INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Adams and Reese LLP
401(k) Profit Sharing Plan,
New Orleans, Louisiana.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Adams and Reese LLP 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits as of December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS**Adams and Reese LLP 401(k) Profit Sharing Plan**

December 31, 2022 and 2021

Note 1 - PLAN DESCRIPTION

The following description of the Adams and Reese LLP 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

a. General

The Plan is a defined contribution plan established by Adams and Reese LLP, a partnership (the “Plan Sponsor”). The Plan was restated effective January 1, 2022 by the adoption of a preapproved defined contribution plan to comply with the Internal Revenue Service (IRS) Cycle 3 restatement requirements. The restated Plan was also adopted by professional law corporations (“Adopting Employers”) which are partners in Adams and Reese LLP to permit their sole shareholder-employee to participate in the Plan. The Plan covers all employees and partners of the Plan Sponsor and Adopting Employer (the “Employers”) who have one year of service and are age twenty-one or older, except for those serving in a capacity described as excluded in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Contributions

Each year, participants may contribute deferral contributions pursuant to Section 401(k) of the IRC and/or Roth contributions, by salary reduction of up to 75% of annual compensation, as defined in the plan document, not to exceed statutory limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing eligible rollover distributions from other qualified retirement plans. Contributions are subject to certain IRS limitations.

In each plan year, the Employers may match a percentage of eligible participants’ elective deferrals. For the year ended December 31, 2022, the Employers made matching contributions of \$289,507, net of forfeitures of \$6,822.

In any plan year, the Employers may also make discretionary non-elective contributions for eligible participants. For the year ended December 31, 2022, the Employers made non-elective contributions of \$4,243,974, net of forfeitures of \$435,042.

Note 1 - PLAN DESCRIPTION (Continued)

c. Participant Accounts

Each participant's account is credited with the participant's contributions and Employers' matching contributions, as well as allocations of the Employers' non-elective contributions and plan earnings. Participant accounts are charged with plan losses and an allocation of administrative expenses that are paid by the Plan. Allocations of Employers' contributions are based on participant compensation or salary deferrals, as defined in the plan document, and allocations of plan earnings or losses and expenses are based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are immediately vested in their 401(k) and rollover contributions, plus actual earnings thereon. Vesting in the Employers' contributions plus actual earnings thereon is based on years of service as follows:

<u>Participant's Years Of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

e. Investment Options

The Plan provides a participant-directed investment program, whereby participants select the investments for their accounts. The Plan currently offers mutual funds, common collective trusts, and self-directed brokerage accounts as investment options to the participants. Participants may change their investment options daily.

Note 1 - PLAN DESCRIPTION (Continued)

f. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of the participant's vested account balance, or \$100,000 or 100% for loans made under certain provisions of the Coronavirus Aid Relief, and Economic Security (CARES) Act. The notes receivable terms range from one to five years except in the case of a loan for the purchase of a primary residence, the term of which shall be comparable to those quoted by commercial banks. The notes receivable are secured by the participant's vested accrued benefit under the Plan and bear interest at rates for similar loans from commercial sources at the time of the loan. Notes receivable become due and payable upon termination of employment or if a participant fails to make a payment as provided in the loan agreement. Interest rates on notes receivable from participants ranged from 3.25% to 7.50% as of December 31, 2022 and 2021. Principal and interest are paid either through payroll deductions or quarterly.

g. Payment of Benefits

On termination of service, all participants may elect to receive a distribution or rollover their benefits to an IRA or another qualified plan. A participant whose vested account balance exceeds \$5,000 may elect to receive benefits in the form of a lump sum amount or installment payments, as defined in the plan document. A participant with a vested account balance of less than \$1,000 is subject to the cash-out provisions in the plan document. Hardship withdrawals are permitted from a participant's voluntary contribution accounts for specific financial hardships. In-service distributions are permitted for participants who have reached age 65.

h. Forfeited Accounts

Forfeitures of terminated participants' nonvested accounts are used to reduce Employers' contributions. As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$435,043 and \$188,119 respectively. Forfeitures of \$435,042 were used to reduce the Employers' discretionary non-elective contributions for the year ended December 31, 2022.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

a. Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

c. Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

d. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

e. Payment of Benefits

Benefits are recorded when paid.

f. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment-related expenses are included in net depreciation in fair value of investments.

g. Subsequent Events

The Plan has evaluated subsequent events through October 16, 2023, which is the date the financial statements were available to be issued.

Note 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants, disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants as of December 31, 2022 and 2021, and net depreciation in fair value of investments, dividends and interest, and interest on notes receivable from participants for the year ended December 31, 2022, was agreed to or derived from information provided to the plan administrator and certified as complete and accurate by Charles Schwab Trust Bank, the trustee of the Plan, in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 4 - FAIR VALUE MEASUREMENTS

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Valued at NAV of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds, exchange-traded funds, and common stocks that are valued on the basis of readily determinable market prices (Level 1) and brokered certificates of deposit, U.S. government agency obligations, and other fixed income investments that are valued using evaluated pricing models from third-party vendors (Level 2).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value of measurement at the reporting date.

Note 4 - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022

Fair Value of Investments that Calculate Net Asset Value

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022.

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trusts	40,084,609	None	Daily	Up to 30 days

Note 5 - ROLLOVER CONTRIBUTIONS

During the year ended December 31, 2022, Adams and Reese Group Pension Plan II, a defined benefit plan offered by the Plan Sponsor, was terminated and liquidated. Participants received a lump sum distribution of their benefits in the plan and were provided the option to have their distribution rolled into any qualified plan. Amounts totaling \$19,474,157 were rolled into the Plan from the terminated plan and are included in rollovers on the statement of changes in net assets available for benefits.

Note 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by affiliates of Charles Schwab Trust Bank. Charles Schwab Trust Bank acts as trustee for the Plan and its affiliate Schwab Retirement Plan Services Inc. is the recordkeeper; therefore, these transactions qualify as party-in-interest transactions.

Note 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 9 - TAX STATUS

The non-standardized pre-approved profit sharing plan document adopted by the Plan effective January 1, 2022 received a favorable opinion letter from the Internal Revenue Service dated September 21, 2020, which stated that the non-standardized plan is designed in accordance with applicable sections of the Internal Revenue Code (the "Code"). The plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Code and ERISA and that the Plan qualifies under the provisions of Section 401(a) of the Code and the related trust is exempt from Federal income taxes under the provisions of Section 501(a) as of the financial statement date.

Note 9 - TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10 - TRANSFERS

Adams and Reese LLP also sponsor the Adams and Reese LLP Associate 401(k) Plan (the “Associate Plan”), a retirement plan for its associate attorneys, an ineligible class of employees for this plan. Upon a change of employment classification to one which meets eligibility requirements for the Plan, an individual’s participant account balance in the Associate Plan is transferred to the Plan. Additionally, in the event of a change of employment classification to one which does not meet eligibility requirements for the Plan, an individual’s participant account balance is transferred to the Associate Plan. For the year ended December 31, 2022, there were \$716,051 of transfers to the Plan from the Associate Plan.
