Auditors:

This representation letter is provided in connection with your audit of the financial statements and Employee Retirement Income Security Act of 1974 (ERISA)-required supplemental schedules, if any, (collectively, the “Financial Statements”) of BCS Automotive Interface Solutions U.S. LLC 401(k) Savings Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the Financial Statements.

We elected to have the audit of the plan’s Financial Statements performed in accordance with the ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). We acknowledge that our audit did not extend to any statements or information related to investment information as certified by a qualified institution, in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

We accept responsibility for the preparation and fair presentation of the Financial Statements in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule(s), if any, in accordance with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. We believe that the ERISA-required supplemental schedule(s), including their form and content, are presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

We acknowledge our responsibility for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the plan’s transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

We acknowledge our responsibility for the completeness of the financial statements, and design,

implementation, and maintenance of internal control relevant to the preparation and fair presentation of Financial Statements that are free from material misstatement, whether due to fraud or error and for the design, implementation, and maintenance of internal control to prevent and detect fraud. We have disclosed to you the results of our assessment of the risk that the Financial Statements may be materially misstated as a result of fraud.

We also acknowledge our responsibility for providing you with all relevant information and access.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

For purposes of disclosure in this letter, individual matters related to financial amounts and disclosures should be considered material if in excess of \$320,000. However, materiality limits do not apply to representations that are not directly related to amounts included in the Financial Statements or to any item regarding fraud by management or employees who have significant roles in internal control.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves, as of the date of this letter, the following representations made to you during your audit.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated April 18, 2023, for the preparation and fair presentation of the Financial Statements in accordance with U.S. GAAP.
2. We are unaware of any violations of U.S. GAAP in the Plan's accounting principles and the practices and methods followed in applying them.
3. All events subsequent to the date of the Financial Statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
4. There have been no changes during the year in the Plan's accounting principles and practices or in the methods of applying them.
5. We have no plans or intentions that may materially affect the fair value or classification of assets and liabilities. Further, there is no intention to terminate the Plan.
6. We recognize that we are responsible for maintaining the Plan's compliance with Internal Revenue Code and Department of Labor Regulations in order to maintain the Plan's tax-exempt status.
7. There are no:
 - a. Related party or party-in-interest transactions and related amounts receivable or payable, including sales, purchases, loans, transfers, leasing agreements and guarantees, except for certain administrative fees paid by the Company and investments managed by the Trustee (or its affiliates).
 - b. Nonexempt transactions/prohibited transactions with parties in interest, as defined in ERISA Section 3 (14) and regulations under that section.
 - c. Guarantees, whether written or oral, under which the Plan is contingently liable.

- d. Other material liabilities or loss contingencies for which the risk that the Plan will suffer a loss in excess of \$320,000 is more than remote.
 - e. Commitments, such as a pending sale or merger of the Plan Sponsor, that would affect the Plan.
- 8. Other than as it relates to the item below, and in particular for 2022, the Plan has complied with the Department of Labor's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the plan.
- 9. We acknowledge that we had the following prohibited transaction: certain employee deferrals were contributed after the timeframe required by the Department of Labor. We confirm that the total late participant contributions were \$29.61 for the year ended December 31, 2021. We confirm that we will make corrective contributions of lost earnings to the Plan and file the required form 5330 with the excise tax with the Internal Revenue Service. We also confirm that upon examination by the Department of Labor and Internal Revenue Service we will take whatever action is reasonably necessary to maintain the tax-exempt status of the Plan.
- 10. There are no leases, loans, or investments in default or considered to be uncollectible.
- 11. There are no reportable transactions, as defined in ERISA Section 103 (b)(3)(H) and regulations under that section.
- 12. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- 13. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
- 14. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the Financial Statements.
- 15. Adequate provision has been made to cover possible losses that may result from the collection of receivables, including participant notes receivable.
- 16. The Plan has satisfactory title to all owned assets and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.
- 17. All significant contracts and contracts not in the normal course of business entered into by the Plan have been presented to you for your evaluation. Additionally, we have complied with all aspects of debt and other contractual agreements that would have a material effect on the Financial Statements in the event of noncompliance.
- 18. All significant amendments have been considered for disclosure in the financial statements.
- 19. All significant estimates and material concentrations, as hereinafter defined, known to us have been disclosed to you. Significant estimates are those estimates used in the development of accounting information that could change materially within the next year. Material concentrations refer to concentrations in investments and revenue sources that make the Plan vulnerable to events that occur within the next year that would have a significant disruptive effect on the Plan.

20. We have reviewed the legal fees and descriptions, including those paid by the Plan, if any, and those paid by the Plan Sponsor for material issues which may have an adverse impact on the Plan. We are not aware of any litigation, unasserted claims or assessments that should be accrued or disclosed in accordance with Accounting Standards Codification Topic Section 450, *Contingencies*, and we have not consulted a lawyer concerning any litigation, claims or assessments, asserted or unasserted. Further, we have represented to you that there are no other matters that are potentially significant to the Financial Statements or events that may jeopardize the Plan's qualified status, including:
 - a. Legal actions brought by the Plan on behalf of the plan participants and beneficiaries.
 - b. Review or inquiry by the Department of Labor, Internal Revenue Service, or other regulatory agency of the Plans activities or filings.
21. There have been no communications with regulatory agencies, whether oral or written, concerning noncompliance with, or deficiencies in, financial reporting practices or other Plan matters, including operations of the Plan that could have a material effect on the Financial Statements.
22. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code. The trust is intended to continue as a qualified trust. The Plan has been and continues to be operated in a manner designed to maintain this qualification. No events or transactions have occurred that might affect the Plan and trust's qualified status (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status).
23. The Plan has complied with the fidelity bonding requirements of ERISA.
24. All investments valued at net asset value per share file as direct filing entities (DFE).

Information Provided

1. We have provided you with:
 - a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the Financial Statements such as records, documentation, and other matters.
 - b. Additional information that you have requested from us for the purpose of the audit.
 - c. Unrestricted access to persons within the plan from whom you determined it necessary to obtain audit evidence.
 - d. All minutes of meetings held to the date of this letter of the Investment Committee or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - e. The most current plan instrument for the audit period, including all plan amendments.
 - f. A draft of the Form 5500 that is substantially complete.
2. All material transactions have been recorded in the accounting records and are reflected in the Financial Statements.
3. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:

- a. Management;
 - b. Employees who have significant roles in internal control; or
 - c. Others when the fraud could have a material effect on the Financial Statements.
4. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the Plan's Financial Statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
5. There were no instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing Financial Statements.
6. We have disclosed the identity of all the Plan's related parties and parties in interests of which we are aware.
7. The Plan is responsible for the performance of the nondiscrimination tests and assures that the Plan has passed such tests or appropriate action has been taken to rectify any areas of noncompliance.
8. We have disclosed to you all significant assumptions or interpretations underlying the measurement or presentation of the supplemental information.
9. The latest available plan's interim trustee statements are as of September 26, 2023. These statements have been prepared on the same basis as that used for the statements you are auditing.
10. If we publish our Financial Statements in any manner that includes your auditor's report or any other reference to Plante & Moran, PLLC, including Form 5500 and any amendments thereto, it is understood that we will allow you to review such publication prior to production.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of BCS Automotive Interface Solutions U.S. LLC 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audits of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To the Plan Administrator
BCS Automotive Interface Solutions U.S. LLC
401(k) Savings Plan

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that audits conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year as of December 31, 2022 and delinquent participant contributions for the year ended December 31, 2022 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Plan Description

The following description of BCS Automotive Interface Solutions U.S. LLC 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of BCS Automotive Interface Solutions U.S. LLC and BCS Access Systems U.S., LLC (collectively, the "Company" or BCS). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In April 2018, TRW Automotive U.S. LLC (TRW) executed the sale of its Body Control Systems business unit, which became BCS. BCS then created the Plan effective May 1, 2018. All active participants in TRW Automotive 401(k) Savings Plan and the TRW Automotive Retirement Savings Plan for hourly employees who were part of the Body Control Systems business unit of TRW had their participant accounts transferred into the Plan.

Contributions

The Plan provides for employee salary deferral contributions up to a maximum of 80 percent of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. The Plan allows participants to contribute up to 10 percent of their compensation on an after-tax basis. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

Certain participant contributions in 2021 were paid after the time frame required by the Department of Labor. The Company intends to remit these contributions and related lost earnings in 2023.

The Plan provides for employer matching contributions of 100 percent of the participant's contribution, not to exceed 6 percent of the employee's eligible compensation deferred upon. For participants who are not members of a collectively bargained unit, employer contributions are considered to be a safe harbor match. For participants who are members of a collectively bargained unit, employer contributions are considered to be a traditional match.

Participant Notes Receivable

Participants may borrow from their accounts subject to certain maximum and minimum amounts prescribed in the Plan and in the Internal Revenue Code. Notes receivable bear interest at a market rate.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Benefit Payments

On termination of service due to death, disability, or retirement, a participant (or the participant's beneficiary in the case of death) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or various installment payments.

Participants may request that all or a portion of their accounts be distributed in the case of financial hardship, as defined in the plan document.

December 31, 2022 and 2021

Note 1 - Plan Description (Continued)

Vesting

Participants are immediately 100 percent vested in employee salary and rollover contributions and any income or loss thereon. For participants who are members of a collectively bargained unit, vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is based on years of service. Collectively bargained participants vest in contributions made by the Company 20 percent after two years of service and an additional 20 percent for each additional year thereafter until they become 100 percent vested after six years of service. All other participants are fully vested at all times and their participant accounts are not subject to forfeiture for any reason.

Forfeitures

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future company contributions or to pay administrative expenses of the Plan.

Party-in-interest Transactions

Certain plan assets are in investment funds managed by Fidelity Management Trust Company (Fidelity) or its affiliates. Fidelity is the Trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

Termination

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

Note 2 - Summary of Significant Accounting Policies

Investment Valuation

The Plan's investments are stated at fair value.

The common collective trust funds are valued at net asset value per share (NAV) (or its equivalent) of the funds, which is based on the fair value of the funds' underlying assets. There are no unfunded commitments on these investments. Withdrawals of investments in common collective trust funds made in order to accommodate distributions to participants or transfers to noncompeting investments may be made on any business day. Transferred amounts must be held in a noncompeting investment option for 90 days before subsequent transfers to a competing fund can occur.

Investments in the self-directed brokerage accounts include interest-bearing cash that is valued based on outstanding balances. All other investments are valued based on quoted market prices reported in active markets. See Note 5 for additional information.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses related to the Plan are periodically paid by the Company.

Notes to Financial Statements

December 31, 2022 and 2021

Note 2 - Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 11, 2023, which is the date the financial statements were available to be issued.

Note 3 - Certified Information

Fidelity holds the Plan's investments and participant notes receivable and executes all related transactions. The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by Fidelity.

Note 4 - Tax Status

Effective April 25, 2022, the Plan is a prototype plan. Prior to that date, the Plan was a volume submitter plan. Both the prototype plan and volume submitter plan received a favorable opinion letter from the Internal Revenue Service (IRS) indicating that the Plan, as designed, is qualified for federal income tax-exempt status. The Plan has not individually sought its own determination letter.

Note 5 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset.

BCS Automotive Interface Solutions U.S. LLC 401(k) Savings Plan

Notes to Financial Statements

December 31, 2022 and 2021

Note 5 - Fair Value Measurements (Continued)

In instances where inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The following tables present information about the Plan's assets measured at fair value on a recurring basis at December 31, 2022 and 2021:
