INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
MidSouth Satellite LLC 401(k) Profit Sharing Plan and Trust
Shelbyville, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of MidSouth Satellite LLC 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of MidSouth Satellite LLC 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year then ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MidSouth Satellite LLC 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MidSouth Satellite LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued or when applicable, one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MidSouth Satellite LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MidSouth Satellite LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL'S Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MIDSOUTH SATELLITE LLC 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - Description of Plan

The following description of the MidSouth Satellite LLC 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan, as adopted January 1, 2016, and restated January 1, 2022, covering all employees of MidSouth Satellite, LLC (collectively the "Company"), who have met the eligibility requirements and elect to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Participants may elect to contribute a portion of their compensation to the Plan, not to exceed the amount allowed by the Internal Revenue Service ("IRS"). Participants may also contribute amounts representing distributions from other qualified retirement plans. Each year, the Company can make discretionary matching and non-elective contributions to the Plan. All investments are participant directed.

Newly eligible participants that have otherwise satisfied the eligibility requirements to participate in the Plan but have not made a salary deferral election or affirmatively elected in writing not to participate in the Plan are automatically enrolled at a rate of 6% of eligible compensation. Employees contributing via the automatic enrollment feature will have their deferral percentage increased annually by 1 percent up to 10 percent.

Participant Accounts - Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's discretionary matching contribution, (b) the Company's discretionary non-elective contribution, and (c) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting - Participants are immediately vested in their voluntary contributions and rollover contributions, if any, plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Participant Loans - The Plan includes a provision allowing eligible participants to borrow from their fund accounts, a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms range from one to five years. Loans for the purchase of a primary residence may exceed the five-year term as deemed by the Plan administrator. The loans are secured by the balance in the participant's account and bear interest at a rate of one percent above the Prime rate. Interest rates range from 4.25% to 7.25%. Principal and interest are paid ratably through payroll deductions.

Payments of Benefits - Upon death, disability, or termination of service, participants with a vested account balance exceeding \$5,000 may elect to receive either a lump sum payment equal to the value of his or her vested account balance or installments over a period of time, not to exceed the participant's life expectancy. Participants with an account balance up to \$1,000 are paid in a lump sum as soon as feasible. Participant accounts with a value greater than \$1,000 and not exceeding \$5,000 will be directly rolled over into an individual retirement account designated by the Plan administrator, unless the participant affirmatively directs the distribution of his or her vested account balance. In-service distributions are permitted if certain criteria are met.

NOTES TO FINANCIAL STATEMENTS - Continued
DECEMBER 31, 2022 AND 2021

NOTE 1 - Description of Plan - Continued

Administrative Expenses - All administrative expenses may be paid out of the Plan unless paid by the Company. During 2022, expenses were paid the by both the Plan and the Company.

Forfeited Accounts - At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$2,025 and \$0, respectively. These amounts will reduce future employer contributions and plan expenses. During 2022, employer contributions and plan expenses were reduced by \$26,418 from forfeited nonvested accounts.

NOTE 2 - Summary of Significant Accounting Policies

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements and supplemental schedule is as follows:

Basis of Accounting and Presentation - The financial statements of the Plan are prepared using the accrual method of accounting and are presented in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) as codified by the Financial Accounting Standards Board.

Notes Receivable From Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation and Income Recognition - Investments are reported at fair value (except for fully benefit-responsive contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Use of Estimates - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events - The Plan has evaluated subsequent events through October 16, 2023, the date which the financial statements were available to be issued.

NOTE 3 - Concentrations

The Plan's investments that represented 10 percent or more of the Plan's net assets available for benefits as of December 31, 2022 and 2021 are as follows:

	DECEMBER 31,	
	2022	2021
American Century One Choice 2060 R6	\$ 134,789	\$ *
American Century One Choice 2045 R6	122,470	87,369
American Century One Choice 2025 R6	*	74,659

*Investment is less than 10 percent of the Plan's net assets available for benefits.

NOTE 4 - Fair Value Measurements

The Plan has determined the fair value of certain assets in accordance with the provisions of U.S. GAAP, which provides a framework for measuring fair value under generally accepted accounting principles.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
----------------	---

Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
----------------	---

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
----------------	---

NOTE 4 - Fair Value Measurements - Continued

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- **Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- **Money market fund:** Valued at cost which approximates fair market value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

	DECEMBER 31, 2022	QUOTED PRICES IN ACTIVE MARKETS FOR IDENTICAL ASSETS (LEVEL 1)	SIGNIFICANT OTHER OBSERVABLE INPUTS (LEVEL 2)	SIGNIFICANT UNOBSERVABLE INPUTS (LEVEL 3)

NOTE 5 - Fully Benefit-Responsive Investment Contracts

The Plan entered into a fully benefit-responsive investment contract with CMFG Life Insurance Company. The contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. As of December 31, 2022 and 2021, the contract value of the fully benefit-responsive investment contract was \$16,846 and \$50,963, respectively.

The traditional investment contract held by the Plan is a deposit administration contract. The contract issuer is contractually obligated to repay the principal and interest at a specific rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer and may not be less than the guaranteed minimum interest rate (may not be less than 1%). The crediting rate is reviewed on a monthly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on completing investment options.
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer.

NOTE 6 - Information Certified by the Plan Custodians

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from the information furnished to the Plan administrator and certified as complete and accurate by CMFG Life Insurance Company and Matrix Trust Company (the custodians of the Plan).

NOTE 7 - Tax Status

The Plan sponsor became a participating employer in a Non-Standardized Pre-Approved Profit Sharing Plan with CODA effective December 31, 2018, and is relying on its determination letter dated June 30, 2020. The Plan and the related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. The Plan administrator and the Plan's tax counsel believe it is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator have analyzed the tax positions taken by the Plan, and have concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 8 - Transactions With Parties-in-Interest

Fees for legal and professional services rendered to the Plan may be paid for by the Company at its discretion. Certain Plan investments are managed by CMFG Life Insurance Company. CMFG Life Insurance Company is a custodian for the Plan. In addition, the Plan allows participants to take out loans against their account balances and those activities are deemed party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

NOTE 9 - Amounts Owed to Participants Withdrawing from the Plan

There were no amounts owed to participants who had elected to withdraw from the Plan, but had not been paid as of December 31, 2022.

NOTE 10 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS - Continued

DECEMBER 31, 2022 AND 2021

NOTE 11 - Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 12 - Subsequent Event - Change in Service Providers

During 2023, the Plan assets and related custodial services were transferred from CMFG Life Insurance Company and Matrix Trust Company to Mid Atlantic Trust Company.
