Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplemental Schedules Required by ERISA

The supplemental schedules, Schedules H, Line 4a, - Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**GCOM SOFTWARE LLC 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2022 and 2021**

---

**NOTE 1 – PLAN DESCRIPTION**

**Plan Description**

The following description of the GCOM Software LLC 401(k) Plan (formerly Gantech 401(k) Plan) (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

As of December 30, 2022, ASR Analytics, LLC 401(k) Profit Sharing Plan & Trust (“ASR Plan”) was merged into the Plan.

**General**

The Plan is a defined contribution profit sharing plan covering substantially all employees of the Plan sponsors. Participant must be 21 years of age to participate in the Plan. All employees are eligible to participate unless they are covered by a collective bargaining agreement, leased employees, and independent contractors. An eligible participant can enter the Plan immediately upon meeting the eligibility requirements. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Economic Growth and Tax Relief Reconciliation Act of 2001 (“EGTRRA”).

**Contributions**

Participants may contribute pretax annual compensation as defined by the Plan, up to a maximum of \$20,500 during the 2022 plan year. Participants over the age of 50 are also allowed additional catch-up contributions up to \$6,500 for 2022. The Plan also permits for Roth 401(k) contributions.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes safe harbor matching contributions of 100% of the first 3% of eligible compensation that a participant contributes to the Plan and 50 percent of the participant contributions that exceed 3 percent of eligible compensation, up to 5 percent of the participant’s eligible compensation. The Company may make discretionary profit-sharing contributions. This contribution, if any, is determined by the Company with respect to each Plan year. There were no discretionary profit-sharing contributions made during 2022. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 1 – PLAN DESCRIPTION (Continued)**

**Participant Accounts**

Each participant's account is credited with the participant's contributions, safe harbor matching contributions, discretionary profit-sharing contributions and an allocation of net Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their salary deferral, safe harbor matching contributions, rollover contributions, and related earnings. Participants who retire, die or become totally and permanently disabled are entitled to the full amount in their account. Participants who terminate employment prior to 100% vested are entitled to a percentage of their Company profit sharing contributions account depending on their years of service. A participant will be vested 20% in the discretionary profit-sharing contributions per year beginning after two years of service and is 100% vested after five years of service. Vesting in the discretionary profit-sharing contributions and the related earnings are based on years of continuous service. Participants with less than two years of service are 0% vested. Upon two years of service, participants are 25% vested, with the percentage increasing 25% each year until the participant is 100% vested after five years of service.

**Investment Options**

Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the investment options, sponsored by Principal Trust, the Plan's custodian. Participants may change their investment options daily through an electronic voice activation system or through website interaction provided by the custodian.

NOTES TO FINANCIAL STATEMENTS

**NOTE 1 – PLAN DESCRIPTION (Continued)**

**Notes Receivable from Participants**

Participants may borrow not less than \$1,000 from their fund accounts up to a maximum of \$50,000, or 50% of their vested account balance, whichever is less. Loan transactions are treated as transfers between the investment fund and the participant loan fund. Loan terms are not to exceed five years, unless the loan was for the purchase of a primary residence. The loans are secured by a fifty percent security interest in the participant's vested account balance and bear interest at rates ranging from 5.25% to 7.50% during year ended December 31, 2022. Principal and interest are paid ratably through payroll deductions.

**Payment of Benefits**

Benefit payments are available to participants upon retirement (age 65), termination of employment, disability, death, or early retirement which is the later of attainment of age 55 or completion of 15 years of service. Upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need, amounts contributed by the employee may be withdrawn for a hardship purpose. Participants are entitled to a benefit equal to the vested portion of their account, which will be distributed in the form of a lump sum payment unless the participant elects another option as provided by the Plan. Distributions are subject to the applicable provisions of the Plan agreement. Certain income taxes and penalties may apply to withdrawals or distributions prior to age 59 ½.

**Forfeitures**

Forfeitures of the non-vested portion of a participant's employer matching account are primarily used to pay plan administrative costs or to reduce the employer's matching contribution. Alternatively, forfeitures may be allocated to participants as an additional matching contribution. At December 31, 2022 and 2021 non-vested employer contribution forfeitures are \$3,863 and \$3,847, respectively. There were no forfeitures utilized in 2022 and 2021.

**Plan Administrative Costs**

The majority of administrative costs of the Plan are paid by the Plan sponsors. Plan participants paid \$142,269 of administrative costs for the year ended December 31, 2022.

**NOTE 2 –SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The accompanying financial statements have been prepared in accordance with U.S. generally accepted accounting principles (GAAP) on the accrual basis.

**Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair market value includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 9 for discussion of fair value measurements.

**Deferred Payment of Benefits**

Net assets available for plan benefits include \$1,937,860 and \$1,585,787 and at December 31, 2022 and 2021, respectively, which represent deferred vested benefits for participants who have withdrawn from the Plan but have not been paid. Benefit deductions are recognized when paid.

**Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles of the United States requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Subsequent Events**

Events that occurred subsequent to December 31, 2022 have been evaluated by the Company's management for potential recognition or disclosure in the financial statements through the date of the independent auditor's report, which is the date the financial statements were available to be issued. The Company did not have any material recognizable subsequent events during this period. Management has determined no events occurred that would require recognition.

**Plan Merger**

On December 30, 2023, the ASR Plan merged with the Plan. Total assets merged from ASR was \$14,550,344, of which, \$62,280 was participant loans transferred. As of December 31, 2022, \$12,068,276 was outstanding as a receivable.

**NOTE 3 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and assets of the Plan will be distributed in accordance with the Plan's provisions.

**NOTE 4 – TAX STATUS**

The Plan is qualified pursuant to Section 401(a) of the Internal Revenue Code and, accordingly, the net investment income is exempt from income taxes. The Plan obtained its latest determination letter on August 8, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving its latest determination letter. However, the plan administrator and the plan's management believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

**NOTE 5 – EXCESS PARTICIPANTS' CONTRIBUTIONS**

At December 31, 2022 and 2021, the Plan had no accrued payables for amounts refundable by the Plan to participants for contributions made in excess of amounts allowed by the Internal Revenue Service. If applicable, Excess contributions outstanding at year-end will be repaid to the respective participants in the subsequent period.

**NOTE 7 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**GCOM SOFTWARE LLC 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2022 and 2021**

---

**NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS**

The administrator of the Plan is Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (“Principal Trust”), who receives fees from Plan participants (see Note 1). The custodian of the Plan is also Principal Trust, who acts as the Plan’s trustee and who receives fees as a reduction of the return earned on each fund. The Plan loans funds to its participants according to the applicable provisions of the Plan agreement. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

**NOTE 9 – FAIR VALUE MEASUREMENTS**

The Company accounts for the fair value of its investments under the Fair Value Measurement topic of the FASB Accounting Standards Codification, which provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under this guidance are described as follows:

**Level 1**

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Company has the ability to access.

**Level 2**

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3**

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**NOTE 9 – FAIR VALUE MEASUREMENT (Continued)**

The following is a description of the valuation methodologies used for assets measured at fair value:

*Registered investment companies* represent investments (mutual funds) held with various investment managers. The mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Pooled Separate Accounts* are valued at the net asset value per unit based on the fair value of the measure fair value. Units of the pooled separate accounts may be traded daily with generally no liquidity restrictions. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Unit Investment Trust* are valued at the net asset value per unit based on the fair value of the measure fair value. Units of the investment trust may be traded daily with generally no liquidity restrictions. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:
