We have performed audits of the accompanying financial statements of Yellowstone Club Operations, LLC Retirement Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements ("Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of Yellowstone Club Operations, LLC Retirement Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 of the financial statements, is complete and accurate.

### Opinion

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Yellowstone Club Operations, LLC Retirement Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Yellowstone Club Operations, LLC Retirement Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Yellowstone Club Operations, LLC Retirement Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Yellowstone Club Operations, LLC Retirement Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the

underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Notes to the Financial Statements**  
**December 31, 2022 and 2021**

---

**1. Description of the Plan**

The following is a description of the Yellowstone Club Operations, LLC (the “Company”) Retirement Plan and Trust (“the Plan”), and provides only general information on the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a voluntary defined contribution plan qualifying under Section 401(a) of the Internal Revenue Code of 1986. It covers substantially all U.S. employees of the Company. Eligible employees may enter the Plan after thirty days of service and upon attainment of age 21. Employees' service with Yellowstone Mountain Club, LLC, Yellowstone Development, LLC, YC Realty, LLC and Yellowstone Mountain Club Security and Privacy, Inc. is credited as service under this Plan. Entry dates to the plan are the first day of the month the employee meets the eligibility requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is a single employer plan.

Effective November 30, 2021, the Company transferred all assets of the plan from T. Rowe Price to Fidelity. Due to the transition, there was a blackout period for participants that began November 24, 2021 and ended January 13, 2022.

**Automatic Enrollment**

As of January 1, 2017, the Plan implemented an automatic deferral feature. Once eligibility requirements are satisfied, there will be an automatic salary deferral of three percent of pre-tax compensation, unless an alternative election is made. On April 1, 2022 the Plan removed the automatic deferral feature. See Note 11.

**Contributions**

Each calendar year, participants may contribute elective deferrals up to the lesser of \$20,500 and \$19,500 in 2022 and 2021, respectively, or 100% of their pretax annual compensation, as defined in the Plan. A catch-up contribution of \$6,500 for 2022 and 2021 is available for participants over the age of 50. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participant contributions qualify for Company matching contributions at a rate of 50 percent of the first 6 percent of the participant's eligible base compensation that a participant contributes to the Plan. The Company matching contribution is invested as directed by the participant. The Company may also make discretionary non-elective or profit sharing contributions. The non-elective contributions are integrated with Social Security.

**1. Description of the Plan (continued)**

**Participant Accounts**

Each participant's account is credited with the participant's contributions, allocations of (a) the Company's contributions and (b) account earnings or losses, and charges with an allocation of certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the participant's vested account balance. Due to the transition between recordkeepers and trustees, unallocated funds during the blackout period were applied to participant accounts in January 2022. The plan held \$235,828 of unallocated assets at December 31, 2021.

**Vesting**

Participants are immediately vested in their elective deferrals, plus actual earnings thereon. Vesting in the Company's contribution plus actual earnings thereon is based on years of service. An employee is evaluated on the elapsed time method to determine their period of service to receive credit for a year of service. Employees who die or are disabled are 100% vested. A participant is 100% vested after three years of credited service. The vesting schedule is determined as follows:

| <u>Year of Service</u> | <u>Vesting Percentage</u> |
|------------------------|---------------------------|
| Less than 2 years      | 0%                        |
| 2 years                | 20%                       |
| 3 years or more        | 100%                      |

**Notes Receivable from Participants**

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the vested balance in the participant's account and bear an interest rate of Prime plus 1 percent set at the date the loan is approved. Principal and interest are paid ratably by bi-weekly payroll deductions. Loans to participants are reported at their unpaid principal balance plus accrued but unpaid interest.

**Payment of Benefits**

The Plan is designed to provide benefits at the time of retirement. However, if employment is terminated due to death, disability, or retirement, or for any other reason, the participant may elect to receive a lump-sum amount equal to the vested value of the participant's account, may transfer the vested value of their account to another retirement investment vehicle, or may choose to leave the vested value of their account in the Plan until April 1 of the year succeeding the year in which age 70-1/2 is attained, subject to the mandatory cash out provisions discussed below.

---

**1. Description of the Plan (continued)**

**Payment of Benefits (continued)**

Hardship distributions are available to participants. Terminated participants with vested account balances less than \$5,000 are subject to the mandatory cash out provisions. Participants with account balances exceeding \$1,000, but less than \$5,000 will have their distributions rolled to an IRA in their name absent an election to take a lump sum distribution or roll to another plan or IRA.

**Forfeitures**

Termination of participation in the Plan without a fully vested interest in the Company's contributions and associated earnings results in a forfeiture of all unvested amounts. Forfeitures from the participants' accounts may be used to reduce Company contributions or cover administrative expenses under the Plan. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$170,899 and \$18,360, respectively. In 2022 and 2021, employer contributions were reduced by \$48,747 and \$1,671 from forfeited nonvested accounts, respectively.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements are prepared on the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value. Participant loans are valued at amortized cost, which represents fair value.

**Use of Estimates**

The preparation of the financial statements in conformity with generally accepted accounting principles of the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2022 and 2021. Delinquent payments, as defined by the Plan, include any scheduled payments which are not received by the Plan by the end of the calendar quarter following the calendar quarter in which the payment is first missed. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

**December 31, 2022 and 2021**

---

**2. Summary of Significant Accounting Policies (continued)**

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding increase to benefits paid to participants. Excess contributions payable as of December 31, 2022 and 2021 were \$0 and \$37,340, respectively.

**Payments of Benefits**

Benefits are recorded when paid.

**Expenses**

Certain expenses incurred by the Plan, not including those expenses covered by the participants, are paid by the Plan Sponsor or by the Plan through forfeiture accounts. Generally, those expenses covered by the Plan Sponsor include the cost of the annual audit while the Plan pays recordkeeping and consulting fees. The Plan permits the payment of those plan-related expenses to be made from plan assets. These expenses will be allocated proportionately based on the value of the account balances or as an equal dollar amount based on the number of plan participants.

The Plan permits the payment of expenses which are incurred by or attributable to a particular individual based on the use of a particular plan feature to be assessed against an individual participant's account. Examples of expenses covered by participants are loan fees, expenses related to qualified domestic relations orders (QDROs) and hardship distributions.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. If available, quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the plan at year end. The Retirement committee determines the Plan's valuation policies. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

**Subsequent Events**

The Plan has evaluated subsequent events through October 16, 2023, the date the financial statements were available to be issued. See Note 10 for details.

**Notes to the Financial Statements**  
**December 31, 2022 and 2021**

**3. Tax Status**

The IRS has determined and informed the company by a letter dated June 30, 2020, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the letter, the Plan administrator and legal counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the plan is qualified and that the related trust is tax-exempt. Accordingly, no provision for federal or state income taxes has been provided.

**4. Fair Value Measurements**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**4. Fair Value Measurements (continued)**

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Target Date Fund:* Valued at the NAV of units of a collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

*Common Collective Trusts:* Valued and reported at fair value using the NAV of units of bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

**5. Related Party Transactions and Party-In-Interest Transactions**

From January 1, 2021 to November 30, 2021 and December 1, 2021 to December 31, 2022, certain Plan investments are shares of mutual funds managed by Reliance Trust Company and Fidelity Management Trust Company, respectively. From January 1, 2021 to November 30, 2021 and December 1, 2021 to December 31, 2022, Reliance Trust Company and Fidelity Management Trust Company, respectively, are the Plan Trustees, and therefore, these transactions qualify as exempt party-in-interest transactions. From January 1, 2021 to November 30, 2021 and December 1, 2021 to December 31, 2022, T. Rowe Price and Fidelity, respectively, are the recordkeepers, and therefore, these transactions qualify as exempt party-in-interest transactions. Certain fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in the fair value of the investment, as they are paid through revenue sharing rather than a direct payment. Other expenses incurred by the Plan were \$123,731 and \$27,611 for the years ended December 31, 2022 and 2021, respectively.

**6. Information Prepared and Certified by Trustees**

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified as complete and accurate by the trustees, Reliance Trust Company from January 1, 2021 through November 30, 2021, and Fidelity Management Trust Company from December 2021 to December 2022, which hold the assets of the Plan.

**7. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**9. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan provisions to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their account balances.

**10. Subsequent Events**

Effective January 1, 2023, the Plan was amended to replace the employer discretionary matching contributions with an employer Safe Harbor match. The amendment allows for participant contributions to qualify for Company Safe Harbor matching contributions at a rate of 100 percent of the first 3 percent of the participant's eligible base compensation and 50 percent of the next 2 percent of the participant's eligible base compensation. Employer Safe Harbor match contributions vest immediately.

Effective February 1, 2023, the Plan was amended to accelerate the vesting of previous employer discretionary matching contributions from a 3-year modified vesting to immediate upon adoption of the amendment.

**11. Voluntary Correction Program**

The Company filed a Voluntary Correction Program ("VCP") submission with the IRS on July 3, 2023 to address a retroactive amendment to the Plan's auto enrollment provision. On September 27, 2023, the IRS accepted these proposed corrections.

The Plan's administrator does not consider this item to have a material impact on the Plan's net assets available for benefits, and it did not affect the Plan's tax status.
