## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of  
The TJRHCC 401(k) Retirement Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of the TJRHCC 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of TJRHCC 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TJRHCC 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TJRHCC 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TJRHCC 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TJRHCC 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment

information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **TJRHCC 401(k) RETIREMENT PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2022 and 2021

#### **Note A – Description of the Plan**

The following description of the TJRHCC 401(k) Retirement Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. *General.* TJRHCC 401(k) Retirement Plan (the Plan) is a salary reduction plan covering all employees of Tulsa Jewish Retirement and Health Care Center (the Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's effective date is October 1, 2008.

During the year, the Plan terminated its group annuity contract with John Hancock and adopted a prototype plan from Vanguard Retirement Plan Access (Vanguard). Ascensus Trust Company (Ascensus) became the Plan's trustee and recordkeeper. The Plan's assets are invested in Vanguard funds.

2. *Eligibility.* All employees of Tulsa Jewish Retirement and Health Care Center are eligible for participation in the Plan once they reach 21 years of age. An employee becomes eligible to participate after six months of employment.
3. *Contributions.* Each year, participants may contribute up to the maximum amount allowed by law of pretax or Roth annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various mutual funds held in a group annuity contract as investment options. The Employer makes a safe harbor matching contribution equal to 100% on the first 4.5% of compensation deferred. Effective October 15, 2022 the Plan was amended to increase the Employer safe harbor matching contribution equal to 100% on the first 5% of compensation deferred. Participants are 100% vested in this contribution. The Plan also allows the Employer to make discretionary matching contributions and/or a nonelective contribution equal to a percentage of the participant's compensation, though this contribution is not required. If such a contribution is made, the percentage contributed will be determined each year by the Employer and will be subject to the vesting schedule below. During 2022 and 2021, the Employer did not make any discretionary or nonelective contributions to the Plan.

4. *Participant Accounts.* Beasley & Company is a third-party consultant of the Plan. They provide the plan administrator with education of requirements and risk mitigation, provide employee education, analyze costs and plan operations, document fiduciary actions, and prepare various reports. They do not handle any Plan assets. Ascensus holds Plan assets and maintains all participant account information (e.g. allocation of all contributions, investment earnings, and Plan distributions). A proportionate share of investment earnings or losses is credited annually to each participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
5. *Vesting.* All employee contributions and employer safe harbor matching contributions, as well as earnings thereon, are 100% vested to the participants at all times. Participants vest 25% annually in any additional discretionary matching contributions and/or nonelective contributions after the first year of service. Participants become 100% vested in such contributions after completing four years of service.
6. *Forfeitures.* Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures will be used to reduce employer matching contributions in the same plan year in which the forfeiture occurs. For the 2022 plan year, no forfeitures were used.
7. *Distributions.* Amounts contributed through salary or wage reductions may be withdrawn by, or distributed to, a participant upon (1) termination of employment or (2) attaining the age of 59½. Withdrawals prior to attaining age 59½ are not permitted, except in the event of retirement, disability, or as a hardship distribution. Upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to age 59½. On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a single lump-sum payment in cash, or, if greater than \$5,000, can maintain the amounts in the plan.
8. *Operating Expenses.* Certain expenses of maintaining the Plan are paid by the Company and certain expenses are paid by the Plan.
9. *Loans to Participants.* The Plan permits participants to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Only one outstanding loan is permitted at any time. The loans are secured by the balance in the participant's account and bear interest at commercially reasonable rates established by the Plan administrator. Principal and interest are paid ratably through regular payroll deductions.

## **Note B – Significant Accounting Policies**

### *Basis of Accounting*

The Plan's financial statements are prepared on the accrual basis of accounting.

### *Date of Management's Review*

Subsequent events were evaluated through October 13, 2023, which is the date the financial statements were available to be issued.

### *Estimates*

The preparation of financial statements in conformity with generally accepted accounting principles requires the administrator and management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note G for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022, and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

### *Payments of Benefits*

Benefits are recorded when paid.

### **Note C – Amendment or Termination of the Plan**

The Employer may amend or terminate the Plan at any time. Any such termination or amendment shall be effective at such dates, as the Employer shall determine. In the event of termination of the Plan, the value of the participants' accounts attributable to the Employer's contributions become fully vested to the participants.

An amendment may affect participants' interests in the Plan at the time thereof as well as future participants' interests, but may not diminish the interests of participants' accrued benefits as of the effective date of such an amendment.

### **Note D – Tax Status**

The Internal Revenue Service has determined and informed the Employer by a letter dated November 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income examination for years prior to 2019.

### **Note E – Related Party Transactions**

Certain Plan investments are shares of mutual funds managed by Vanguard, the Plan custodian. These transactions qualify as exempt party-in-interest transactions.

### **Note F – Information Certified by the Plan's Trustee**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

#### **Note G – Fair Value Measurements**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value.

That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds:* Valued at the net asset value ("NAV") of shares held by the Plan at year end as quoted in active markets.

*Collective Investment Trust:* Valued at the net asset value ("NAV") of shares held by the Plan at year end as determined by the underlying value of its investment.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022

**Note H – Risk and Uncertainties**

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
