INDEPENDENT AUDITORS' REPORT

Plan Participants, Plan Administrator, and Pension Investment Committee
Anheuser-Busch 401(k) Savings and Retirement Plan
St. Louis, Missouri

Opinion

We have audited the financial statements of the Anheuser-Busch 401(k) Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Anheuser-Busch 401(k) Savings and Retirement Plan as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Anheuser-Busch 401(k) Savings and Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Anheuser-Busch 401(k) Savings and Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Anheuser-Busch 401(k) Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Anheuser-Busch 401(k) Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT

Plan Participants, Plan Administrator, and Pension Investment Committee
Anheuser-Busch 401(k) Savings and Retirement Plan
St. Louis, Missouri

Opinion

We have audited the financial statements of the Anheuser-Busch 401(k) Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Anheuser-Busch 401(k) Savings and Retirement Plan as of December 31, 2022 and 2021, and the changes in net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Anheuser-Busch 401(k) Savings and Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Anheuser-Busch 401(k) Savings and Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Anheuser-Busch 401(k) Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Anheuser-Busch 401(k) Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ANHEUSER-BUSCH 401(k) SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 And 2021

1. Plan Description

The following description of the Anheuser-Busch 401(k) Savings and Retirement Plan (the Plan) is provided for general informational purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Anheuser-Busch Companies, LLC (the Company) and certain subsidiaries of the Company and adopting employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Plan Administration

The Plan's named fiduciaries are the Company, as Plan Sponsor and Plan Administrator, and Vanguard Fiduciary Trust Company, as Trustee. As Plan Sponsor, the Company has the right to amend or terminate the Plan and designate the Plan's named fiduciaries. The Trustee has the authority to invest, manage and control the assets of the trust in accordance with the provisions of the Plan and the trust agreement.

Eligibility

The Plan permits immediate participation in the Plan for employees of a participating employer. Prior to December 1, 2020, hourly employees classified as part-time, seasonal and temporary who were required to complete one year of service, during which the employee worked 1,000 hours to become eligible for participation in the Plan. Participation by eligible employees is voluntary.

Contributions

A participant may contribute from 0.5% to 50% of base pay through payroll deductions for before-tax contributions and/or after-tax contributions, subject to limitations as set forth in the Plan Document and by the Internal Revenue Code (the Code). Contribution rates for certain highly compensated employees may be limited to satisfy nondiscrimination provisions of the Code.

ANHEUSER-BUSCH 401(k) SAVINGS AND RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

Participants who are at least age 50 may also make before-tax and Roth after-tax catch-up contributions to the Plan on an unmatched basis, subject to limitations as set forth by the Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company contributes a matching cash contribution amount to certain participants, up to a certain percentage of base pay contributed by a participant to the Plan. The Company also makes a nonelective contribution to certain participants, as defined in the Plan.

Vesting

Participants are immediately vested in their voluntary contributions and rollover contributions, plus investment earnings. Company contributions vest upon completion of three years of vesting service. Company contributions also vest upon certain circumstances including termination of employment by reason of death or permanent disability.

Forfeitures

Forfeitures result from a participant's termination of employment and account distribution before the participant is 100% vested in Company contributions. Forfeited amounts are used to reduce future Company contributions and approximately \$5,124,000 were used during the year ended December 31, 2022. As of December 31, 2022 and 2021, there was unused forfeitures of approximately \$800,000 and \$1,100,000, respectively.

Payment Of Benefits

The Plan permits in-service withdrawals subject to certain restrictions. Distributions for terminations are made in lump sums or installments and are comprised of the market value of participants' contributions and vested Company contributions.

**ANHEUSER-BUSCH 401(k)
SAVINGS AND RETIREMENT PLAN**

Notes To Financial Statements (*Continued*)

Notes Receivable From Participants

A participant may borrow from vested account balances, subject to certain conditions. The minimum loan amount is \$1,000; the maximum amount is the lesser of \$50,000 less the highest outstanding loan balance under the Plan during the one-year period ending on the day before the loan is made, or 50% of the vested account balance. A participant may have no more than two loans outstanding at any time. The interest rate for the life of the loan is set quarterly at the prime rate plus 1% as of the beginning of the quarter. The term of a loan for the purchase of a principal residence may be up to ten years; the term of a loan for any other reason may not exceed five years.

Plan Expenses

Administrative expenses incurred are charged to participant accounts.

Plan participants are charged for asset management fees based on fund balances. Asset management fees are accrued daily by the Trustee based on participant balances in each fund and are offset against investment income.

Plan Termination

The Company intends to continue the Plan. However, the Company may at any time and for any reason, subject to the provisions of ERISA, suspend or terminate the Plan provided that such action does not adversely affect the rights of any participant under the Plan. Such termination would result in the immediate and full vesting of each participant's account balance. The Trustee would then retain the assets until otherwise distributable under the Plan.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting with the exception of benefit payments, which are recorded when paid.

**ANHEUSER-BUSCH 401(k)
SAVINGS AND RETIREMENT PLAN**

Notes To Financial Statements (*Continued*)

Use Of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investments Valuation And Income Recognition

Investments are reported at fair market value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan Document.

**ANHEUSER-BUSCH 401(k)
SAVINGS AND RETIREMENT PLAN**

Notes To Financial Statements (*Continued*)

3. Fair Value Measurements

The Plan follows current accounting guidance, which provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

ANHEUSER-BUSCH 401(k) SAVINGS AND RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

The following is a description of the valuation methodologies used for investments measured at fair value:

Collective Trust Funds

Valued at net asset value (NAV) based on the market value of the underlying investment assets divided by the number of units outstanding at the end of the Plan year. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Registered Investment Companies

Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

A-B InBev Company ADR Fund

Plan investments include the A-B InBev Company ADR Fund (the ADR Fund), an employer securities fund. Participant investments that are directed to the ADR Fund are used to purchase Anheuser-Busch InBev American Depositary Receipts (ADRs), which represent the right to receive shares of Anheuser-Busch InBev common stock. Anheuser-Busch InBev ADRs are publicly traded in U.S. dollars on the New York Stock Exchange. Shares of Anheuser-Busch InBev common stock are publicly traded on the Euronext exchange.

The fair value of the Plan's interest in the ADR Fund is based on quoted market prices on the last day of the Plan year.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

SAVINGS AND RETIREMENT PLAN**

Notes To Financial Statements (*Continued*)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis as of December 31, 2022:

4. Tax Status Of The Plan

The Plan received a favorable determination letter from the Internal Revenue Service (IRS) dated May 11, 2017, indicating that the Plan qualifies under the applicable provisions of Section 401 of the Code, and is therefore exempt from federal income taxes. The Plan has been amended since the date of the determination letter. The Plan Administrator believes that the Plan has continued to be designed and operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Party In Interest Transactions

Plan investments include registered investment companies and units of collective trust funds managed by the Plan's Trustee. In addition, the Plan holds an investment in Company ADRs. Certain participants have outstanding loans as of December 31, 2022 and 2021. These transactions qualify as allowable party in interest transactions under ERISA.

6. Risks And Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect the amounts reported in the statement of net assets available for benefits.
