Report of Independent Auditors

The Audit Committee of Aware Integrated, Inc.

Blue Cross and Blue Shield of Minnesota Employee Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Blue Cross and Blue Shield of Minnesota Employee Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material

if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, (referred to as the "supplemental schedule"), is presented for purposes of additional analysis and is

not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Blue Cross and Blue Shield of Minnesota Employee Savings Plan

Notes to Financial Statements

December 31, 2022

1. Description of the Plan

The Blue Cross and Blue Shield of Minnesota Employee Savings Plan (the Plan) is a contributory plan available to substantially all employees. Eligibility requires attainment of age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Contribution rates are determined by the Board of Directors. Contributions ranged from 1% to 35% of an employee's salary as a voluntary reduction of current compensation for 2022 and 2021. The Plan adopted a "Safe Harbor" matching contribution formula, as defined by the Internal Revenue Service (IRS). Under this plan, Blue Cross and Blue Shield of Minnesota (BCBSM or the Company) matches 401(k) contributions dollar-for-dollar up to the first 3% of 401(k) eligible earnings contributed and 50 cents on the dollar for the next 2% of 401(k) eligible earnings contributed. Eligible employees are automatically enrolled after 60 days at a deferral rate of 5% of eligible compensation unless they "opt out" or elect to enroll in a percentage other than the default investment percentage. The deferral percentage increases each year by 1% until the participant reaches 10%. Funds for automatically enrolled employees are invested in the JPMorgan Smart Retirement Fund closest to their 65th birthday unless the employee updates their investment elections.

Employee and all employer matching contributions are fully vested at the time of contribution. The 2% annual retirement contribution, which was discontinued in 2015, was fully vested after three years of employment. The majority of the forfeiture account balance is a result of employees leaving prior to the annual retirement contribution vesting. Forfeited balances of terminated participants' non-vested balances were used to pay plan administrative expenses totaling \$0 in 2022. All other administrative expenses are covered by BCBSM. At December 31, 2022 and 2021, \$9,158 and \$225, respectively, in unallocated forfeitures were available for future use. Early distributions may be received upon termination of employment, disability, proof of hardship, or death. Although it has not expressed any intent to do so, BCBSM has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. If the Plan were to terminate, the participants would become 100% vested in all employer contributions.

Eligible participants are allowed to receive loans from their accounts, subject to certain limitations. The maximum loan amount outstanding is limited to \$50,000 or 50% of the account value, whichever is less. The loan period may not exceed five years, but may be extended for a reasonable period beyond five years if the loan qualifies as a home loan. The amount of the loan is transferred out of the borrower's investment account and into the loan fund, where distribution of the loan proceeds is made. The loan is paid back with interest through payroll deductions. The interest rate charged is the prime rate in effect as of the commencement date of the loan plus 1%.

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Each participant's account is credited with the participant's contributions and the Company's matching contributions and allocations of plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of his/her respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Upon separation from service with BCBSM due to death, disability, retirement or termination, a participant whose vested account balance exceeds \$1,000 may elect to receive either a lump-sum distribution or periodic installment payments, or a direct rollover to an eligible retirement plan. A participant whose vested account balance is \$1,000 or less and has not commenced receiving installment payments will automatically receive an immediate lump-sum distribution equal to his/her vested account balance.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the IRS and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

Administrative Expenses

The Plan incurs administrative expenses directly related to the Plan, which consist primarily of trustee fees for investment fees and legal fees. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses are paid by the Company on behalf of the Plan. Incentives received from certain investments are offset against administrative expenses.

Additional information regarding the Plan is contained in the plan agreement and may be obtained upon request from BCBSM.

2. Significant Accounting Policies

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4, for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as earned. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States (U.S. GAAP) requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable From Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance, plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

3. Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

Blue Cross and Blue Shield of Minnesota
Employee Savings Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements

In accordance with Accounting Standards Codification (ASC) 820, assets and liabilities measured at fair value are categorized into the following fair value hierarchy:

- Level 1 – Inputs are quoted prices in active markets for identical assets.
- Level 2 – Other observable inputs, including quoted prices for similar assets in active markets, quoted prices for identical or similar assets in non-active markets and inputs (other than quoted prices) that are observable for the asset either directly or indirectly.
- Level 3 – Unobservable inputs that cannot be corroborated by observable market data.

Fair values of assets are based on quoted market prices, where available. In instances in which the inputs used to measure fair value fall into different levels of the fair value hierarchy, the fair value measurement has been determined based on the lowest level input that is significant to the fair value measurement in its entirety. The Plan's assessment of the significance of a particular item to the fair value measurement in its entirety requires judgment, including the consideration of inputs specific to the asset.

The following tables present fair value measurements by level at December 31, 2022 and 2021, for assets measured at fair value on a recurring basis:

	Quoted Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Total
December 31, 2022				
Self directed brokerage accounts	\$ 9,447,658	\$ –	\$ –	\$ 9,447,658
Common/collective trust funds	538,782,674	–	–	538,782,674
Mutual funds	130,724,644	–	–	130,724,644
Total investments	<u>\$ 678,954,976</u>	<u>\$ –</u>	<u>\$ –</u>	<u>\$ 678,954,976</u>

Blue Cross and Blue Shield of Minnesota
Employee Savings Plan

Notes to Financial Statements (continued)

	Quoted Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Total
December 31, 2021				
Self directed brokerage accounts	\$ 11,469,393	\$ —	\$ —	\$ 11,469,393
Common/collective trust funds	686,286,253	—	—	686,286,253
Mutual funds	159,902,849	—	—	159,902,849
Total investments	<u>\$ 857,658,495</u>	<u>\$ —</u>	<u>\$ —</u>	<u>\$ 857,658,495</u>

The following methods and assumptions were used to estimate the fair value of each class of financial instrument:

- *Mutual funds:* Shares of mutual funds are valued based on quoted market prices, which represent the net asset value of shares held by the Plan at year end.
- *Common collective trusts (CCTs):* Shares of CCTs are determined to have a readily determinable fair value and are therefore classified in Level 1 of the hierarchy table.

There were no transfers of assets between levels for the years ended December 31, 2022 and 2021.

Blue Cross and Blue Shield of Minnesota Employee Savings Plan

Notes to Financial Statements (continued)

5. Income Tax Status

The Plan has received a determination letter from the IRS dated February 16, 2017, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Subsequent to the issuance of the determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan, as amended, is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Related-Party and Party-in-Interest Transactions

The Plan holds units of common collective trusts and shares of mutual funds managed by Fidelity Management Trust Company, the trustee of the Plan. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

8. Subsequent Events

Management evaluated subsequent events for the Plan through October 13, 2023, the date the financial statements were available to be issued.
