## Independent Auditors' Report

To the Pension Committee  
The Electro Switch Corp. 401(K) Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Electro Switch Corp. 401(K) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Electro Switch Corp. 401(K) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Electro Switch Corp. 401(K) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Electro Switch Corp. 401(K) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Electro Switch Corp. 401(K) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Electro Switch Corp. 401(K) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## THE ELECTRO SWITCH CORP. 401(K) PROFIT SHARING PLAN

### Notes to Financial Statements

#### **Note 1 – Description of the plan**

The following brief description of The Electro Switch Corp. 401(K) Profit Sharing Plan (the “Plan”) is provided for general purposes only. More complete information is contained within the Plan documents.

##### *General*

The Plan is a defined contribution plan covering substantially all employees of Electro Switch Corp., Sunrise Technologies, Inc., and ES Beta, Inc. (collectively the “Company”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Company is the Plan Administrator. In general, the Plan Administrator manages the operation of the Plan, subject to the terms and conditions of the Plan.

Empower Retirement, LLC (“Empower”) is the Custodian of the Plan’s assets and the record keeper.

##### *Eligibility*

All employees of the Company are eligible to participate if they have attained age 21 and have completed one month of service.

##### *Contributions*

###### *Employer*

The Company may contribute for each plan year an amount out of current or accumulated profits. The Company may contribute a percent of every dollar of eligible 401(k) compensation. The actual percent will be decided each year by the Company.

###### *Employee*

An eligible participant, who elects to contribute to the Plan via a deferred salary agreement, may contribute up to 75% of their compensation to the Plan. Contributions are subject to certain limitations specified by Internal Revenue Service (“IRS”) regulations. Participants aged 50 and above are also permitted by IRS regulations to make catch-up contributions.

##### *Participant accounts*

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### *Vesting*

Employees are 100% vested in their contributions to the Plan. Employer contributions are subject to the following vesting schedule:

| Less than 2 years         | 0                        |
| 2 years (but less than 3) | 20                       |
| 3 years (but less than 4) | 40                       |

| 5 years (but less than 6) | 80                       |
| 6 years or more           | 100                      |

A service year is credited to a participant for each year in which the participant works at least 1,000 hours.

#### *Payment of benefits*

Participants in the Plan are entitled to benefits at normal retirement age (65) or upon termination of employment based on the balance in their accounts, which consists of allocations (unit basis) of Company contributions, investment income and voluntary employee contributions. Participants with vested balances greater than \$5,000 may elect to receive benefits in a lump sum cash payment, various annuities or installment payments. For participants with vested balances of \$5,000 or less, the entire balance will be distributed. For retired participants, the latest commencement date for distributions is April 1 of the calendar year following the year in which the participant attains age 72.

#### *Notes receivable from participants*

A participant may obtain a loan from their account in the Plan in an amount between \$1,000 and an amount not to exceed one-half of the participant's vested account balance or \$50,000, whichever is less. The term of the loan may not exceed five years, including a loan that is made for the purchase of the participant's primary residence. The loans are secured by the balance in the participant's account. Payments of principal and interest are made through payroll deductions. The interest rate ranged from 5.25% to 9.00% for loans outstanding at December 31, 2022.

#### *Forfeited amounts*

Non-vested forfeited amounts are used to first offset administrative expenses of the Plan, then to reduce Company contributions. The plan had forfeitures of \$31,763 and \$44,265 in 2022 and 2021, respectively. In 2022, the plan used approximately \$27,100 and \$37,000 to pay for expenses and reduce Company contributions, respectively. In 2021, the plan used approximately \$34,400 and \$27,100 to pay for expenses and reduce Company contributions, respectively. The balance as of December 31, 2022 and 2021 was \$169,401 and \$53,393.

#### *Transfer of assets to a qualified replacement plan*

In 2022, the Company completed a transfer of funds from its terminated fully funded pension plan excess assets into the Plan. The transfer was allowable under IRC Section §4980 – Tax on Reversion of Qualified Plan Assets to Employer, which allows for transfers to a qualified replacement plan subject to meeting certain criteria. Funds transferred in December 2022 totaling \$1,700,000 will be used for Company contributions in future years.

## **Note 2 – Summary of significant accounting policies**

#### *Method of accounting*

The Plan prepares its financial statements and supplemental schedule on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United

## THE ELECTRO SWITCH CORP. 401(K) PROFIT SHARING PLAN

### Notes to Financial Statements

States of America. Under the modified cash basis of accounting, contributions and expenses are not recognized until received or paid, respectively.

#### *Accounting estimates*

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

#### *Administrative expenses*

Certain costs of plan administration are absorbed by the Company.

#### *Investment valuation and income recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See discussion under *Fair Value Measurements* for a description of valuation methodologies used for assets measured at fair value.

Purchases and sales of securities are reflected on a trade-date basis. Gain or loss on sales of investments is based on average cost. The Plan presents the net appreciation or depreciation in the fair value of its investments in the Statements of Changes in Net Assets Available for Benefits which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments. Interest income is recorded, as earned, on an accrual basis. Dividend income is recorded on the ex-dividend date.

#### *Guaranteed investment contract*

Guaranteed investment contracts held by a defined contribution plan are required to be reported at contract value which is the relevant measurement for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

#### *Notes receivable from participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

#### *Payment of benefits*

Benefits are recorded when paid.

#### *Risks and uncertainties*

The Plan provides for various investment options within the pooled separate accounts, which invest in mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, changes in the values of investment securities can occur and those changes could materially affect participant account balances, and the amounts reported in the Statements of Net Assets Available for Benefits.

### Note 4 – Fair value measurements

The Fair Value Measurements topic of the FASB Accounting Standards Codification (FASB ASC) establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end. Mutual funds are classified within Level 1 of the valuation hierarchy.

Pooled separate accounts are investments measured at fair value using the NAV per share (or its equivalent) practical expedient and have not been categorized in the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

|                                 | <u>December 31, 2022</u> |                      |

\* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

#### **Note 5 – Guaranteed investment contract**

The Plan has a benefit responsive guaranteed investment contract with Massachusetts Mutual Life Insurance Company. The contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The investment contract is considered a “traditional” contract, meaning that the Plan owns the contract itself and not the underlying assets for the investment contract.

Because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement attribute for the portion of net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the Statements of Net Assets Available for Benefits at contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by Massachusetts Mutual Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 3%. Such interest rates are reviewed on a semi-annual basis for resetting.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events that would cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

#### **Note 6 – Plan termination**

Although the Company expects to continue the Plan indefinitely, termination may be made at any time by a resolution of the Board of Directors. Such termination shall mean each participant's account will be 100% vested and nonforfeitable.

### Notes to Financial Statements

#### **Note 7 – Tax status**

The Plan is a qualified trust under Section 401(a) and 401(k) of the Internal Revenue Code and is therefore exempt from Federal income taxes under Section 501(a).

The Plan has received a determination letter from the Internal Revenue Service dated June 30, 2020, stating that the Plan is qualified under the Internal Revenue Code ("IRC") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by Federal or State tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

#### **Note 8 – Related parties**

Affiliates and subsidiaries of the Trustee provide recordkeeping services to the Plan and serve as the reinsurer on the guaranteed investment contract. The administrative fees associated with the recordkeeping services and the position as reinsurer qualify as party-in-interest transactions. Notes receivable from participants are also considered party-in-interest transactions. These transactions are considered exempt from the prohibited transactions rules under ERISA.

#### **Note 9 – Subsequent events**

The Plan has evaluated subsequent events and transactions through October 12, 2023, the date the financial statements were available to be issued and determined there were no subsequent events or transactions which would require recognition or disclosure in the financial statements.
