INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of the
Houk Air Conditioning, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Houk Air Conditioning, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investments of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Form 5500, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions and Form 5500 Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HOUK AIR CONDITIONING, INC. 401(K) PLAN
Notes to the Financial Statements
Years Ended December 31, 2022 and 2021

A. Description of the Plan

General

The following description of the Houk Air Conditioning, Inc. 401(k) Plan (the "Plan") provides only general information. The Plan is sponsored by Houk Air Conditioning, Inc. (the "Plan Sponsor"). Participants should refer to the plan document for more complete information.

The purpose of the Plan is to encourage the Company's employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

The Plan was established on January 1, 2011. The Plan was restated on December 15, 2017, and amended on February 22, 2018, June 28, 2021, January 1, 2022, and August 1, 2022. The Plan is a defined contribution plan available to all employees of the Company who have completed at least three months of service and attained eighteen years of age. Employees are eligible to become a participant in the Plan on the first day of the month following the date they meet such age and service requirements. The Plan includes Houk Air Conditioning, Inc., Houston Air Repair, LLC, Austin Air Repair, LLC, Houk Management, LLC, San Antonio Air Repair, LLC, and Houk Mechanical, LLC (collectively, the "Company") as participating employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective June 28, 2021, the Company amended the Plan to include an automatic deferral at a fixed percentage of 3%, and change the mandatory distribution limit from \$1,000 to \$5,000.

Effective January 1, 2022, the Company amended the Plan to allow Houk Management, LLC to become a participating employer of the Plan. Effective August 1, 2022, the Company amended the Plan to allow San Antonio Air Repair, LLC and Houk Mechanical, LLC to become participating employers of the Plan.

Plan Administration

The Plan is administered by one of the owners of the Company (the "Plan Administrator") who also serves as trustee. Great-West Trust Company, LLC (the "Custodian") is responsible for the custody of the Plan's assets, and Empower Retirement is responsible for administration of the Plan's assets as well as recordkeeping for the Plan.

Contributions

Participants may elect to make voluntary contributions up to 100% of their pre-tax annual compensation, as defined by the plan document. Participant contributions are subject to certain annual limitations as prescribed by the Internal Revenue Code (the "Code"), which is \$20,500 and \$19,500 for 2022 and 2021, respectively.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the end of the year are eligible to make catch-up contributions in accordance with, and subject to the limitations imposed by the Code (\$6,500 for 2022 and 2021). Employees who will become eligible or who are currently participating may make a rollover contribution to the Plan.

The Plan is referred to as a safe harbor 401(k) plan. To maintain safe harbor status, the Company makes a safe harbor non-elective contribution equal to 100% of deferrals up to 3% of compensation, plus 50% of deferrals in excess of 3% but not in excess of 5% of compensation. The Company made safe harbor non-elective contributions of approximately \$245,000 and \$171,000 for 2022 and 2021, respectively. The Plan also allows for discretionary profit-sharing contributions. For the years ended December 31, 2022 and 2021, no discretionary profit-sharing contribution was provided.

A. Description of the Plan (continued)

Participant Accounts

A separate account is maintained for each participant and is credited with the participant's voluntary contributions and an allocation of (a) the Company's contributions, and (b) plan earnings, net of any administrative expenses applicable to the participant. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Forfeited Accounts

Forfeitures of terminated participants' non-vested amounts may be used by any permissible methods, including restoring of previous forfeitures, reducing Company contributions, or paying plan expenses. There were no unallocated forfeitures as of December 31, 2022 and 2021. There were no forfeitures allocated during the year ended December 31, 2022 and 2021.

Administrative Expenses

All expenses incurred in the administration of the Plan are paid directly by the Plan.

Vesting

Participants are immediately vested in their voluntary contributions as well as Company safe harbor non-elective contributions, plus or minus the actual earnings or losses thereon. A participant vests 20% after one year of credited service and 20% per year thereafter on any discretionary profit-sharing contributions until fully vested upon completion of five years of service. Additionally, participants or their beneficiaries become immediately and fully vested in their Company contributions and related earnings upon severance from employment as a result of disability or death.

Investment Options

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options, which are comprised of various mutual funds or a guaranteed interest account. In addition, a participant may withdraw part of his or her vested account after obtaining the age of 59½.

Notes Receivable from Participant Loans

Participants are permitted to borrow from their accounts a minimum amount of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may have one outstanding loan at a time. Refinancing of existing loans are in accordance with the Code Section 72(p)(2)(A). Loan terms range up to five years for general purposes or 15 years for the purchase of a primary residence. The loans are secured by the remaining balance in the participant's account and bear interest at a rate of 1% over the Prime Rate published in the Wall Street Journal on the first business day of the month the loan is originated. The interest rate on all outstanding participant loans was 4.25% - 8.50% for 2022 and 2021. Principal and interest are paid ratably through payroll deductions.

B. Summary of Significant Accounting Policies

Benefits Paid to Participants

Participants who withdraw from the Plan during the year for reasons of military service, disability, retirement, death, or termination are entitled to their vested account balance. In addition, a participant may withdraw any part of his or her vested account after obtaining age 59½ or for reasons of disability. Payment of benefits to participants with balances less than \$5,000 will be made in a lump-sum distribution. Payment of benefits to participants with balances greater than \$5,000 can be made in either lump sum or installment payments.

Basis of Accounting

The accompanying financial statements of the Plan are presented using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of certain contingent assets and liabilities. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with debt and equity investments. Fair value measurements are determined in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic No. 820, *Fair Value Measurements and Disclosures*, which defines fair value, establishes a framework for measuring fair value, and establishes disclosures about assets and liabilities measured at fair value.

The net realized and unrealized gains and losses on investments includes realized gains and losses on sales of investments during the year, using the average cost basis of the securities sold, and unrealized increases or decreases in the market value of investments held at year end. Purchases and sales of investments are reflected on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date.

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan Administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

Notes Receivable from Participant Loans

Notes receivable from participant loans are recorded and measured at the unpaid principal balance plus accrued interest which approximates fair value. Notes receivable from participant loans are in arrears and delinquent when any payment is missed. If a loan is not current by the end of the calendar quarter after the quarter in which a payment is first delinquent, the loan will be in default. Loans in default, if any, are reclassified as distributions based upon the terms of the plan document. Notes receivable from participants are considered uncollectible in the period they are deemed distributions and accordingly, no allowance has been established.

Notes to the Financial Statements (continued)
Years Ended December 31, 2022 and 2021

B. Summary of Significant Accounting Policies (continued)

Benefits Paid to Participants

A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of medical expenses incurred by the participant, their spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from his or her principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) burial or funeral expenses for the participant's deceased parent, spouse, children or dependents; or, (6) expenses for the repair of damage to the participant's principal residence caused by fire, storm, or other casualty.

Payment of Benefits

Benefits are recorded when paid. As of December 31, 2022 and 2021, there were no requested distributions that have not been paid.

Plan Expenses

Employees of the Company perform certain administrative functions for the Plan with no compensation from the Plan. In accordance with the provisions of the Plan, the Company pays a portion of the expenses incurred in the administration of the Plan, including costs relating to asset charges and recordkeeping and such expenses are not reimbursed by the Plan nor reflected in the accompanying financial statements. Expenses paid by the Plan are allocated to all participant accounts on a pro-rata basis or are charged directly to participant accounts for fees associated with establishment of a loan or a benefit payment.

Recent Accounting Pronouncement and Law Changes

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act") was signed into law. The SECURE Act changed existing long-term retirement rules, such as increasing the age for required minimum distributions, additional qualifications for in-service withdrawals, allowing the option of eligibility for long-term part-time employees, and penalty-free withdrawals under certain circumstances, such as medical need. The Plan was amended to reflect these changes prior to the December 31, 2022 deadline.

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was signed into law. The CARES Act allows participants of the Plan to get access to their retirement funds in two different ways. The first option allows participants to withdraw up to \$100,000 out of their 401(k) penalty-free, regardless of their age. The distribution will have no tax withholding up front, and participants are able to pay the tax on this amount over three years. The second option increases the limit for loans allowed from the Plan from \$50,000 up to \$100,000, not to exceed 50% of their account balance. These loans were available through September 22, 2020. Individuals could also suspend loan payments through December 31, 2020 for up to one year if they were impacted by COVID-19. Interest rates are calculated at prime +1%. The CARES Act also suspended required minimum distributions for 2020. These temporary CARES Act provisions expired at the end of 2020. The Plan was amended to reflect these changes prior to the December 31, 2022 deadline.

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement Act of 2022 (the "SECURE Act 2.0") was signed into law. The SECURE Act 2.0 is intended to expand coverage, increase retirement savings, and clarify retirement plan rules. The SECURE Act 2.0 changed existing long-term retirement rules, which included but is not limited to, increasing the age for required minimum distributions, expanding autoenrollment features, increasing the involuntary distribution limit, expanding penalty-free withdrawals, and providing enhanced opportunities for employee savings. The effective dates vary by each provision, however, the Plan will be formally amended to reflect these changes prior to the January 1, 2025 deadline.

C. Investments

The Plan's investments are held under a group contract with the Custodian. All investment information presented in the accompanying financial statements and the supplemental schedules, including investments held and net appreciation/depreciation in fair value of investments and interest and dividends, was obtained or derived from information supplied to the Company and certified as complete and accurate by the Custodian. The investments are reflected at fair value as of December 31, 2022 and 2021.

According to FASB, participant loans are to be classified on the statement of net assets available for benefits as notes receivable from participants and measured at their unpaid principal balance, plus any accrued but unpaid interest. According to the Department of Labor, participant loans are considered an investment and measured at their fair value and are required to be included as supplemental information in the schedule of assets held for investment purposes at the end of the year.

The following is a reconciliation of the schedule of assets held for investment purposes to the financial statements as of December 31:

	<u>2022</u>
Investments per schedule of assets held for investment purposes at the end of the year	\$ 4,929,524
Less: Notes receivable from participant loans	<u>(61,192)</u>
Investments per financial statements	<u>\$ 4,868,332</u>

D. Fair Value Measurements

FASB ASC Topic No. 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used.

The three levels defined in FASB ASC Topic No. 820 are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the term of the asset or liability.

- Level 3: Inputs of the valuation methodology are unobservable and significant to fair value measurement. As of December 31, 2022 and 2021, the Plan had no Level 3 investments.

HOUK AIR CONDITIONING, INC. 401(K) PLAN
Notes to the Financial Statements (continued)
Years Ended December 31, 2022 and 2021

D. Fair Value Measurements (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

FASB ASC Topic No. 820 requires a description of the methodologies used to measure the fair value of assets and liabilities. These methodologies were consistently applied to all assets carried as of December 31, 2022 and 2021. The methodology used to measure each major category of assets is as follows:

- Mutual funds: The share prices / net asset values (NAVs) reported on the Plan Summary Reports for NAV mutual funds are generally obtained from a file feed from the National Securities Clearing Corporation, and / or directly from the fund house, or a secondary pricing source, such as Interactive Data Corporation provided by the Custodian and are classified within Level 1 of the valuation hierarchy.
- Guaranteed interest account: The reported value for the guaranteed interest account is reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider and is classified within Level 2 of the valuation hierarchy.

Assets measured at fair value on a recurring basis at December 31, are as follows:

Assets at Fair Value as of December 31, 2022				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 4,841,094	\$ -	\$ -	\$ 4,841,094
Guaranteed interest account	-	27,238	-	27,238
	<u>\$ 4,841,094</u>	<u>\$ 27,238</u>	<u>\$ -</u>	<u>\$ 4,868,332</u>

Assets at Fair Value as of December 31, 2021				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,060,901	\$ -	\$ -	\$ 6,060,901
Guaranteed interest account	-	21,548	-	21,548
	<u>\$ 6,060,901</u>	<u>\$ 21,548</u>	<u>\$ -</u>	<u>\$ 6,082,449</u>

E. Information Certified by the Custodian

The Plan Administrator, having determined it is permissible in the circumstances, has elected the method of compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator limited auditing procedures with respect to the investment information certified by the Trustee to be complete and accurate which included total investments as of December 31, 2022 and 2021, total investment income, including net realized and unrealized gains on investments for the years ended December 31, 2022 and 2021, and all information included in the accompanying supplemental schedules. The Custodian is considered to be a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency.

HOUK AIR CONDITIONING, INC. 401(K) PLAN
Notes to the Financial Statements (continued)
Years Ended December 31, 2022 and 2021

F. Income Tax Status

The Company adopted the Great-West Trust Company Contribution Prototype Plan and Trust. The Internal Revenue Service has determined and informed the Plan sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Accounting principles generally accepted in the United States of America require the Company to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress. The Plan Sponsor believes the Plan is no longer subject to Internal Revenue Service examinations for years prior to 2019.

G. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the Form 5500 to the schedule of net assets available for benefits per the financial statements as of December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per Form 5500	\$ 4,929,524	\$6,224,742
Company receivables	29,651	(26,837)
Net assets available for benefits per the accompanying financial statements	<u>\$ 4,959,175</u>	<u>\$ 6,197,905</u>

	<u>2022</u>	<u>2021</u>
Change in assets available for benefits per Form 5500	\$ (1,295,218)	\$ 832,612
Company contributions	26,837	-
Corrective contributions	29,651	(29,651)
Change in assets available for benefits per the accompanying financial statements	<u>\$ (1,238,730)</u>	<u>\$ 802,961</u>

H. Related Party and Party-In-Interest Transactions

Some administrative expenses and accounting fees of the Plan are paid by the Company. The Company paid approximately \$35,000 and \$42,000 for administrative expenses on behalf of the Plan during 2022 and 2021, respectively. Under the terms of the Plan, the Plan is not responsible for reimbursing the Company for any fees paid on its behalf.

Certain Plan investments are managed by the Custodian, which is also the record keeper as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited provisions of ERISA and the Code.

HOUK AIR CONDITIONING, INC. 401(K) PLAN
Notes to the Financial Statements (*continued*)
Years Ended December 31, 2022 and 2021

I. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

J. Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the financial statements. In addition, any cash deposited in a financial institution may at times be in excess of the Federal Deposit Insurance Corporation's insured limit.

K. Subsequent Events

In preparing the accompanying financial statements, the Plan Administrator has evaluated all subsequent events and transactions for potential recognition or disclosure through October 13, 2023, the date the financial statements were available for issuance.
