## **Independent Auditor's Report**

**To the Trustees of the  
Mowery Clinic, LLC 401(k) Plan and Trust  
Salina, Kansas**

### ***Opinion on 2022 Financial Statements***

We have audited the financial statements of the Mowery Clinic, LLC 401(k) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022, and the changes in its net assets available for benefits for the year ended, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

### ***Basis for Opinion on 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that all the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2022 Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

### ***Other Matter - Supplemental Schedule Required by ERISA***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment purposes is presented for purposes of additional

analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

***Other Matter - Auditors' Report on the 2021 Financial Statements***

The 2021 financial statements of the Plan were audited by predecessor auditors whose report dated September 23, 2022, expressed an unmodified opinion on those financial statements.

**MOWERY CLINIC, LLC 401(K) PLAN AND TRUST**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2022**

---

**NOTE 1 - DESCRIPTION OF PLAN**

The following description of the Mowery Clinic, LLC 401(K) Plan and Trust (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

**Plan Restatement**

Effective January 1, 2022, the Plan was restated in its entirety to incorporate recent law changes in accordance with the IRS Cycle 3 restatement period.

**General**

The Plan is a defined contribution plan covering employees of Mowery Clinic, LLC. (the "Company"), who have completed six continuous months of service with at least 500 hours of service during this period. If the employee does not complete 500 hours of service during the initial six-month period, the employee is subject to one year of service. The Plan entry date is the first day of each calendar month coinciding with or next following the date an employee satisfies the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Each year, participants may contribute up to 100% of pretax or annual compensation, as defined by the Plan. Roth contributions are allowed. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute rollover amounts from other qualified plans. Contributions are subject to certain IRS limitations. Participants have two options for their investments. The first option the Plan offers is investments in mutual funds through the Plan Premier Fund lineup. The second option the Plan offers is self-directed Wells Fargo Brokerage account.

The Company will make a safe harbor matching contribution equal to 100% of employee's elective deferrals that do not exceed 4% of their compensation.

Additional profit-sharing amounts may be contributed at the option of the Company's board of directors and are invested in a portfolio of investments as directed by the employee. Contributions are subject to certain IRS limitations. The Company made profit sharing contributions using a tiered formula which resulted in employees receiving a contribution equal to 5% of the social security wage base rounded to the next highest \$100. For the years ended December 31, 2022 and 2021, \$810,940 and \$848,980, respectively were accrued for employer discretionary profit-sharing.

**Participant Accounts**

Each participant's account is credited with the participant's contribution, safe harbor matching contribution, and allocations of (a) the Company's profit-sharing contributions and (b) Plan earnings. Allocations are based upon participant earnings, account balances or specific participant transactions, as defined.

**NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)**

**Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon, as well as all Company contributions.

**Benefit Payments**

On termination of service due to death, disability or retirement, a participant receives a lump-sum as provided in the Plan. Certain employees may be eligible to receive an in-service distribution. Any terminated participants with an account balance between \$1,000 and \$5,000 can be automatically paid out, without written consent, if their balance is not rolled into a qualified Individual Retirement Account. For terminations of service due to other reasons, a participant may receive their value in his or her account as a lump sum distribution. Benefits are recorded when paid.

**Plan Termination**

Although they have not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The Plan's policy is to prepare its financial statements on the accrual method of accounting.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles in the United States requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information by the investment advisers, custodians and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Fair Value Measurements**

Accounting Standards Codification (ASC) 820 defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (or exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs.

Observable inputs are inputs that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Company. Unobservable inputs are inputs that reflect the Company's assumptions about the inputs that market participants would use in pricing the asset or liability and are developed based on the best information available in the circumstances.

The fair value hierarchy input levels are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in inactive markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**Recently Issued Accounting Pronouncements**

Recent accounting pronouncements issued by the Financial Accounting Standards Board ("FASB") (including technical corrections to the FASB's Accounting Standards Codification), and the American Institute of Certified Public Accountants did not, or are not, expected to have a material effect on the Plan's net assets available for benefits or changes in net assets available for benefits.

**Management Evaluation of Subsequent Events**

The Company has evaluated subsequent events October 13, 2023, the date on which the financial statements were available to be issued.

**NOTE 3 - PARTICIPANT DIRECTED INVESTMENTS**

Participant contributions held in the Plan are participant-directed accounts. That is, individual participants decide how funds held in trust for them are allocated among various investment options.

**NOTE 4 - TAX STATUS**

The Plan has received a favorable determination letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating the volume submitter profit sharing plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code. The Mowery Clinic, L.L.C. 401(k) Plan and Trust has not requested a separate determination letter. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Authoritative accounting standards require the Plan to examine its tax positions for uncertain positions. Management is not aware of any tax positions that are more likely than not to change in the next 12 months or that would not sustain an examination by applicable taxing authorities.

The Plan's policy is to recognize penalties and interest as incurred in its statement of changes in net assets available for benefits, which totaled \$0 for the year ended December 31, 2022.

**NOTE 5 - ADMINISTRATIVE EXPENSES**

Significant costs of plan administration are being absorbed by the Plan Sponsor, Mowery Clinic, LLC, and are excluded from these financials. Certain expenses of maintaining the Plan are paid by the Plan. These expenses are prorated to each participant account balance, except for distribution fees, rollover fees, and other participant specific fees. These fees are passed onto the participant for requesting the service and included in administrative expenses. Any employee that elects the Wells Fargo self-directed investment option are charged additional investment fees. These fees are reported as self-directed management fees and are paid directly by the participant. These payments qualify as party-in-interest transactions. Investment related expenses are included in net depreciation of fair value of investments.

**NOTE 6 - FAIR VALUE MEASUREMENTS**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in valuation methodologies at December 31, 2022, compared to December 31, 2021. The Company's policy is to recognize transfers between levels at the end of each reporting period, if applicable. There were no transfers between Level 1, 2 or 3 assets or liabilities during the year ended December 31, 2022.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Self-directed brokerage accounts/Managed futures:* Accounts primarily consist of mutual funds, bonds, and common stocks that are valued on the basis of readily determined market prices. Managed futures are public offered limited partnerships engaged in speculative trading and diversified portfolio futures. Managed futures are valued based on the net asset value per share, without further adjustment. Net asset value is based upon the fair value of the underlying investment.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

**NOTE 7 - RELATED PARTY TRANACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are issued and managed by Wells Fargo and Capital Research and Management Co, Inc. (a subsidiary of American Funds), the custodian of certain assets. Therefore, these investments and any transactions qualify as party-in-interest.

**NOTE 8 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
