Independent Auditor's Report

Opinion

We have audited the accompanying financial statements of Multicon Builders, Inc. Welfare Plan (The Plan), an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA). The financial statements comprise the statements of net assets available for benefits and benefit obligations – modified cash basis as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits and benefit obligations – modified cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations – modified cash basis of Multicon Builders, Inc. Welfare Plan as of December 31, 2022 and 2021 and the changes in net assets available for benefits and benefit obligations – modified cash basis for the years then ended, in accordance with the modified cash basis of accounting described in the accompanying notes to the financial statements.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to the accompanying notes to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

MULTICON BUILDERS, INC. WELFARE PLAN

Notes to Financial Statements December 31, 2022 and 2021

Description of Plan

The following description of the Multicon Builders, Inc. Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan provides health, dental, vision and prescription drug benefits to employees and their dependents of Edwards Companies (Plan Sponsor), subsidiaries and/or affiliates, who participate. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The cost of coverage is shared between the Plan Sponsor and the individual participants. Employee and COBRA contributions are determined by the trustees of the Plan in consultation with the Plan's third party administrator. The Plan Sponsor is responsible for funding the difference to enable claims to be paid in a timely fashion. The Plan Sponsor also pays for certain administrative expenses on behalf of the Plan and provides administrative support for the Plan.

Payment of Benefits

The Plan covers all eligible employees who meet the participation requirements of a Component Benefit Program as set forth in a Summary Plan Description or a Certificate of Insurance.

During 2022 and 2021, current claims of active participants and their dependents and beneficiaries are provided for under group insurance contracts with Anthem Blue Cross and Blue Shield (Anthem). Claim payments are recorded when paid by Anthem.

Stop Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured medical benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with another comprehensive basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, incurred but not reported claims, claims payable and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

MULTICON BUILDERS, INC. WELFARE PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Summary of Significant Accounting Policies (continued)

Basis of Accounting

The financial statements of the Plan are prepared using the modified cash basis of accounting. Therefore, contributions from participants and the employer are recognized as income when cash is received and claims, premiums, administrative and other expenses are recognized when paid. However, claims incurred but unpaid at year-end are reported as benefit obligations. The financial statements of the Plan are not intended to be a presentation in conformity with generally accepted accounting principles in the United States of America (GAAP). However, certain information is presented in accordance with GAAP.

Stop Loss

The plan maintains insurance for stop-loss coverage for health claims at both an individual and aggregate level. Credits from stop-loss coverage during 2022 and 2021 were \$37,973 and \$31,082, respectively, and have been included within health care benefits paid in the accompanying financial statements.

Concentration of Credit Risk

Cash is held in an interest bearing checking account at one financial institution. The Plan occasionally maintains cash deposits in excess of federally insured limits.

Benefit Obligations

Benefit obligations at December 31, 2022 and 2021 are related to medical claims payable that are currently due and claims incurred but not yet reported to the Plan for active participants. The obligations are estimated primarily based on the most recent year's claims experience. Actual results could differ from the estimated benefit obligation.

Administrative Expenses

Anthem provides custodial and administrative services related to the medical benefit payments of the Plan. All medical benefit claims are managed, evaluated for propriety and disbursed by Anthem.

Plan Termination

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and non-discriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

MULTICON BUILDERS, INC. WELFARE PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Tax Status

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code, and accordingly, the Trust's net investment income is exempt from income taxes. The Company has obtained a favorable tax determination letter from the Internal Revenue Service, and the Company believes that the Plan continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Party-in-Interest Transactions

The Plan pays Anthem certain third party administrator fees. Therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

Subsequent Events – Date of Management's Evaluation

Management has evaluated subsequent events through the date of the Independent Auditor's Report, the date on which the financial statements were available to be issued.
