## Independent Auditor's Report

To the Plan Administrator  
Young Plumbing & Heating Co. Profit Sharing Plan  
Cedar Rapids, Iowa

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Young Plumbing & Heating Co. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Young Plumbing & Heating Co. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to benefits provided under the Plan or to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Young Plumbing & Heating Co. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Young Plumbing & Heating Co. Profit Sharing Plan's ability to continue as a going concern for one year after the date that these financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Young Plumbing & Heating Co. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Young Plumbing & Heating Co. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to benefits provided under the Plan or to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Young Plumbing & Heating Co. Profit Sharing Plan**

### **Notes to Financial Statements**

#### **NOTE 1 – DESCRIPTION OF PLAN**

The following description of the Young Plumbing & Heating Co. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

##### **General and Eligibility**

The Plan is a defined contribution plan covering all full-time employees of Young Plumbing & Heating Co. (the "Company") who have one year of service and attained age 20. Prior to amendment of the Plan on October 3, 2022, the Plan covered all full-time employees who had one year of service and attained age 21. The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

##### **Contributions**

Each year, participants in the Plan may contribute a portion of their pretax compensation, as defined in the Plan, not to exceed the limit of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit and defined contribution plans (rollover), as well as after-tax contributions from their current compensation. Participants direct the investments of their contributions into various investment options offered by the Plan. If the participant does not make an investment election, the contributions are invested in the Plan's default investment option.

The Company's policy is to make a discretionary matching contribution of 50% of salary deferrals up to 3% of eligible compensation that a participant contributes to the Plan. Participants with more than 20 years of service receive a discretionary matching contribution of 50% of salary deferrals up to 6% of eligible compensation that they contribute to the Plan. In addition, the Company may elect to contribute to the Plan a discretionary contribution and/or a qualified nonelective contribution. For each of the years ended December 31, 2022 and 2021, the Company made a \$750,000 discretionary contribution to the plan. The Company's contributions are invested in the same manner as participant contributions. Contributions are subject to certain IRS limitations.

##### **Participant Accounts**

Each participant's account is credited with the participant's contributions, Company contributions, and Plan earnings. Participant accounts may be charged with an allocation of administrative expenses that are paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Young Plumbing & Heating Co. Profit Sharing Plan**  
**Notes to Financial Statements**

**NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)**

**Vesting**

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

**Payment of Benefits**

On termination of service due to death, disability or retirement, a participant may elect from a single-sum amount, various life annuities, and fixed period or fixed payment installment options. Vested balances of less than \$5,000 can be distributed in lump sum without participant election.

**Forfeited Accounts**

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$13,914 and \$12,960, respectively. These accounts may be used to pay plan expenses, reduce future employer contributions, or allocated to participant accounts. For December 31, 2022 and 2021, \$12,300 and \$13,339 were used to allocated to participant accounts.

**NOTE 2 – SUMMARY OF ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared under the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of Benefits**

Benefits are recorded when paid.

**Notes to Financial Statements**

**NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (CONTINUED)**

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration benefit payments are charged directly to the participants account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Mutual funds: valued at the daily closing price as reported by each fund.

**NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)**

Pooled separate accounts: consist of various investment options (i.e. common stock, mutual funds, short-term securities, real estate) and are valued at the net asset value (NAV) which is based on the market value of its underlying investments. While the majority of the underlying asset values are quoted prices, the NAV of the pooled separate accounts is not publicly quoted and are determined by the insurance company. NAV is a readily determinable fair value and is the basis for current transactions.

Common collective trust: valued at the NAV which is based on the market value of its underlying investments. This fund contains synthetic investment contracts comprised of both underlying investment and contractual components which have observable Level 1 or Level 2 pricing inputs, including quoted prices for similar assets in active or non-active markets. NAV is used as an estimate of fair value, as the reporting entity has the ability to redeem its investment at NAV as of the measurement date as the collective investment trust can be redeemed on a daily basis. NAV is readily determinable fair value and is the basis for current transactions.

The following table sets forth by level, within the fair value hierarchy, the Plan's financial assets at fair value as of December 31, 2022 and 2021:

|                                 | Assets at Fair Value |             |             |                      |

**NOTE 4 – TAX STATUS**

The Plan Sponsor adopted an individually designed plan effective January 1, 2014. The Plan was amended to have a volume submitter profit sharing plan document provided by Principal Life Insurance Company effective October 3, 2022. The volume submitter sponsor obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service (IRS) stated that the volume submitter plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 5 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

**NOTE 6 – CERTIFICATION**

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company, Principal Global Investors Trust Company and Principal Trust Company (the Custodians of the Plan).

**NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of a common collective trust fund and pooled separate accounts managed by Principal Life Insurance Company, Principal Global Investors Trust Company and Principal Trust Company. Principal Life Insurance Company, Principal Global Investors Trust Company and Principal Trust Company are the custodians of the Plan, and, therefore, these transactions qualify as party-in-interest transactions.

**NOTE 8 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 9 – SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through September 14, 2023, the date which the financial statements were available to be issued.
