Account may be invested in various mutual funds, a Guaranteed Interest Option, or a money market account and accumulate units that are valued on a daily basis

at market value. The account is credited with earnings on the underlying investments and is charged for Plan withdrawals and administrative expenses.

3. *Contributions*

Within each calendar year, participants may voluntarily elect to contribute up to the annual dollar limit, as defined in the Plan ("Salary Deferral"). The Participant's Salary Deferral is subject to annual dollar limits published by the Internal Revenue Service of \$20,500 and \$19,500 for years ended 2022 and 2021, respectively. The catch-up contribution limit for participants aged 50 or older is \$6,500 and \$6,500 for years ended 2022 and 2021. The Company has elected to make discretionary matching contributions, which equal to that percentage of each Qualifying Contributing Participant's Elective Deferral which the Employer, in its sole discretion, determines from year to year. The amount, the allocation formula, and the percentage or dollar amount limit applicable to such a match, if any, is at the complete and sole discretion of the Employer and may vary from year to year. Any matching contribution is allocated in a non-discriminatory manner based upon each Contributing Participant's Elective Deferrals ("Employer Matching"). The Employer matching contributions during the year ended December 31, 2022 was \$389,537. Employer matching contributions are subject to a vesting schedule, as described below. The Company also is permitted to make annual discretionary profit-sharing contributions; however, no such profit-sharing contributions were made for the year ended 2022. The Company's discretionary profit-sharing contribution must be allocated in the same ratio as the individual participant's compensation to all participants' compensation. Participants are also permitted to make rollover contributions ("Rollover Account Balance") to the Plan of distributions from certain other tax-qualified retirement plans in which the Participant has participated.

4. *Participant Accounts*

Separate accounts are maintained for each participant's contributions and earnings thereon. The participant may direct that the account be invested in one or more funds, as permitted by the Plan. Allocations are based on individual participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022, and 2021

5. *Vesting*

Upon termination of employment, a participant is entitled to 100% of the value of his / her Salary Deferral account balance and Rollover Account balance and qualifying rollover distribution; plus 100% of the safe harbor matching contributions; plus, a specified percentage of his/her employer matching / discretionary profit sharing contributions on a pro-rata basis, based upon the vesting provisions of the Plan. Effective January 01, 2021, participants are vested in the employer contributions on a pro-rata basis over a five-year period as follow:

<u>Years of service</u>	<u>% Vested.</u>
1 year	0
2 years	25
3 years	50
4 years	75
5 years	100

6. *Forfeitures*

Forfeitures resulting from application of the vesting provisions, are maintained separately by the Plan. Forfeitures can be used to reduce employer-matching contributions or pay administrative expenses. In the event of the Plan termination, any unused forfeiture balances will be allocated to participant accounts. During 2022 and 2021, the forfeiture of non-vested accounts were \$7,578 and \$Nil respectively.

7. *Payment of Benefits*

Prior to the age of 59-1/2, distributions and withdrawal will be subject to 10% federal tax penalty, except where excluded pursuant to Internal Revenue Code. After attaining age 59-1/2, 100 percent of the participant's account may be withdrawn for any reason. Upon termination of employment for any reason, a participant's vested account balance will be distributed to the participant, or designated beneficiary, at his or her option or left in the plan.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022, and 2021

8. *Loans to Participants*

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, further reduced by any loan balance at any time during the prior twelve months. The loans bear interest at rates equal to the Prime rate on the date of the loan plus 2%. Loan terms range from one to five years and are secured by the balance in the participant's account. However, if the loan is used to purchase a principal residence, the loan can be repaid over a period of not more than 10 years.

9. *Concentration of Credit Risk*

Financial instruments that potentially subject the plan to concentrations of credit risk are part of the holdings in Plan's investments. Management believes that the Custodian maintains the Plan's investment with high credit quality institutions and attempts to limit the credit exposure of investments.

10. *Current Legislation*

The CARES Act provides for expanded distribution options, loans and loan relief to qualified individuals. It is optional for employers to adopt the distribution and loan rules of section 2202 of the CARES Act. An employer is permitted to choose whether, and to what extent, to amend its plan to provide for coronavirus-related distributions and/or loans that satisfy the provisions of section 2202 of the CARES Act.

In December 2020, Congress passed the Consolidated Appropriations Act, 2021 (the "CA Act"). The CA Act provided relief for participants affected by disasters other than the COVID-19 pandemic that occurred between December 28, 2019, and December 27, 2020, as declared by the President of the United States between January 1, 2020, and February 25, 2021. The CA Act provided non-COVID-19 disaster relief options similar to the CARES Act and most of its provisions expired on June 25, 2021.

Effective January 1, 2020, pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act"), participants who reach age 70.5 during 2020 or later are required to start taking required minimum distributions from April 1, following the calendar year in which the participant reach 72 years of age.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022, and 2021

NOTE B - SUMMARY OF ACCOUNTING POLICIES

1. *Basis of Accounting*

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America as applied to profit sharing plans and in accordance with the terms of the trust agreement. Certain prior year amounts have been reclassified for consistency with current year presentation.

2. *Use of Estimates in Financial Statements*

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions in determining the reported amounts of net assets and disclosure of contingent assets and liabilities, as of the date of the financial statements, and reported amounts of additions to the net assets and deductions from the net assets during the reporting period. Actual results may differ significantly from those estimates.

3. *Investment Valuation and Income Recognition*

The Plan adopted Financial Accounting Standards Board ASC 820, Fair Value Measurement ("FASB ASC 820"). FASB ASC 820 defines fair value. The standard establishes a framework for measuring fair value in accordance with generally accepted accounting principles and expands disclosure about fair value measurement. Refer to Note C- Fair Value Measurement for related disclosure.

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Participant loans are valued at their outstanding balances, which approximate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date and interest income is accrued as earned.

4. *Payment of Benefits*

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022, and 2021

5. *Administrative Expenses*

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Investment management and recordkeeping service fees are borne by the Plan. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related fees are included in the net appreciation or depreciation of the fair market value of the investments.

6. *Notes Receivable from Participants*

Loans from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022.

NOTE C- FAIR VALUE MEASUREMENT

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. A fair value measurement reflects all of the assumptions that market participants would use in pricing the asset or liability, including assumptions about the risk inherent in a particular valuation technique, the effect of a restriction on the sale or use of an asset and the risk of nonperformance. The Plan groups its assets measured at fair value into a three-level hierarchy for valuation techniques used to measure financial assets at fair value. This hierarchy is based on whether the valuation inputs are observable or unobservable. These levels are:

- Level 1 – Quoted prices in active markets for identical assets. Level 1 includes mutual funds and corporate stocks, which have amounts invested in mutual funds that are Level 1.
- Level 2 – Observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets. The Plan had no Level 2 investments during 2022 or 2021.
- Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets. If the Plan were to change its

US PHARMA LAB, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022, and 2021

valuation inputs for measuring financial assets at fair value, either due to changes in current market conditions or other factors, it may need to transfer those assets into or out of Level 3 of the hierarchy based on the new inputs used. During the years ended December 31, 2022, and 2021, there were no transfers of financial assets into or out of Level 3 of the hierarchy. The following section is a description of the valuation techniques and inputs used by the Plan to measure each major class of assets at fair value. During 2022 and 2021, there were no changes to the valuation techniques used by the Plan to measure fair value. There were no unfunded commitments related to these investments for the years ended December 31, 2022, and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. (Level 1 input).

Common/Collective Trusts: Valued using the Net Asset Value ("NAV") as a practical expedient and are not categorized in the fair value hierarchy. NAV is provided by the trustee and is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Where they Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. (Other input)

Investments in Insurance Company General Account are valued at contract book value balance.

Participant loans are valued at the outstanding loan balance.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022, and 2021.

(a)-Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For the year ended December 31, 2022, the net depreciation in fair value of investments was \$ 897,280.

NOTE D – ROLLOVER CONTRIBUTIONS

There were rollover contributions of \$160,329 and \$118,394 during the years ended December 31, 2022, and 2021 respectively.

NOTE E - RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Plan investments include an insurance contract, a money market account and several mutual funds managed by Equitable Life Insurance Company. Equitable Life Insurance Company is the custodian of the Plan assets and therefore these transactions qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022, and 2021

The Plan issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

Fees paid by the Plan for the investment management services amounted to \$37,269 and \$12,139 for the years ended December 31, 2022, and 2021, respectively.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would be 100 percent vested in their employer contributions.

NOTE G: TAX STATUS

The Plan has received a favorable tax opinion letter dated June 30, 2020, in which the Internal Revenue Service ("IRS") states that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Company and the Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the Code and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America ("GAAP") require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE H - INFORMATION CERTIFIED BY EQUITABLE LIFE INSURANCE COMPANY.

The Plan's asset information as of December 31, 2022, and 2021, and for the years ended December 31, 2022 and 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by Equitable Life Insurance Company, the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly,

US PHARMA LAB, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022, and 2021

as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Market value and number of shares of investments on December 31, 2022 and 2021.
- Interest and dividend income for the year ended December 31, 2022.
- Net depreciation in fair value of investments for the year ended December 31, 2022.
- All information regarding assets held by the Plan at December 31, 2022 included in the schedule of Assets (Held at End of year).
-

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE J - FIDELITY BOND

The Plan is adequately covered by a fidelity bond as required by ERISA.

NOTE K - SUBSEQUENT EVENTS

For the Plan year 2023, the Company has adopted Equitable Financial Life Insurance Company Non-Standardized PS and 401(k) Plan.

The Plan has evaluated subsequent events through October 13, 2023, the date which the financial statements were available to be issued. No reportable subsequent events have occurred through October 13, 2023, which would have a significant effect on the financial statements as of December 31, 2022 except as otherwise disclosed.
