INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrative Committee
Aegion Corporation 401(k) Profit Sharing Plan
Chesterfield, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Aegion Corporation 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Aegion Corporation 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Aegion Corporation 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aegion Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aegion Corporation 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Aegion Corporation 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2022 and delinquent participant contributions for the year the ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Aegion Corporation 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the Aegion Corporation 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Insituform Technologies, Inc. 401(k) Profit Sharing Plan was established January 1, 1987, as a defined contribution plan covering the employees of Insituform Technologies, Inc. (the "Company"). In 2011, the Plan name was changed to Aegion Corporation 401(k) Profit Sharing Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Administrative Committee appointed by the Company serves as representatives of the Plan sponsor and Plan Administrator. Wells Fargo Bank N.A. served as recordkeeper and trustee of the Plan assets from January 1, 2021 through June 17, 2021. Effective June 21, 2021, Wells Fargo Institutional Retirement & Trust (IRT) was acquired by Principal Financial Group. Wells Fargo Bank N.A., who certified the Plan's assets fell under IRT. Effective June 21, 2021 and going forward the Plan's trustee became Principal Trust Company, who is owned by Principal Financial Group.

Participation

All employees of the Company, except those covered by collective bargaining agreements, nonresident aliens who do not receive U.S. source income, and those classified as contract employees or independent contractors, are eligible to make tax-deferred contributions and receive employer matching contributions to the Plan, beginning on the first day after the employee meets the eligibility requirements.

In addition, all participants are eligible for profit sharing contributions immediately, after completion of one year of employment, if the participant has met the following: (a) has completed at least 1,000 hours of service during the Plan year and is employed by the Company on the last day of the Plan year, or (b) has terminated his or her employment during the year due to disability, death, or retirement on or after age 60.

Contributions

Participants may elect to contribute up to 50% of their annual compensation (not to exceed limits established by the Internal Revenue Code) each Plan year as "pre-tax" contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company elected to contribute 100% of the first 3% of employee contributions plus 50% of the next 2% of employee contributions. The Plan also has a Roth deferral option. Participants are allowed to make rollover contributions into the Plan representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN (continued)

Contributions (continued)

The Company may make a profit-sharing contribution to the Plan, which is based on net profits. Such amount will be determined by the Company and approved by its Board of Directors each year. Contributions are allocated on the basis of compensation to employees who worked 1,000 or more hours during the year and were employed on the last day of the year, unless employment was terminated due to death, disability or retirement. There were no employer profit sharing contributions for the years ended December 31, 2022 and 2021.

Participant accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Plan Sponsor's contributions, (b) Plan earnings, and (c) certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

All participants are immediately vested in their contributions, rollover contributions, employer contributions, and profit-sharing contributions, and earnings thereon.

Notes receivable from participants

Plan participants are permitted to borrow from their accounts. Participants may borrow a minimum of \$1,000 up to a maximum of 50% of their vested balance, not to exceed \$50,000. A participant may only have one loan outstanding, which must be repaid in five years for general purpose loans, or ten years for the purchase of a primary residence. Loan repayments may be suspended for up to one year for a bona fide leave of absence, or for the duration of absence due to military service. The interest rate for loans issued by the Plan is the Prime Rate (as identified by the Wall Street Journal) plus one percent. After a loan is issued, the rate remains fixed for the duration of the loan.

Payment of benefits

If a participant's employment with the Company is terminated for any reason and the balance of the vested account is less than \$1,000, the vested portion of the account will be distributed to the participant in a lump sum or direct rollover. If the vested balance of the account is more than \$1,000, the participant may choose to receive a direct rollover, annuity contract, installment payment or a lump sum payment. Participants may withdraw up to 100 percent of their pretax contributions, in the event of a financial hardship, as defined by the Plan. In addition, participants who have attained age 59½ may withdraw up to 100 percent of their vested account balance. Participants may withdraw all or any portion of their rollover contributions at any time.

1. DESCRIPTION OF THE PLAN (continued)

Forfeited accounts

The Plan had unallocated nonvested forfeited accounts of \$6,279 and \$6,274 as of December 31, 2022 and 2021, respectively. Administrative expenses and employer contributions paid by the Company may be reduced by allocating a portion of the forfeited nonvested balances, however, no amounts were used for the years ended December 31, 2022 and 2021.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements and schedule have been prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, the changes in net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from these estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Aegion Corporation 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payment of benefits

Benefits are recorded when paid.

Subsequent events

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements are available to be issued.

3. CERTIFIED FINANCIAL DATA

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Company has accepted the certifications of Principal Trust Company ("Principal") as of December 31, 2022 and December 31, 2021 and for the period of June 17, 2021 to December 31, 2022 and Wells Fargo Bank, N.A. ("Wells Fargo") for the period of January 1, 2021 to June 17, 2021, as to the accuracy and completeness of the investment information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) and instructed the Plan's independent accountants not to perform any auditing procedures with respect to such information.

Accordingly, the following information was certified by Principal and Wells Fargo as of December 31, 2022 and 2021, and for the years then ended, and was not subjected to any auditing procedures except for comparing such information with the related information contained in the accompanying financial statements and schedule.

- All investments and notes receivable from participants as of December 31, 2022 and 2021, which are included in the statements of net assets available for benefits and the 2022 supplemental Schedule of Assets (Held at End of Year).
- Interest and dividends, net realized and unrealized appreciation (depreciation) in fair value of investments, and interest income on notes receivable from participants for the years ended December 31, 2022 and 2021, which are included in the statements of changes in net assets available for benefits.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in the inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust – Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Self-directed brokerage account - Valued at the closing prices of the underlying securities as reported on the active markets on which the individual securities are traded.

4. FAIR VALUE MEASUREMENTS (continued)

Common stock – Valued at the closing price as reported on an active exchange.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 13,459,888	\$ -	\$ -	\$ 13,459,888

Investments measured at net asset value (a)				<u>134,380,707</u>
				<u><u>\$148,442,186</u></u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	\$ 19,746,733	\$ -	\$ -	\$ 19,746,733
Self-directed brokerage account	<u>496,835</u>	<u>-</u>	<u>-</u>	<u>496,835</u>
	<u><u>\$ 20,243,568</u></u>	<u><u>\$ -</u></u>	<u><u>\$ -</u></u>	20,243,568
Investments measured at net asset value (a)				<u>168,924,175</u>
				<u><u>\$189,167,743</u></u>

(a) In accordance with subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trusts	\$ 134,380,707	\$ -	Daily	12 months

December 31, 2021:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trusts	\$ 168,924,175	\$ -	Daily	12 months

6. PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right to terminate or partially terminate the Plan. Upon complete termination, all participants having an interest in the Plan at the date of termination shall have a nonforfeitable right to a distribution of all amounts credited to their account as of that date. Under a partial termination, those assets of the terminated portion become nonforfeitable benefits of eligible participants and subject to distribution.

7. TAX STATUS

On June 30, 2020, the Internal Revenue Service (IRS) stated that the prototype adopted by the Plan, as then designed, qualified under Internal Revenue Code (IRC) Section 401(a). The Plan has not received a determination letter specific to the Plan itself, however, the Plan Administrator and the Plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. PARTY-IN-INTEREST TRANSACTIONS

The Plan made direct payments to the third-party administrator of \$147,260 and \$101,762 for the years ended December 31, 2022 and 2021, respectively.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

10. DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company had late contributions and loan repayments totaling \$240,027 for the Plan year ending December 31, 2021. The Company will utilize the Department of Labor Voluntary Fiduciary Corrections Program calculator to determine lost earnings to self-correct these delinquent contributions and loan repayments. Lost earnings will be contributed in the 2023 Plan year.

The Company had late contributions and loan repayments totaling \$1,502,544 for the Plan year ending December 31, 2022. The Company will utilize the Department of Labor Voluntary Fiduciary Corrections Program calculator to determine lost earnings to self-correct these delinquent contributions and loan repayments. Lost earnings will be contributed in the 2023 Plan year.

11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
