Report of Independent Auditors

The Plan Administrator and Participants
The 401(k) Plan for Permanente Medical Groups

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The 401(k) Plan for Permanente Medical Groups (the Plan and formerly the SCPMG Physicians' 401(k) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

A member firm of Ernst & Young Global Limited

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a

A member firm of Ernst & Young Global Limited

material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 (referred to as the "supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The 401(k) Plan for Permanente Medical Groups

Notes to Financial Statements

December 31, 2022

1. Description of Plan

The following description of The 401(k) Plan for Permanente Medical Groups (the Plan) provides only general information. Participants should refer to the plan document for a complete description of the Plan.

General

The Plan is a defined contribution plan created to provide supplemental retirement income with income-tax-deferred savings for the physicians of the Southern California Permanente Medical Group (SCPMG), The Southeast Permanente Medical Group of Georgia, Inc. (TSPMG), Hawaii Permanente Medical Group, Inc. (HPMG), and Pacific Permanente Group, LLP (PPG) (collectively, the Participating Companies.) The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (ERISA) and is in conformity with all subsequent applicable law changes. Generally, SCPMG physicians become eligible to participate in the Plan upon six months of service and TSPMG participants are eligible as of their date of hire.

Contributions

The Plan provides that the participants may contribute from 1% to 75% of their income annually, not to exceed limits imposed by the Internal Revenue Service (IRS). The Plan provides for Roth deferrals, Roth conversions, and Roth rollovers. TSPMG participants will receive an employer contribution of 1.25% of their eligible compensation and TSPMG may make discretionary employer contributions to eligible TSPMG participants. For each plan year, HPMG and PPG participants who satisfy the eligibility requirements may receive matching contributions in an amount equal to a total discretionary percentage of each such participant's pretax and Roth contributions for each pay period. For each plan year, HPMG or PPG may decide to make a discretionary profit-sharing contribution to the Account of each HPMG Participant or PPG Participant who has satisfied the eligibility requirements. An HPMG Eligible Employee or a PPG Eligible Employee who is an HPMG Hourly Non-Exempt Employee or a PPG Hourly Non-Exempt Employee shall become an Active Participant eligible for the Matching Contribution on the first of the month coincident with or immediately preceding the date on which such Employee is credited with two years of Eligibility Service.

No discretionary employer contributions were made in 2022.

1. Description of Plan (continued)

Participant Accounts

Individual accounts are maintained for each participant. Participants direct the investment of contributions into various investment options offered by the Plan. Each account is credited with contributions and an allocation of plan earnings based on account balances, as defined.

Vesting

SCPMG, HPMG, and PPG participants shall at all times be fully 100% vested in their pretax, Roth, after-tax, and rollover contributions. TSPMG participants become 100% vested in their employer contributions account upon completion of three years of service.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 generally up to a maximum equal to the lesser of one-half of the participant's vested account balance or $50,000. Loan terms range up to 5 years, or up to 15 years if for the purchase of a primary residence. Loan transactions are treated as a transfer between the investment fund and the loan fund. The loans are secured by the balance in the participant's account and bear interest at 1% plus the prevailing Federal Reserve Bank prime rate (7.50% and 3.25% at December 31, 2022 and 2021 respectively) at the end of the month prior to the time the loan is made. The interest rate is fixed for the duration of the loan, and the principal and interest are paid ratably through payroll deductions. Each loan under the former TSPMG, TSR, and HPMG Plans that were transferred to the Plan as a result of prior mergers shall remain subject to the same terms and conditions unless the plan administrator determines otherwise.

Payment of Benefits

The full value of the participant's account is available for withdrawal as allowed under the Plan at age 59 1/2, retirement, termination of employment, death, disability, or financial hardship. After-tax and rollover contribution withdrawals are also permitted under the Plan. Withdrawals can be made by either the participant or his or her beneficiary (in some circumstances) as allowed under the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accounting records of the Plan are maintained in conformity with accounting principles generally accepted in the United States (U.S. GAAP). Charles Schwab Trust Bank (the Trustee) is engaged as trustee under the Trust Agreement for the retirement plans sponsored by SCPMG. The accompanying financial statements relating to the Plan have been prepared from information supplied by the Trustee.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment options in mutual funds, common/collective trust funds, self-directed brokerage accounts, and a guaranteed investment contract (GIC). Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Benefit Payments

Benefit payments are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are recorded when they are incurred.

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments held by the Plan (except for fully benefit-responsive investment contracts) are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 5 for further discussion and disclosures related to fair value measurements.

The Metropolitan Life Insurance Company (Metropolitan) GIC is fully benefit responsive (see Note 7). This GIC is recorded at contract value, which is the relevant measurement attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value represents contributions plus earnings, less participant withdrawals and administrative expenses.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Expenses

Certain expenses incurred in maintaining the Plan are allocated to participant accounts based on the value of the participant's individual account.

Subsequent Events

Management evaluated subsequent events for the Plan through October 13, 2023, the date the accompanying financial statements were available to be issued.

3. Information Certified by Trustee

All information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest from notes receivable from participants for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Trust Bank (the Trustee).

4. Investments at Fair Value

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability.

Level 3 – Significant unobservable inputs for the asset or liability (i.e., supported by little or no market activity).

Following is a description of the valuation methodologies for assets measured at fair value:

(i) *Mutual funds, common stock, and short-term investments* – Valued at the closing price reported on the active market for which the individual securities are traded.

4. Investments at Fair Value (continued)

(ii) *Common/collective trust funds* – The common/collective trust funds have readily determinable fair values because the underlying investments are equity securities in a structure similar to a mutual fund in which the fair values per unit are determined and published and are the basis for current transactions. The Plan measures the investments at the published NAV because it concludes that the quoted NAV per unit represents the price at which the investments would be sold in transactions between independent market participants.

(iii) *Self-directed brokerage accounts* – Investments in the self-directed brokerage accounts consist of common stock, mutual funds, exchange-traded funds, limited partnerships, certificates of deposit, interest-bearing cash, preferred stock, corporate bonds, and U.S. government securities, valued at the closing price reported on the active market for which the individual securities are traded. Common stock, mutual funds, exchange-traded funds, preferred stock, and limited partnerships are based on quoted market prices on the last trading day of the plan year or the net asset value of units held by the Plan. Interest-bearing cash is estimated based on a cost approach with cost approximating fair value. Common stock, mutual funds, exchange-traded funds, preferred stock, limited partnerships, and interest-bearing cash are categorized as Level 1 in the fair value hierarchy. Certificates of deposit are estimated based on a cost approach using inputs observable in active markets for similar securities. Corporate bonds and U.S. government securities are estimated using an income approach based on pricing models with inputs based upon comparative investments. Certificates of deposit, corporate bonds, and U.S. government securities are categorized as Level 2 in the fair value hierarchy.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets carried at fair value:

	Assets at Fair Value as of December 31, 2022

Total investments at fair value	$ 5,125,597,278	$ 1,210,369	$ –	$ 5,126,807,647

5. Plan Termination

While they have not expressed any intention to do so, Participating Companies have the right under the Plan to terminate their participation in the Plan and to discontinue their contributions subject to the provisions of ERISA. In the event of such termination in the Plan, participants will become 100% vested in their accounts.

6. Income Tax Status

The Plan has received a determination letter from the IRS dated June 28, 2017, stating that the Plan is qualified, under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator has indicated it will take the necessary steps, if any, to bring the Plan's operations into compliance with the Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Annuity Contract with Insurance Company

In 1997, the Plan entered into a benefit-responsive GIC with Metropolitan. Metropolitan maintains the contributions in a separate account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIC issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1%. Such interest rates are reviewed on an annual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (iii) bankruptcy of the plan sponsor or other plan sponsor events (e.g., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such event that would limit the Plan's ability to transact at contract value with participants is probable.

The GIC does not permit Metropolitan to terminate the agreement prior to the scheduled maturity date.

8. Party-in-Interest Transactions

The Plan or Participating Companies pays administrative expenses, including record-keeping and trustee fees, to the Trustee and its affiliates. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.
