Independent Auditor's Report

To the Investment Committee and Plan Administrator
NRP Investments LLC 401(k) Savings Plan
Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of NRP Investments LLC 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures,

including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NRP Investments LLC 401(k) Savings Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the NRP Investments LLC 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution plan covering substantially all employees of NRP Investments LLC (the Company or the Plan Sponsor). Employees who have completed six months of service may participate in the Plan. Entry dates for the Plan are the first day of the first, fourth, seventh, and tenth month of the Plan year. There is no automatic enrollment feature under the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Trustee and Administration of the Plan

The trustee and recordkeeper of the Plan are Empower Trust Company, LLC (the Trustee). The administrator of the Plan is the Company. The trustee holds all assets of the Plan in accordance with the service provider contract with the Company. The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain administrative expenses related to custodian services are paid by the Plan, while accounting fees are paid by the Company.

Contributions

Participants may elect to contribute up to the lesser of 100% of their pretax annual compensation, as defined in the Plan, or the legal limitation for the applicable year. Participants who have attained age 50 before the close of the Plan year may also make catch-up contributions to the Plan, up to limits prescribed. Catch-up contributions are not matched by the Company. Participants may also contribute amounts representing distributions from other certain qualified plans.

The Company will make a safe harbor matching contribution equal to 100% of a participant's elective deferrals that do not exceed 3% of compensation (as defined), plus 50% of a participant's elective deferrals between 3% and 5% of compensation (as defined). Additional profit-sharing contributions may be contributed at the option of the Company's Board of Directors. Contributions are subject to certain limitations. There were no discretionary profit-sharing contributions made during 2022 and 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contributions, rollover contributions, and an allocation of the Plan's earnings, net of administrative fees, as defined by the Plan document. Allocations of earnings are based on participant account balances. Optional amounts contributed to the Plan by the Company are allocated to participant accounts based on compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Contributions are invested at the election of the participants in funds maintained by the Plan's custodians. Participants may elect to have contributions allocated between funds.

Notes to Financial Statements

Vesting

Participants are immediately vested in their contributions, rollover contributions, and safe harbor contributions and actual earnings or losses thereon. Participants vest in employer discretionary matching and profit-sharing contributions ratably over a six-year period with 20% being vested upon two years of service, 20% for each year of service thereafter, and full vesting after the sixth year of service.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the vested portion of his or her account. In accordance with the Plan document, if a participant's vested balance, including rollovers, does not exceed \$5,000, they may elect to receive a single lump-sum payment or to roll over the distribution to another retirement plan. If the vested balance is less than \$1,000 and the participant does not elect to receive or to roll over the distribution, the Plan will automatically roll over the distribution to an IRA. The Plan complies with applicable sections of the Internal Revenue Code (IRC) regarding mandatory cash-out distributions.

Financial Hardship Withdrawals

Financial hardship withdrawals of participants' voluntary deferral contributions are permitted in specialized circumstances of immediate and heavy financial need. These withdrawals may be subject to a 10% penalty.

Forfeiture Accounts

If, upon termination of employment, a participant is not 100% vested in his or her account balance, the non-vested portion will become a "forfeiture" upon the date that the participant receives the distribution of their vested account balance. Forfeitures of terminated participants' nonvested accounts are applied to reduce future Company contributions or to pay for plan expenses. For the years ended December 31, 2022 and 2021, forfeitures used to reduce Company contributions or pay for plan expenses were approximately \$3,590 and \$148, respectively. At December 31, 2022 and 2021, the balance of unused forfeitures was \$79,563 and \$65,056, respectively.

Notes Receivable from Participants

Loans are permitted to be made to active participants. The loans are secured by the participant's vested interest in the Plan and must be for a minimum of \$1,000 up to the lesser of one half of the participant's vested account balance or \$50,000. The loan repayment period may not be less than one year and may not exceed five years unless the loan is used to purchase a participant's principal residence. The loans are secured by the vested balance in the participant's account and bear interest at the prime rate plus 1% (4.25% to 8.00% as of December 31, 2022), which are commensurate with reasonable rates as determined by the Plan Administrator. A participant may only have one outstanding loan at any time. Principal and interest is paid ratably through payroll deductions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (GAAP).

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by its investment advisors. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Benefit Distributions

Benefit distributions are recorded when paid to participants.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events

The Company has evaluated subsequent events through October 12, 2023, the date the financial statements were available to be issued and has determined that there were no subsequent events that have occurred through that date that have not already been reflected in the financial statements and / or disclosed in the notes.

NRP Investments LLC 401(k) Savings Plan

Notes to Financial Statements

3. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurement* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobserved inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 inputs must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2022 or 2021. The following is a description of the valuation methodologies used for assets measured at fair value.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts: The Plan's investments in common/collective trusts held by the Plan are valued using net asset value (NAV) as a practical expedient, as reported by the custodian, based on the underlying investments. The common/collective trusts held by the Plan provide for daily redemptions by the Plan at the reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. There were no unfunded commitments as of December 31, 2022 and 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NRP Investments LLC 401(k) Savings Plan

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

<i>December 31, 2022</i>	Fair Value Measurements at Reporting Date Using			
	Level 1	Level 2	Level 3	Total
Plan's Assets at Fair Value				
Registered investment companies	\$ 26,326,961	\$ -	\$ -	\$ 26,326,961
Investments measured at NAV (a)				695,077
Balance, December 31, 2022	\$ 26,326,961	\$ -	\$ -	\$ 27,022,038

<i>December 31, 2021</i>	Fair Value Measurements at Reporting Date Using			
	Level 1	Level 2	Level 3	Total
Plan's Assets at Fair Value				
Registered investment companies	\$ 27,816,583	\$ -	\$ -	\$ 27,816,583
Investments measured at NAV (a)				571,829
Balance, December 31, 2021	\$ 27,816,583	\$ -	\$ -	\$ 28,388,412

(a) Certain investments are measured at fair value using the NAV per share (or its equivalent) as a practical expedient and have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

4. Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants information as shown in the statements of net asset available for benefits as of December 31, 2022 and 2021.
- Investment income (loss) and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2022, as shown on the ERISA-required supplemental schedule.

NRP Investments LLC 401(k) Savings Plan

Notes to Financial Statements

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. Tax Status

Effective January 1, 2022, the Company restated the Plan using the non-standardized pre-approved Profit-Sharing Plan through Great-West Trust Company, LLC (Great-West). Great-West received an IRS opinion letter dated June 30, 2020 which states that the pre-approved plan document is designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by Empower Trust Company, the trustee of the Plan, and these transactions qualify as exempt party in interest transactions and are exempt from the prohibited transaction rules of ERISA. Additional transactions that qualify as party-in-interest transactions consist of notes receivable from participants and administrative expenses paid to Empower Trust Company.

The Plan made direct payments to the trustee for the years ended December 31, 2022 and 2021, in the amounts of \$69,262 and \$69,244, respectively. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in the fair value of investments.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NRP Investments LLC 401(k) Savings Plan

Notes to Financial Statements

9. Prohibited Transactions

During the year ended December 31, 2022, the Company inadvertently failed to segregate and remit, in a timely manner, payments of participant contributions and loan repayments totaling \$27,898, from its assets within the required time period as specified by the DOL Reg. 2510.3012. Failure to segregate and remit contributions within the time period is as specified by the Company's policy is a prohibited transaction according to the provision of ERISA and the IRC. Lost earnings associated with the late remittances will be paid by the Plan sponsor during the year ended December 31, 2023.
