Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of JAG Healthcare, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of JAG Healthcare, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements, referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of JAG Healthcare, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about JAG Healthcare, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of JAG Healthcare Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about JAG Healthcare Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule H part IV, line 4a – schedule of delinquent participant contributions and the supplemental schedule H part IV, line 4i – schedule of assets held for investment purposes at end of year as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

JAG HEALTHCARE, INC. 401(k) PLAN

December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN

The following description of JAG Healthcare, Inc. 401(k) Plan (Plan) is provided for general information purposes. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan, which became effective April 1, 2010 for the purpose of providing retirement benefits to eligible employees, as defined in the Plan agreement. Employees of JAG Healthcare, Inc. (Company) are eligible to defer into the Plan upon completion of one year of employment and attaining the age of 21. These qualifications do not apply to individuals hired by the Company and classified as PRN. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

Each year participants may contribute up to 25% of pretax annual compensation, as defined in the Plan agreement, subject to Internal Revenue Service limitations. In order to meet these limitations, contributions by employees representing the top 20% in pay are limited to 10% of base pay, as defined in the Plan agreement. Participants may also contribute amounts representing distributions from other plans and IRAs. The employer makes matching contributions equal to 50% of participant contributions to the Plan, up to 3% of annual compensation. The Company made matching contributions totaling \$133,427 in 2022. Total matching contributions due to the Plan as of December 31, 2022 and 2021 was \$5,207 and \$5,790, respectively.

The Plan includes an automatic salary deferral feature. Unless a participant makes an alternative salary deferral election, the Company will automatically withhold 2% of their compensation from each payroll period and contribute this amount to the Plan as a pre-tax deferral. A participant is given a reasonable period to affirmatively elect a different percentage or elect not to make elective deferral contributions.

Investment Options:

Upon enrollment in the Plan, a participant may direct contributions into any of several investment funds. Participants may change their investment option allocations at any time.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contributions and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Additionally, participants elect to maintain their accounts in a combination of investment funds. Separate accounting for each of the participants' funds is maintained pursuant to the participant's designated election.

JAG HEALTHCARE, INC. 401(k) PLAN

December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting:

Participants are vested in their contributions, the Company's contributions, and actual earnings thereon immediately upon entry into the Plan. However, vesting for employer non-elective matching contributions remains based on years of service as follows:

0-2 Years	0%
3 Years	100%

Payment of Benefits:

Participants are eligible to receive in-service distributions after attaining the age of 59 ½. Upon termination of service due to death, disability, retirement or other reasons, a participant may elect to receive with a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments. If the vested balance is greater than \$1,000, but less than \$5,000, and the participant does not make an election to either receive or to rollover the distribution, the distribution must be rolled over to an IRA. If the vested balance is \$1,000 or less, the form of distribution remains a single lump-sum payment.

Participants are also eligible to make hardship withdrawals from their deferred contributions in the event of certain financial hardships.

Forfeitures:

The Plan allows forfeited, non-vested amounts to be used to reduce employer matching contributions to the Plan to the extent they are not used to pay Plan administrative expenses. Total forfeited non-vested accounts as of December 31, 2022 and 2021 was \$-0-.

Notes Receivable from Participants:

Participants may borrow from their accounts an amount up to a maximum equal to the lesser of \$50,000 or 50% (minimum loan amount of \$500) of their vested account balance. Note terms range from one month to five years unless the note was used for the purchase of a primary residence. The notes are secured by the balance in the participant's account. The notes bear interest at rates ranging from 4.25% to 7.25%, which are commensurate with bank prevailing rates as determined quarterly by the Plan Administrator. Principal and interest is paid through payroll deductions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements are prepared on the accrual basis of accounting.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

JAG HEALTHCARE, INC. 401(k) PLAN

December 31, 2022 and 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition:

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are recorded at their unpaid principal balances plus any accrued interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Costs of administering the Plan are paid by the Plan or the Company, as determined by the Company, subject to limitations under ERISA.

Subsequent Events:

Management evaluated all activity of the Plan through October 12, 2023, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

JAG HEALTHCARE, INC. 401(k) PLAN

December 31, 2022 and 2021

NOTE C - INFORMATION CERTIFIED BY THE TRUSTEE

In accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by Reliance Trust Company, the trustee of the Plan. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Trustee has certified as to the completeness and accuracy of the investments it holds and changes in net assets arising from said investment activity as of December 31, 2022 and 2021, and for the year ended December 31, 2022, the schedule of assets held for investment purposes as of December 31, 2022 and participant loan balances as of December 31, 2022.

NOTE D - INVESTMENTS AND FAIR VALUE MEASUREMENTS

FASB ASC 820 requires the Plan to classify its assets and liabilities based on valuation methods using three levels. Level 1 inputs are based on quoted prices in active markets for identical investments. Level 2 inputs are based on significant observable market inputs, such as quoted prices for similar investments and quoted prices in inactive markets. Level 3 inputs are based on significant unobservable inputs that reflect the Plan's determination of assumptions that market participants might reasonably use in valuing the investments. The valuation levels are not necessarily an indication of risk or liquidity associated with the underlying investments.

The common/collective trust is valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The fund's objective is to maintain stability of principal through underlying assets, which maintain an average S&P credit quality. Participant transactions (purchases and sales) may occur daily. All other withdrawals of assets may be delayed for up to twelve months at the sole discretion of the trustee.

The valuation methodologies used for assets measured at fair value may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested and net assets of the Plan are to be distributed to participants on the basis of individual account balances at the date of termination.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE G - INCOME TAX STATUS

The Plan uses a prototype plan document sponsored by ADP Retirement Services (ADP). ADP received an opinion from the Internal Revenue Service (IRS), dated October 6, 2020, which states that the prototype plan document satisfies the provisions of Section 401 of the Internal Revenue Code (IRC).
