INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of the
San Carlos Apache Tribal Gaming Enterprise and
Affiliated Companies 401(k) Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the San Carlos Apache Tribal Gaming Enterprise and Affiliated Companies 401(k) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net position available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net position available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, *Schedule H, Line 4a – Schedule of Delinquent Participant Contributions* and *Schedule H, Line 4i – Schedule of Assets (Held at End of Year)*, as of December 31, 2022 and for the year ended, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note 1: Description of the Plan

The following description of the San Carlos Apache Tribal Gaming Enterprise and Affiliated Companies 401(k) Plan and Trust (the "Plan"), formerly Apache Gold Casino Resort 401(k) Plan and Trust, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all full-time employees of the San Carlos Apache Tribal Gaming Enterprise and the San Carlos Apache Tribal Public Recreation Services Authority. An employee will be eligible to participate in the Plan upon reaching the age of twenty-one and upon being credited with one year of service or, if earlier, six consecutive calendar months of employment with the employer or an affiliated employer during the eligibility computation period. The participant will be able to enter the Plan on the first day of the payroll period following the date that they satisfied the requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The San Carlos Apache Tribal Gaming Enterprise and Affiliated Companies 401(k) Plan and Trust Committee (the "Committee") is responsible for the general administration of the Plan. The Plan assets are held in a trust fund established with Charles Schwab Trust Bank (the "Trustee"), while Alliance Benefit Group Southwest, LLC is the recordkeeper for the Plan.

Contributions – Each year, participants may elect to defer a percentage of their compensation, as defined by the Plan, up to the maximum allowable limits established by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Auto-enrollment provisions are included in the Plan and therefore participants must sign a statement accepting or declining to participate in the Plan after meeting the Plan qualifications for participation. If not, then 1% of employee's compensation will automatically be withheld each pay period. The Plan may make discretionary, matching contributions up to 50% of the first 6% of an employee's contributions, as determined by the Plan Sponsors. Matching contributions are subject to certain limitations.

Investments – Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options anytime throughout the year. If a participant does not elect an investment option at the time of enrollment, their contributions are invested in the applicable lifecycle fund based on the participant's age until the participant changes their election. The Plan's contributions are allocated in the same manners as that of the participant's elective contributions.

Participant Accounts – Each participant account is credited with the participant's contribution and allocations of (a) the matching contribution and (b) Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is a benefit that can be provided from the participant's vested account.

Note 1: Description of the Plan (Continued)

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employers' matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after 3 years of credited service.

<u>Years of Service</u>	<u>Percentage Vested</u>
1	25%
2	50%
3	100%

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. The loans are secured by the balance in the participant's account and bear interest at 1% over the prime rate. Principal and interest is paid ratably through bi-weekly payroll deductions. During the year ended December 31, 2022, the Plan was amended to allow participants to obtain a second loan with a current loan outstanding.

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant or designated beneficiary may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A participant's account will become 100% vested due to death or disability prior to termination of employment.

In-service withdrawals are available in certain circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. These withdrawals are included with benefits paid and may not exceed the participant's elective deferral contributions plus allocated earnings and vested benefits. After making a hardship withdrawal, a participant is suspended from making additional contributions for a period of six months from the effective date of the withdrawal.

Forfeitures – Forfeitures are used to reduce either the employer's contribution or to reduce the Plan's administrative expenses. At December 31, 2022 and 2021, the amount in the forfeitures account was \$800 and \$10, respectively.

Note 2: Summary of Significant Accounting Policies

The following significant accounting policies were used to prepare the financial statements in accordance with generally accepted accounting principles.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Generally accepted accounting principles include statements from the Governmental Accounting Standards Board (GASB), as well as other guidance provided by the American Institute of Certified Public Accountants' Audit and Accounting Guide, *Employee Benefit Plans*.

AFFILIATED COMPANIES 401(k) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note 2: Summary of Significant Accounting Policies (Continued)

During 2022, the Plan implemented GASB Statement 92, *Omnibus 2020*, the objective of which is to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing practice issues that have been identified during implementation and application of certain GASB statements. Implementation of this statement did not have a significant impact on the Plan's financial statements.

In April 2022, GASB issued Statement No. 99, *Omnibus 2022*. The objectives of this statement are to enhance comparability in accounting and financial reporting and to improve the consistency of authoritative literature by addressing (1) practice issues that have been identified during implementation and application of certain GASB Statements and (2) accounting and financial reporting for financial guarantees. GASB Statement No. 99 becomes effective as follows: (a) the requirements in paragraphs 26-32 of this statement are effective upon issuance, (b) the requirements in paragraphs 11-25 of this statement becomes effective for the Plan for the 2023 reporting period, (c) the requirements in paragraphs 4-10 of this statement becomes effective for the Plan for the 2024 reporting period.

In June 2022, GASB issued Statement No. 100, *Accounting Changes and Error Corrections—an amendment of GASB Statement No. 62*. The objective of this statement is to enhance the accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability. GASB Statement No. 100 becomes effective for the Plan for the 2024 reporting period.

The effect of the future adoption of GASB Statements No. 99 and No. 100 on the Plan's financial statements has not been evaluated as of the date of this report.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therewith, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, as certified by the Plan's custodian, Charles Schwab Trust Bank. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Fully benefit-responsive investments are reported at contract value. Contract value is the most relevant measurement attribute because it is the amount that participants in a plan would receive in a permitted participant-initiated transaction.

Purchases and sales of securities are reported on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought or sold as well as held during the year.

AFFILIATED COMPANIES 401(k) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note 2: Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances. Interest income is credited to the participants' accounts when received. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan payments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants at December 31, 2022 and 2021, totaled \$5,830 and \$447, respectively. Excess contributions payable represents amounts payable to participants for contributions in excess of amounts allowed by the IRS and is recorded as a liability with a corresponding reduction in contributions. The Plan distributed the December 31, 2022 and 2021 excess contributions to the applicable participants prior to March 15, 2023 and 2022, respectively.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Expenses of maintaining the Plan are paid through Plan assets, forfeitures, or by the Plan Sponsors.

Date of Management's Review

Subsequent events were evaluated through October 11, 2023, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

The Plan's investments, other than the fully benefit-responsive investment contract, are reported at fair value in the accompanying statements of net position available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

GASB Statement No. 72, *Fair Value Measurement and Application*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under GASB Statement No. 72 are described as follows: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs only when Level 1 inputs are not available to the Plan. There were no Level 2 and 3 inputs required to be used by the Plan.

Note 3: Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

The fair value of mutual funds is valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

December 31, 2022	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
Mutual funds:		
Target date funds	\$ 3,531,744	\$ 3,531,744
Income funds	89,098	89,098
Total investments, at fair value	<u>\$ 3,620,842</u>	<u>\$ 3,620,842</u>

December 31, 2021	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
Mutual funds:		
Target date funds	\$ 4,187,935	\$ 4,187,935
Income funds	82,665	82,665
Total investments, at fair value	<u>\$ 4,270,600</u>	<u>\$ 4,270,600</u>

Note 4: Investments

Investments representing 5% or more of net position available for benefits consisted of the following as of December 31, 2022 and 2021:

	2022	2021
Vanguard Target Retirement 2020	\$ 612,983	\$ 729,016
Vanguard Target Retirement 2030	\$ 1,141,786	\$ 1,299,364
Vanguard Target Retirement 2040	\$ 745,000	\$ 852,701
Vanguard Target Retirement 2050	\$ 547,930	\$ 725,693

For the years ended December 31, 2022 and 2021, the Plan's investments, including gains and losses on investments bought and sold as well as held during the year, appreciated (depreciated) in value by \$(709,121) and \$482,749, respectively.

Note 5: Fully Benefit-Responsive Investment Contract

The Reliance Trust Stable Value Fund (the "Fund") is designed to deliver safety and stability by preserving principal and accumulating earnings. The Fund invests in fully benefit-responsive investment contracts, consisting primarily of guaranteed investment contracts and synthetic investment contracts. The Fund owns several investment contracts with varying rates and maturity dates.

The Fund meets the fully benefit-responsive criteria and therefore is reported at contract value. Contract value, as reported to the Plan by Reliance, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Average Yields:	<u>2022</u>	<u>2021</u>
Based on actual earnings	2.49%	2.03%
Based on interest rate credited to participants	2.49%	2.03%

Note 6: Notes Receivable from Participants

Note 8: Investment Information Prepared and Certified the Custodian

Management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including cash, investments, fully benefit-responsive investment contracts, and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest income on notes receivable from participants, and administrative expenses for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank (the custodian of the Plan).

The Plan's independent certified public accountants did not perform auditing procedures with respect to the above information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets.

Note 9: Related Party/Party-in-Interest Transactions

Certain Plan investments are pooled separate accounts managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank is the custodian as defined by the Plan and, therefore, these transactions qualify as related party/party-in-interest transactions.

Fees paid by the Plan to Alliance Benefit Group Southwest, the third-party administrator, are netted against Plan forfeitures. The Plan paid \$16,630 and \$17,655 to Alliance Benefit Group Southwest during the years ended December 31, 2022 and 2021, respectively, for services provided. Also, certain administrative functions are performed by employees of the Plan sponsors on behalf of the Plan.

**SAN CARLOS APACHE TRIBAL GAMING ENTERPRISE AND
AFFILIATED COMPANIES 401(k) PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

Note 10: Tax Status

On August 24, 2016, the Plan received a favorable determination letter from the IRS. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 11: Plan Termination

Although it has not expressed any intent to do so, the Plan sponsors have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts and all accounts will be distributed in a lump sum.

Note 12: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net position available for benefits.

Note 13: ERISA Fidelity Bond

ERISA requires that every employee benefit plan obtain a fidelity bond to protect the Plan against theft of Plan assets by fiduciaries and other Plan officials. The amount of the bond is fixed at the beginning of the Plan year, in an amount that is not less than 10% of the Plan assets as of the beginning of the Plan year, up to a maximum bond requirement of \$500,000. Bonds were in place during the years ending December 31, 2022 and 2021.

Note 14: Delinquent Participant Remittances

During the years ended December 31, 2022 and 2021, the Plan Sponsors erroneously failed to remit certain participant salary deferrals aggregating to \$652,120 and \$607,567, respectively, to the Plan in a timely manner, as defined by ERISA. These contributions are considered non-exempt party-in-interest transactions that may result in the imposition of a 15% excise tax on the amount of transactions. The Plan Sponsors intend to pay any fines imposed, including the excise tax, resulting from these late remittances. The Plan Sponsors also intend to compensate participants for lost income resulting from the delay in remitting the contributions. The Plan Sponsors believe that these non-exempt transactions will not affect the tax status determination of the Plan.
