the Cabell Huntington Hospital, Inc. Non-Bargaining 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Cabell Huntington Hospital, Inc. Non-Bargaining 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cabell Huntington Hospital, Inc. Non-Bargaining 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cabell Huntington Hospital, Inc. Non-Bargaining 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cabell Huntington Hospital, Inc. Non-Bargaining 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cabell Huntington Hospital, Inc. Non-Bargaining 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cabell Huntington Hospital, Inc. Non-Bargaining 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CABELL HUNTINGTON HOSPITAL, INC.
NON-BARGAINING 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

A. Description of plan:

The following description of the Cabell Huntington Hospital, Inc. ("Company") Non-Bargaining 401(k) Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General:

The Plan, reinstated effective January 1, 2017, is a profit sharing plan covering all employees of the Company who are not represented by a bargaining unit. Employees become eligible when they have completed 90 days of service, and attain age 21. Employees become eligible for contributions other than elective deferral after one year of service.

2. Contributions:

Each participant may elect to defer a percentage, or dollar amount of their compensation, subject to maximum annual deferrals, in accordance with the provisions of the Plan. The Company shall make Qualified Non-Elective Contributions in an amount equal to 3% of compensation for the plan year for employees who were active participants at any time during the Plan year.

3. Vesting:

Participants of the Plan become 100% vested in their elective deferrals, qualified non-elective deferrals, qualified non-elective contributions, rollover contributions, transfer contributions, plus or minus any earnings or losses. A participant is 100% vested in any employer discretionary contributions made prior to January 1, 2017, after five years of credited service as defined in the Plan.

4. Payment of benefits:

If the vested account of the participant has never exceeded \$5,000, on termination of service, the amount equal to the value of the participant's vested interest in his or her account shall be payable in a single lump-sum.

If the vested account of the participant exceeds \$5,000 and employment is terminated, the participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of not more than his/her assumed life expectancy (or the assumed life expectancies of the participant and his/her beneficiary).

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

B. Summary of significant accounting policies:

1. Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Operating expenses:

All expenses of maintaining the Plan are paid by the Company.

4. Use of estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

5. Payment of benefits:

Benefits are recorded when paid.

C. Information prepared and certified by trustee:

The following is a summary of the unaudited information regarding the Plan, as included in the Plan's financial statements and supplemental schedule prepared by or derived from information reported by the trustee of the Plan for the years ended December 31, 2022 and 2021. The plan administrator has obtained certifications from Principal Trust Company, the trustee, that such information is complete and accurate as of the years ended December 31, 2022 and 2021 as follows:

	<u>2022</u>	<u>2021</u>
Investments, at fair value:		
Pooled separate accounts	\$ 204,593	\$ 307,761
Stable value funds	1,241,640	497,155
Mutual funds	<u>71,834,862</u>	<u>77,006,962</u>
	<u>\$ 73,281,095</u>	<u>\$ 77,811,878</u>

The net investment income (loss) for the year ended December 31, 2022 and 2021, was as follows:

	<u>2022</u>	<u>2021</u>
Net appreciation (depreciation) in fair value of investments	\$ (14,862,676)	\$ 7,512,265
Interest and dividends	<u>1,452,654</u>	<u>1,206,381</u>
Net investment income (loss)	<u>\$ (13,410,022)</u>	<u>\$ 8,718,646</u>

D. Fair value measurements:

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

CABELL HUNTINGTON HOSPITAL, INC.
NON-BARGAINING 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

D. Fair value measurements (Continued):

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements

The fair value is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

No Level 2 inputs were held by the Plan as of December 31, 2022 and 2021.

Level 3 Fair Value Measurements

No Level 3 inputs were held by the Plan as of December 31, 2022 and 2021.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts (CIT) are not publicly quoted pricing inputs. The fair values of all these investments are used in determining the NAV of the CIT, which is not publicly quoted. Accounting Standards Codification (ASC) 820 allows NAV per share to serve as a practical expedient to estimate the fair value of a CIT as long as certain requirements are met.

Pooled Separate Accounts (PSA) invest in a single mutual fund or international stocks. The fair value of the mutual fund is a publicly quoted pricing input used in determining the NAV of the PSA, which is not publicly quoted. The international stocks have observable Level 1 or 2 pricing inputs, including quoted prices for similar assets in active or non-active markets. ASC 820 allows NAV per share to serve as a practical expedient to estimate the fair value of a PSA as long as certain requirements are met.

Principal Stable Value Fund is a stable value CIT for which the NAV is based on the contract value. Investments held by a CIT are required to be reported at fair value, however, contract value is the relevant measurement characteristic for that portion of the net assets of a CIT attributable to fully benefit-responsive investment contracts. The fair value of conventional contracts is determined using a discounted cash flow methodology where the individual contract cash flows are discounted at the prevailing interpolated yield curve rate as of year-end. Individual assets of the synthetic investment contract are generally valued at representative quoted market prices. Short-term securities, if any, are stated at amortized cost, which approximates market value. Debt securities are valued on the basis of valuations furnished by a pricing service approved by the trustee, which determines valuations using methodology generally recognized by institutional traders. ASC 820 allows NAV per share to serve as a practical expedient to estimate the fair value of a CIT as long as certain requirements are met.

F. Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

G. Tax status:

The Internal Revenue Service (IRS) has ruled that the Plan qualifies under section 401(a) of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under the present income tax laws. The Plan is required to operate in conformity with the IRC to maintain its qualification and the Company is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. With few exceptions, as of December 31, 2022, the plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

CABELL HUNTINGTON HOSPITAL, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

H. Risks and uncertainties:

The Plan provides for participant directed investment options in any combination of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

I. Plan amendments:

Amendment No.1

The Plan was amended, effective October 1, 2011, to have an automatic salary deferral feature equal to 3% of compensation. The automatic deferral provisions apply to employees who become participants on or after the effective date of the automatic deferral provisions. For those participants in the Plan as of the effective date of the automatic deferral provisions, the automatic deferral provisions apply to all participants, except those who have a salary deferral agreement in effect on the automatic deferral provisions effective date.

Amendment No.2

The Plan was amended effective February 28, 2012, to exclude physicians.

Amendment No.3

The Plan was amended effective February 28, 2012, to exclude casual and PRN employees.

Amendment No.4

On October 11, 2012, the Plan was amended to correct Amendment No. 1, which reflected incorrect automatic enrollment provisions. The amendment became effective October 1, 2011, the effective date of Amendment No. 1. This amendment corrected the automatic deferral election procedure established in Amendment No. 1, to only include employees hired on or after the effective date, October 1, 2011.

J. Party-in-interest and related party transactions:

The Company provides for certain professional services, including legal, accounting, and auditing services, on behalf of the Plan at no cost to the Plan.

Certain Plan investments are managed by Principal Trust Company. Principal Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan amounted to \$150,429 and \$257,189 for the years ended December 31, 2022 and 2021, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
