Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Follett Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

(Continued)

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Follett Retirement Savings Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Follett Retirement Savings Plan ("Plan") provides only general information. Participants or other interested parties should refer to the plan document for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution and profit sharing 401(k) plan covering eligible employees of Follett Higher Education Group, LLC (formerly Follett Corporation), and its subsidiaries as participating employers (collectively, "Company" or "Plan Administrator"). The Plan was established on April 1, 1985 for the purpose of permitting eligible employees to defer a portion of their compensation and to provide retirement benefits for eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

2. Eligibility

The Plan is available to all full-time, part-time, and temporary employees of the Company. New associates are eligible to make employee contributions to the Plan and receive safe harbor matching and discretionary matching contributions beginning the first day of the month following their date of hire.

All full-time, part-time, and temporary employees are eligible for discretionary profit sharing contributions if they have met the following eligibility requirements: (i) employed as an employee on December 31 of the Plan year for which the contribution is being made, (ii) accumulated at least 1,000 hours of service during that Plan year, (iii) not be eligible for, or a participant in, a management bonus incentive plan, retail bonus incentive plan, or sales commission or sales bonus incentive on the last day of the Plan year, (iv) not be a highly compensated employee, (v) not be an employee of Baker & Taylor, LLC ("Baker & Taylor"), and (vi) not be an employee of Bookmasters, Inc. ("Bookmasters").

3. Contributions

The Plan is funded by voluntary contributions of participants, required safe harbor matching contributions, discretionary matching contributions, and discretionary matching and profit sharing contributions of the Company. Participants may contribute to the Plan, through regular payroll deductions, and participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Participants may also roll over amounts representing distributions from other qualified employee benefit plans.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN (Continued)

3. Contributions (Continued)

Participants may contribute a percentage of eligible earnings to the Plan, subject to limitations imposed by the Internal Revenue Code. Each pay period, safe harbor matching contributions are made by the Company up to 100% of the first 4% of each participant's eligible earnings contributed to the Plan. Company safe harbor matching contributions were \$3,942,001 and \$7,900,687 for the years ended December 31, 2022 and 2021, respectively. Discretionary profit sharing contributions made by the Company are determined on an annual basis and are subject to certain limitations imposed by the Internal Revenue Code. The Company has provided \$874,245 and \$866,550 of discretionary profit sharing contributions for the Plan years ended December 31, 2022 and 2021, respectively. The Company made no discretionary matching contributions for the Plan years ended December 31, 2022 and 2021.

4. Investment Options

Participants direct their salary deferral contributions and the Company's contributions into a variety of selected investment options, including a participant-directed brokerage account, as made available and determined by the Administrative Committee. Participants may change their investment options any time.

5. Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of the Company's contributions, and an allocation of plan earnings. The Company's discretionary and safe harbor matching contributions are allocated based on a percentage of the participant's contribution. In the case when discretionary profit sharing contributions are made, all eligible participant accounts are credited contributions as a flat dollar amount. Plan earnings are allocated to participants' accounts in direct proportion to their respective account balances, based on the performance of participants' investment selections. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

6. Vesting

Participants are immediately 100% vested in participant and rollover contributions as well as employer discretionary matching and safe harbor matching contributions plus earnings thereon, if any.

Follett Retirement Savings Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN (Continued)

6. Vesting (Continued)

Participants are 100% vested in the Company's discretionary profit sharing contributions after three years of vested service in which the participant worked at least 1,000 hours. In the event of death, disability, or retirement at designated ages, participants become fully vested.

As described in Note E, during 2021, a partial plan termination occurred, and impacted participants were made fully vested in all Company contributions.

7. Payment of Benefits

Upon termination of service, a participant or their beneficiary is entitled to receive an amount equal to the value of the participant's vested account balance in the form of a lump-sum distribution. Alternatively, the funds, if greater than \$5,000, may be left in the Plan until the participant reaches age 70 ½. In the event of a participant's death, the beneficiary must take a distribution no later than the fifth anniversary of the participant's death. Under the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), participants who self-certify that they meet certain criteria of the CARES Act were eligible for in-service distributions up to \$100,000 without penalty through December 31, 2020. These distributions are taxed ratably over a three year period, but may be repaid by the participant over the same three year period to avoid such taxes. Under the CARES Act, provisions may be implemented prior to a formal amendment being executed. The Plan has until the last day of the Plan year in 2025 to amend the Plan for the provisions of the CARES Act.

In addition to a loan, eligible participants can withdraw funds (funds are comprised of rollover dollars, participant contributions to the Plan, Company discretionary matching contributions, safe harbor matching contributions, and discretionary profit sharing contributions) from their account using one of the following three options:

- (i) In-service withdrawal - allows participants over 59 ½ to withdraw all vested funds. Withdrawals for participants under 59 ½ are limited to rollover dollars contributed to the Plan.
- (ii) Special in-service withdrawal - allows a participant to withdraw up to 60% of the vested profit sharing contribution to purchase a primary residence.

Follett Retirement Savings Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN (Continued)

7. Payment of Benefits (Continued)

(iii) Hardship withdrawal - only allowed for the following seven purposes: 1) to purchase a primary residence, 2) to prevent eviction or foreclosure on a primary residence, 3) to pay for post-secondary education expenses, 4) to pay for unreimbursed medical expenses, 5) to pay for funeral or burial expenses of a parent, spouse, child or other dependent, 6) to pay for repair of catastrophic property damage to the participant's principal residence, or 7) to pay for expenses and losses (including loss of income) incurred because of a natural disaster declared by the Federal Emergency Management Agency ("FEMA") if the participant's principal place of employment at the time was located in an area designated by FEMA for individual assistance. The hardship withdrawal provisions of the Plan allow a participant to receive a hardship distribution based on the financial hardship of the participant's beneficiary even if the beneficiary is not the participant's spouse or dependent.

8. Notes Receivable from Participants

Notes receivable from participants are measured at unpaid principal balance plus any accrued but unpaid interest. Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balances, with a minimum loan amount of \$1,000. The loans are collateralized by the borrowers' respective vested account balances and bear interest at rates ranging from 3.25% to 8.25%. Principal and interest are paid through payroll deductions over a period not to exceed five years, unless for the purchase of a primary residence. Under the CARES Act discussed in A-7, participants who self-certify that they meet certain criteria of the CARES Act were permitted to take loans up to a maximum equal to the lesser of \$100,000 or 100% of their vested account through December 31, 2020. Self-certifying individuals may also elect to defer payments on outstanding loans until January 1, 2021.

9. Administrative Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN (Continued)

10. Forfeitures

At December 31, 2022 and 2021, unallocated plan assets resulting from forfeited nonvested accounts were insignificant. These accounts will be used to reduce future discretionary Company contributions or pay the Plan's administrative expenses. Forfeitures of \$119,860 and \$56,680 were used to reduce discretionary Company contributions related to the Plan years ended December 31, 2022 and 2021, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

2. Fair Value Measurements

Current accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include the following:
 - * Quoted prices for similar assets or liabilities in active markets;
 - * Quoted prices for identical or similar assets or liabilities in inactive markets;
 - * Inputs other than quoted prices that are observable for the asset or liability; and
 - * Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Follett Retirement Savings Plan
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Fair Value Measurements (Continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

Participant-directed brokerage account assets: Accounts primarily consist of mutual funds, common stocks, and exchange-traded funds that are valued on the basis of readily determinable market prices.

Common collective trusts: Valued based on the NAV of units of the common/collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the common collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Stable value collective trust fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value (NAV) of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

3. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the custodian. See Note B-2 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

4. Use of Estimates

In preparing the Plan's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

5. Payment of Benefits

Benefits are recorded when paid.

NOTE C - INFORMATION CERTIFIED BY T. ROWE PRICE TRUST COMPANY

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by T. Rowe Price Trust Company (the trustee of the Plan).

NOTE D - TAX STATUS

Effective January 1, 2021, the Plan adopted a nonstandardized pre-approved plan sponsored by T. Rowe Price Trust Company. The pre-approved plan has received an opinion letter from the Internal Revenue Service as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become fully vested in their respective account balances.

Due to a significant reduction in headcount at the Company, a partial termination of the Plan occurred during the year ended December 31, 2021. As a result, impacted participants were immediately fully vested in all plan contributions.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed and recordkeeping services are provided by T. Rowe Price Trust Company. T. Rowe Price Trust Company is the trustee, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each investment.

The Plan issues loans to participants, which are secured by the vested balance in the participant's accounts and certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest. Employees of the Company provide administrative services to the Plan for which no fees are charged.

NOTE H - PLAN AMENDMENTS AND RESTATEMENT AND SUBSEQUENT EVENTS

Effective January 1, 2021, the Plan was restated to reflect certain statutory changes.

Effective September 1, 2021, the Plan was amended to be a multiple employer plan made up of Follett Corporation and its subsidiaries.

Effective January 1, 2022, the Plan was amended to remove Follett School Solutions, Follett International and X2 Development Corporation as participating employers of the plan.

NOTE H - PLAN AMENDMENTS AND RESTATEMENT AND SUBSEQUENT EVENTS (Continued)

Effective February 1, 2022, the Plan was amended to change the plan sponsor name from "Follett Corporation" to "Follett Higher Education Group, LLC". Additionally, the plan removed Follett Higher Education Group LTD and Follett Higher Education Group Inc. as participating employers of the plan.

Effective April 1, 2022, the Plan was amended to remove Baker & Taylor LLC, and Bookmasters, Inc, as participating employers of the plan. Additionally, the Plan was amended to be changed to a single employer plan.

Effective November 2, 2022, the Plan was amended to remove Baker & Taylor Field Merchandise, LLC, Baker & Taylor Sales Fulfillment, Inc., Baker & Taylor Fulfillment, Inc., Baker & Taylor, Inc. and JA Majors Company LTD as participating employers of the plan.

Effective January 1, 2023, the Plan was amended to change After-Tax Contributions from On-going to Frozen, change the compensation limit for highly compensated employees, change compliance testing requirements for safe harbor matching contributions, allow installment payment distributions and remove required minimum distributions.

Significant provisions of the amended and restated plan document are consistent with those of the current plan document. Interested parties should refer to the plan document for a more complete description of the Plan's provisions.

NOTE I - TRANSFER OF ASSETS TO ANOTHER QUALIFIED PLAN

During 2021, assets related to Follett School Solutions, Follett International, and X2 Development Corporation were transferred to another qualified plan, as a result of these employers leaving the Plan (Note H). Total assets transferred were \$165,879,528.

During 2022, assets related to Baker & Taylor and Bookmasters were transferred to another qualified plan, as a result of these employers leaving the Plan (Note H). Total assets transferred were \$67,178,410.

NOTE J - RECLASSIFICATIONS

Certain items in the prior year financial statements were reclassified to conform to the current presentation. Reclassification had no effect on prior year net assets available for benefits or the prior year changes in net assets available for benefit.
