Fennemore Craig Retirement Plan for Directors and Staff

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Fennemore Craig Retirement Plan for Directors and Staff, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Fennemore Craig Retirement Plan for Directors and Staff's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fennemore Craig Retirement Plan for Directors and Staff and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fennemore Craig Retirement Plan for Directors and Staff's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Administrative Committee
Fennemore Craig Retirement Plan for Directors and Staff

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fennemore Craig Retirement Plan for Directors and Staff's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fennemore Craig Retirement Plan for Directors and Staff's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Administrative Committee
Fennemore Craig Retirement Plan for Directors and Staff

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FENNEMORE CRAIG RETIREMENT PLAN FOR DIRECTORS AND STAFF
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of Fennemore Craig Retirement Plan for Directors and Staff (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Fennemore Craig, P.C. (the Company or Employer or Plan Sponsor) except for summer associates, law clerks, leased employees, or any employee who provides services on a relief basis. Effective January 1, 2020, the Plan excludes Associates and Of Counsel hired or rehired on or after January 1, 2019, or any other employee of the firm working as an attorney who is not a Director as Eligible employees may participate in the 401(k) portion of the Plan effective the first of the month following 30 days of employment and in the profit sharing portion of the Plan the first of the month following one year of employment.

The Plan provides for Employer profit sharing and matching contributions, as well as elective deferral contributions by participants, as defined in the Plan document. The Administrative Committee of the Plan (the Plan administrator) controls and manages the operation and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective November 1, 2020, the Plan Sponsor merged with the law firm Dowling Aaron, creating Fennemore Dowling Aaron, LLP. The Plan was amended to grant prior service to Dowling Aaron employees for eligibility and vesting.

Effective July 1, 2022, the Plan acquired the law firm Wendel Rosen, LLP (Wendel), the employees who became employees of Fennemore Craig, P.C were granted credit for prior service with Wendel.

Participant Contributions

Each year, participants may contribute on a pretax basis or Roth after tax basis, a percentage up to 100% of their annual compensation, as defined in the Plan and subject to certain Internal Revenue Code (IRC) limitations. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation for the first year with annual increases of 1% each subsequent year to a maximum of 6%. Effective January 1, 2022, the annual increase changed from 6% to a maximum of 10%. Contributions are taken on a pre-tax basis and invested in the Plan's qualified default investment alternative until changed by the participant. Each July, participants who are currently enrolled with an election less than 3% (including no deferrals), and participants who previously made deferral elections but stopped, will have their deferral rate automatically increased to 3% unless action is taken by them to make a different election before a specified date.

The Plan allows for cash rollovers from another qualified Employer plan or individual retirement account.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Employer Contributions

The Company makes a profit sharing contribution annually to the Plan in an amount established by the Board of Directors of the Company at their sole discretion.

For the year ended December 31, 2022, the Company contributed an amount to the Plan equal to 5.7% of total eligible compensation for participants, plus 5.7% of total eligible compensation in excess of \$147,000, less forfeitures.

For the year ended December 31, 2021, the Company contributed an amount to the Plan equal to 5.7% of total eligible compensation for participants, plus 5.7% of total eligible compensation in excess of \$142,800, less forfeitures.

Total eligible compensation for the years ended December 31, 2022 and 2021 was limited to a maximum per participant of \$305,000 and \$290,000, respectively, in accordance with the IRC.

The Company may make a discretionary 401(k) Employer matching contribution. For the years ended December 31, 2022 and 2021, the Company made a matching contribution of 100% on each dollar deferred, up to 1% of eligible compensation, as defined by the Plan.

The Company's contributions were recorded as receivables at December 31, 2022 and 2021, and were funded in March 2023 and 2022, respectively.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's pretax and Roth deferrals, the Company's matching contribution, an allocation of the Company's profit sharing contribution, Plan earnings, and charged with withdrawals and an allocation of Plan losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan.

The allocations for Plan earnings and losses are based upon the participant's account balances, or participant transactions, as defined, except to the extent invested in a separate brokerage account under the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their pretax and Roth deferrals, direct rollover contributions, and related investment earnings. Participants are vested in the Employer matching and profit sharing contributions and related earnings based upon the following schedule:

<u>Years of Service</u>	<u>Percent Vested</u>
2	20 %
3	40
4	60
5	80
6	100

Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account. A participant may have no more than two loans outstanding simultaneously. Effective interest rates on loans issued June 2013 or later are based on the Reuter's prime rate in effect on the date the loan is requested, plus 1%, rounded to the nearest quarter of a percent. Interest rates on currently outstanding loans range from 4.25% to 8.50%. All loans require repayment within five years, except loans used by the participants to acquire or construct their principal residence, which may be repaid up to 15 years. Principal and interest is paid ratably through payroll deductions.

Administrative Expenses

Administrative expenses of the Plan are paid either by the Plan or by the Plan Sponsor as provided in the Plan document.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Hardship Withdrawals

The Plan allows participants to obtain a hardship withdrawal from the participant's pre-tax and Roth elective deferral accounts if the participant demonstrates a substantial hardship as defined by the Plan document.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Only those participants whose accounts include money purchase assets in excess of \$5,000 are subject to the payment of benefits in the form of a qualified immediate single or joint and survivor annuity and spousal consent requirement for an alternate form of payment. All other participants, whose accounts do not include money purchase assets or who have money purchase assets of less than \$5,000, receive their benefit payable in the form of a lump-sum distribution equal to the value of the participant's vested interest in his or her account upon termination of service.

Participants may elect to transfer eligible rollover distributions to an eligible retirement plan, as defined by the IRS. They may also elect to defer payment of benefits as permitted under the terms of the Plan if their vested account balance is \$5,000 or greater.

Upon termination of service, a participant with a vested benefit less than \$5,000 but greater than \$1,000 may elect to have such distribution paid directly to an eligible retirement plan specified by the participant or to receive the distribution as a cash payment. If no such election is made, the Plan shall pay the distribution in a direct rollover to an individual retirement plan designated by the Plan. Upon termination of service, participants with a vested benefit of less than \$1,000 shall either elect a permitted distribution option within 90 days, or if no election is made in that time frame, participants will receive a lump-sum distribution as soon as practicable.

The Plan also allows for in-service withdrawals, subject to certain age restrictions or other limitations.

Transfers To and From Related Plan

Effective January 1, 2020, all Of Counsel hired on or after January 1, 2019 and all Associates and Practice Group Attorneys regardless of date of hire became participants in a separate plan, named Fennemore Craig 401(k) Plan for Associates and Of Counsel. Of Counsel hired prior to January 1, 2019 and Directors and Staff regardless of date of hire, remained with this existing Plan, newly named Fennemore Craig Retirement Plan for Directors and Staff as of January 1, 2020. Assets were transferred out of the Plan in the amount of \$7,668,641 on January 1, 2020. During 2022 and 2021, due to change in employee classification, assets were transferred into the Plan in the amount of \$102,152 and \$300,059.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their accounts in 0.25% increments into any of various mutual funds selected by the Plan administrator and a self-directed brokerage account that includes mutual funds, money market funds, and exchange traded funds.

The Plan's qualified default investment alternative is the Target Retirement Date Fund named for the year closest to the participant's 65th birthday.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$77,073 and \$37,049, respectively. These accounts are used to reduce Employer contributions. For the years ended December 31, 2022 and 2021, Employer contributions were reduced by \$77,679 and \$18,245, respectively, from forfeited nonvested accounts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates in Preparing Financial Statements

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by their investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The net appreciation (depreciation) in fair value of investments in the statements of changes in net assets available for benefits includes net unrealized market appreciation of investments held at year-end and net realized gains and losses on the sale of investments during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Payment of Benefits

Benefit payments to participants are recorded when paid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Plan has evaluated subsequent events through October 2, 2023, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Vanguard Fiduciary Trust Company, the trustee of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2022.

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Funds – Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Self-Directed Brokerage Fund (which invests in mutual funds, money market funds, exchange-traded funds, common stock, and cash) – Valued at the closing price reported in the active market in which the individual security is traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 79,895,030	\$ -	\$ -	\$ 79,895,030

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 5 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Vanguard Fiduciary Trust Company (Vanguard). Vanguard is the trustee as defined by the Plan. J.H. Ellwood & Associates, Inc. provides investment consulting services to the Plan. Therefore, these investment transactions qualify as party-in-interest transactions.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Company contributions.

NOTE 8 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter received from the IRS indicating that the Plan is qualified under Section 401 of the IRC and is therefore, not subject to tax under current income tax law. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
