INDEPENDENT AUDITOR'S REPORT

October 13, 2023

To the Plan Administrator of the
Kris-Tech Wire Co., Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed an audit of the financial statements of Kris-Tech Wire Co., Inc. 401(k) Plan, an employee benefit plan subject to the Employees Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(c) (ERISA Section 103(a)(3)(c) audit). The financial statements comprise the statement of net assets available for benefits as December 31, 2022 and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 11 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kris-Tech Wire Co., Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kris-Tech Wire Co., Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Kris-Tech Wire Co., Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kris-Tech Wire Co., Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The Supplemental Schedule of Assets (Held At End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – 2021 Financial Statement

We have compiled the accompanying statement of net assets available for benefits of Kris-Tech Wire Co., Inc. 401(k) Plan as of December 31, 2021. We have not audited or reviewed the accompanying statement of net assets available for benefits and, accordingly, do not express an opinion or provide any assurance about whether the financial statement is in accordance with U.S. generally accepted accounting principles.

The following description of the Kris-Tech Wire Co., Inc. ("the Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- B. Eligibility - Employees become eligible for participation after attaining age eighteen (18) and completing six months of service.

Participants age 50 or older may contribute additional "catch-up" contributions of up to \$6,500. The Company may make discretionary matching and/or profit sharing contributions. In 2022, the Company elected to make matching contributions equal to 100% of the first 4% of an employee's deferral. The Company also elected to make a profit sharing contribution, calculated based on employee class. The matching contribution was approximately \$320,000 and the profit sharing contribution was approximately \$400,000 for the year ended December 31, 2022.

Forfeitures of non-vested amounts are used to reduce future Company contributions. Forfeitures for the year presented was immaterial.

- E. Vesting - Participants are immediately 100% vested in their contributions and earnings thereon. Company matching and profit-sharing contributions and earnings thereon follow a vesting schedule (see below). NOTE 1 - Description of Plan (Continued):

G. Withdrawals

The Plan allows for hardship withdrawals for uninsured medical expenses, tuition payments, purchase of a primary residence, prevention of eviction or foreclosure on a primary residence, expenses to repair damage to a principal residence that would qualify as a casualty loss, and payment for funeral or burial expenses of a parent, spouse, child or dependent. The Plan also allows for in-service withdrawals to participants who have attained age 59 1/2.

H. Participant Loans

Participants may borrow a minimum of \$1,000 up to a maximum of 50% of their vested account balance (not to exceed \$50,000). Repayments are over a period not to exceed 60 months, unless the loan is to be used to acquire a principal residence, in which case the loan is to be repaid within 15 years. Interest is fixed at the prime rate plus 1%. The maximum number of loans outstanding per participant is one.

NOTE 2 - Summary of Significant Accounting Policies:

A. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

B. Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make certain estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Notes Receivable from Participants

Loans to participants are reported at the unpaid principal balance plus any accrued interest.

D. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. (See Note 3) except for fully benefit-responsive investment contracts (FBRIC). Contract value (See Note 4) is the relevant measure for that portion of assets. Because contract value is the amount participants normally would receive if they were to initiate permitted plan transactions.

Changes in Fair Value are included in the Statement of Change in Net Assets. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Changes in Fair Value [net appreciation (depreciation)] includes gains (losses) on investments sold during the year as well as unrealized gains (losses) on investments held at year end.

E. Payments of Benefits

Benefit payments to participants are recorded upon distribution.

NOTE 2 - Summary of Significant Accounting Policies (Continued):

F. Expenses

Administrative expenses are paid by the Plan. Loan initiation and distribution fees are charged directly to participant accounts. Certain expenses of maintaining the Plan, such as audit fees, are paid by the Company and are therefore excluded from these financial statements.

G. Date of Management's Review of Subsequent Events

Subsequent events were evaluated through October 13, 2023, which is the date the financial statements were available to be issued. There were no subsequent events requiring recording or disclosure in the financial statements.

NOTE 3 – Fair Value Measurement:

In accordance with generally accepted accounting principles, the Plan established a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels as listed below:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 inputs consist of observable inputs other than quoted prices for the identical assets.
- Level 3 inputs consist of unobservable inputs and should be used only when Level 1 and Level 2 inputs are unavailable. Level 3 inputs have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure Fair Value of its investments. When available, the Plan measures Fair Value using Level 1 inputs because they generally provide the most reliable evidence of Fair Value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used when Level 1 or Level 2 inputs were not available. There are no Plan assets requiring Level 2 or Level 3 inputs for the periods presented.

Level 1 – Fair Value Measurement

Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1 inputs).

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Level 1</u>
Mutual Funds	<u>\$17,816,925</u>	<u>\$17,816,925</u>

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DECEMBER 31, 2022

NOTE 4 – Collective Trust Funds:

Fair value of these funds are measured using Net Asset Value (NAV) per share (or its equivalent) practical expedient and are not categorized within the fair value hierarchy.

NAV is based on the value of the underlying assets held by the fund, less its liabilities, and then divided by the number of shares outstanding.

NOTE 5 - Inactive Accounts:

Accounts of participants who have withdrawn from participation in the Plan, but for whom disbursement from the Plan has not been made totaled approximately \$2,000,000 at December 31, 2022.

NOTE 6 - Tax Status:

The Plan adopted a Prototype Plan which received a favorable Opinion Letter from the IRS dated June 30, 2020, specifying the form of the Plan satisfies the requirements of Code Section 401 and therefore is exempt from tax. The Plan has been amended since receiving the Opinion Letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The tax status of the Plan is subject to audit. Generally, years after January 1, 2020 are open to audit.

NOTE 7 - Plan Termination:

Although the Company has not expressed any intent to do so, it has the right under the Plan to terminate it at any time, subject to the provisions set forth in ERISA. In the event of termination participants will become 100% vested in their accounts.

NOTE 8 – Risks, Uncertainties and Concentrations:

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. It is likely that changes in the value of the mutual funds will occur in the near term and possible that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The Plan's assets, although diversified through investment in several different mutual funds, are all held by Capital Bank and Trust Company. The Plan is dependent on this Custodian for the safeguarding of its assets.

NOTE 9 – Legal Proceedings/Contingencies:

The Plan may engage legal counsel to defend it against such potential litigation matters whether asserted or anticipated as the Plan's management judges necessary in the circumstances. The Plan does not believe that there are any current actions that are either not covered by insurance or would have a material effect on its financial condition.

NOTE 10 – Related-Party and Party-In-Interest Transactions:

Certain Plan investments are managed by Capital Bank and Trust Company. They are the Custodian as identified by the Plan and, therefore, these transactions qualify as Party-In-Interest transactions.

NOTE 11 – Financial Information Certified by the Custodian:

Information related to investments and ERISA-required supplemental schedule held at December 31, 2022, including investment income for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company. the Plan's Trustee and Custodian.
