Independent Auditor's Report

RSM US LLP

Plan Committee and Trustees
Fragomen, Del Rey, Bernsen & Loewy, LLP 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Fragomen, Del Rey, Bernsen & Loewy, LLP 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with modified cash basis of accounting as described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant

ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on a modified cash basis of accounting, which is a basis other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting as described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, line 4a—schedule of delinquent participant contributions for the year ended December 31, 2022 and Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1. Plan Description

The following description of Fragomen, Del Rey, Bernsen & Loewy, LLP 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established by Fragomen, Del Rey, Bernsen & Loewy, LLP (the Partnership) in order to provide eligible employees with an additional source of retirement income and survivor benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In June 2020, the Partnership acquired a controlling interest in Nomadic. Effective February 1, 2021, Nomadic was added to the Plan as a participating employer.

Eligibility: Each employee becomes eligible to participate once they have been employed for 30 days and have attained age 21.

Contributions: The Plan provides that each participant, who has met eligibility requirements, as defined, may contribute to the Plan and elect to defer a percentage or an amount of their eligible compensation, as defined, on a pretax basis or after-tax basis not to exceed the maximum allowable under the Internal Revenue Code (IRC) for any plan year (\$20,500 for 2022). Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions (\$6,500 for 2022). The Partnership determines, prior to the beginning of each plan year, whether and to what extent to make a matching contribution on behalf of the participants who make a pretax or after-tax contribution in each plan year. For 2022, the Partnership elected to match up to 20% of participant contributions. The Partnership determines, prior to the beginning of each plan year, whether and to what extent to make a profit-sharing contribution. In order to be eligible, the participant must have completed 500 hours of service during the plan year. For 2022, there was no profit-sharing contribution to participants.

Participant accounts: Each participant makes self-directed elections to have his or her account balances invested in one or more investment funds. Investment elections can be changed on a daily basis. Each participant's account is credited with the participant's contribution, employer contributions and an allocation of the Plan earnings. Allocations of the profit-sharing contribution are based on participant compensation as a percentage of total compensation paid to all participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: The balance in each participant's pretax or after-tax (Roth) contribution account and any rollover contribution account including earnings thereon are fully vested at all times. The nonforfeitable percentage of the balances in each participant's employer matching and profit-sharing contribution accounts are determined based on years of continuous service. A participant whose participation in the Plan terminates before they are fully vested for any reason other than retirement, disability or death, shall forfeit any portion of their interest in the Plan which is not vested. In the event of the death of a participant while serving in the military, credit for vesting is given during the period of military service.

Fragomen, Del Rey, Bernsen & Loewy, LLP 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 1. Plan Description (Continued)

A participant is 100% vested in employer contributions after five years of credited service in accordance with the following schedule:

Years of Service	Vested Percentage
Less than 1	0%
1	0%
2	20%
3	40%
4	60%
5	100%

Notes receivable from participants: Participants may borrow from their vested account balances an amount up to the lesser of \$50,000 or 50% of their account balance. Participants cannot have more than two loans outstanding at any time, and no loan may be for an amount less than \$1,000. The maximum loan term is five years unless the loan is for the purchase of a primary residence for which the maximum loan term is 15 years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined from time to time by the Plan Administrator. Principal and interest are paid ratably through payroll deductions or other methods as approved by the Plan Administrator. Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. As of December 31, 2022, the annual interest rates ranged from 4.25% to 8.00%.

Payment of benefits: On termination of service due to retirement, resignation, dismissal or death, a participant's account balance is distributed to the participant or designated beneficiary by payment in a lump sum for accounts valued at less than \$1,000. For accounts valued in excess of \$1,000, the participant may elect to remain in the Plan, withdraw a lump-sum payment, or withdraw equal monthly payments over a fixed period. For accounts valued in excess of \$5,000, the participant may also elect to require the Plan to purchase an annuity from an insurer.

Forfeitures: Forfeitures are used to reduce future employer contributions or pay Plan expenses. Forfeited nonvested amounts totaled \$490,428 and \$247,309 at December 31, 2022 and 2021, respectively. During 2022, \$55,510 was used to pay administrative expenses. No forfeitures were used to reduce the employer contributions during 2022 as stated in the plan document. Accumulated forfeitures will be applied to pay administrative expenses and/or reduce employer contributions in 2023.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The accompanying financial statements have been prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Contributions to the Plan are recognized when received, and deductions from net assets are recognized when paid. Investments are valued at fair value in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820.

Use of estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments and related earnings are stated at fair market values as reported to the Plan by the trustee of the Plan, Empower Trust Company, LLC, (the Trustee) as of December 31, 2022 and 2021, and for the year ended December 31, 2022. Participant accounts are represented by contributions, plus earnings, less participant withdrawals and administrative expenses. Purchases and sales of securities are recorded on a trade-date basis. Dividends and interest are recorded upon receipt. See Note 4 for discussion of fair value measurements.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Partnership and are excluded from these financial statements. Administrative expenses include fees related to the administration of notes receivable that are charged directly to the participant's account and certain record-keeping fees paid by the Plan. Investment-related expenses are included in net depreciation in fair value of investments.

Recent accounting pronouncement: In June 2016, the FASB issued Accounting Standards Update (ASU) 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, which creates a new credit impairment standard for financial assets measured at amortized cost and available-for-sale debt securities. The ASU requires financial assets measured at amortized cost (including loans, trade receivables and held-to-maturity debt securities) to be presented at the net amount expected to be collected, through an allowance for credit losses that are expected to occur over the remaining life of the asset, rather than incurred losses. The ASU requires that credit losses on available-for-sale debt securities be presented as an allowance rather than as a direct write-down. The measurement of credit losses for newly recognized financial assets (other than certain purchased assets) and subsequent changes in the allowance for credit losses are recorded in the statement of income as the amounts expected to be collected change. ASU 2016-13, as amended, is effective for the Plan for fiscal years beginning after December 15, 2022. The Plan is currently evaluating the impact of adopting this amendment on its financial statements and does not expect the impact to be significant.

Note 3. Information Certified or Provided by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the Trustee and furnished to the Plan Administrator. During 2022, Great-West Trust Company, LLC changed its name to Empower Trust Company, LLC. The Plan Administrator has obtained certifications from the Trustee that information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and supplemental schedule related to the following assets:

	December 31	
	2022	2021
Investments at fair value:		
Mutual funds	\$ 216,517,426	\$ 252,320,394
Common collective trust	13,070,889	12,041,822
Self-directed brokerage accounts	6,021,193	8,656,856
	<u>\$ 235,609,508</u>	<u>\$ 273,019,072</u>
Notes receivable from participants	<u>\$ 2,038,139</u>	<u>\$ 1,698,995</u>

The Trustee also certified to the completeness and accuracy of \$60,477,504 of net depreciation in fair value of investments, \$9,879,121 of dividends, and \$83,475 of interest income on notes receivable from participants related to the aforementioned plan assets for the year ended December 31, 2022.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Fragomen, Del Rey, Bernsen & Loewy, LLP 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the best level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts (SDBAs): SDBAs primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices. The mutual funds and common stocks held in these accounts are deemed to be actively traded.

Common collective trust: Units held in collective trusts are valued using the NAV practical expedient of the collective trust as reported by the collective trust managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the collective trust, minus liabilities, and then divided by the number of units outstanding. The NAV practical expedient of a collective trust is calculated based on a compilation of primarily observable market information.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Description	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 216,517,426	\$ -	\$ -	\$ 216,517,426
Self-directed brokerage accounts	6,021,193	-	-	6,021,193
	<u>\$ 222,538,619</u>	<u>\$ -</u>	<u>\$ -</u>	<u>222,538,619</u>
Investment measured at NAV (a)				13,070,889
				<u>\$ 235,609,508</u>

Description	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 252,320,394	\$ -	\$ -	\$ 252,320,394
Self-directed brokerage accounts	8,656,856	-	-	8,656,856
	<u>\$ 260,977,250</u>	<u>\$ -</u>	<u>\$ -</u>	<u>260,977,250</u>
Investment measured at NAV (a)				12,041,822
				<u>\$ 273,019,072</u>

(a) In accordance with the Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits (modified cash basis).

Fragomen, Del Rey, Bernsen & Loewy, LLP 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

There have been no changes in the methodologies used at December 31, 2022 and 2021. The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is estimated using NAV per share (or its equivalent) as a practical expedient as of December 31, 2022 and 2021.

Investment	Fair Value		Unfunded Commitment	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
	2022	2021			
Galliard Stable Return Fund C (formerly Wells Fargo Stable Value Fund C) (a)	\$ 13,070,889	\$ 12,041,822	None	Daily	None

- (a) The objective of the fund is to provide investors with a moderate level of stable income without principal volatility.

Note 5. Related Party and Party-in-Interest Transactions

Empower Retirement is the record keeper and Empower Trust Company, LLC is the Trustee, as defined by the Plan; therefore, any transactions with these entities qualify as party-in-interest transactions. Participant loan transactions are also party-in-interest transactions.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7. Tax Status

The Plan is based on the non-standardized pre-approved Profit Sharing Plan with CODA (cash or deferred arrangement) document sponsored by Great-West Trust Company, LLC. The pre-approved plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the pre-approved plan was designed in accordance with provisions of the IRC. The Plan has not yet filed for its own determination letter from the IRS. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes due from the Plan has been included in the Plan's financial statements.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. In the event the Plan is subject to interest and/or penalties, interest would be included as a component of interest expense, and penalties would be included as a component of administrative expenses.

Fragomen, Del Rey, Bernsen & Loewy, LLP 401(k) Profit Sharing Plan

Notes to Financial Statements

Note 8. Risk and Uncertainties

The Plan is permitted to invest in a combination of stocks and bonds, fixed income securities, mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near-term would materially affect the amounts reported in the statements of net assets available for benefits (modified cash basis) and the statement of changes in net assets available for benefits (modified cash basis).

Note 9. Prohibited Transactions

During 2022, the Partnership inadvertently failed to deposit \$107,016 of participant contributions within the required timeframe as stated by the DOL regulation. The Partnership intends to deposit lost earnings to correct this failure in 2023. The Partnership will file Form 5330 and pay applicable excise tax to the IRS. The correction and any excise taxes, if applicable, will be made from the Partnership's assets and not from the assets of the Plan.

Note 10. Subsequent Events

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.

The Partnership's Executive Committee elected to suspend the employer match effective July 1, 2023.
