Independent Auditor's Report on the 2021 Financial Statements

To the Operating Committee of
Galen Medical Group, P.C.
Employees' Retirement Savings Plan
Chattanooga, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Galen Medical Group, P.C. Employees' Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Galen Medical Group, P.C. Employees' Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Galen Medical Group, P.C. Employees' Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Galen Medical Group, P.C. Employees' Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Galen Medical Group, P.C. Employees' Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Galen Medical Group, P.C. Employees' Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare

the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report on the 2020 Financial Statements

To the Operating Committee of
Galen Medical Group, P.C.
Employees' Retirement Savings Plan
Chattanooga, Tennessee

We were engaged to audit the accompanying statement of net assets available for benefits of Galen Medical Group, P.C. Employees' Retirement Savings Plan as of December 31, 2020, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Principal Trust Company, the Trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that Principal Trust Company holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee, as of and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations for the 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Note 1. Summary of Significant Accounting Policies and Plan Characteristics

The following description of Galen Medical Group, P.C. Employees' Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan, as amended and restated effective May 15, 2017, is a defined contribution plan. All employees of Galen Medical Group, P.C. (Company) that have reached age 21 and have one year of service are eligible to participate in the Plan. Participants must work 501 hours to be eligible to receive a discretionary contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions:

The Plan is a contributory plan whereby each participant may elect to contribute a minimum of one percent of the participant's base compensation for the plan year and may contribute additional amounts subject to limitations as specified in the Plan agreement. Participant contributions to the Plan are subject to salary deferral provisions of Section 401(k) of the Internal Revenue Code. The employer is required to contribute 3 percent of the employee's eligible wages for the plan year. The employer may also make discretionary contributions to the Plan.

Participant accounts:

Each participant's account is credited with the participant's contribution, the Company's contribution, allocations of any discretionary contribution, investment earnings, and is charged with an allocation of administrative expenses. Allocations of administrative expenses are based on participant earnings or account balances, as defined. Participants' direct contributions are credited to their account in various investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions, discretionary contributions, and in the employer's Safe Harbor Qualified Non-Elective contributions.

Payment of benefits:

Participants are eligible to begin receiving benefits in the form of lump sum payments or the purchase of annuity contracts when the participant reaches age 59½ or terminates employment. Benefits are expensed when paid. Account balances for participants who are no longer employed by the Company but have not been paid were \$7,639,836 and \$4,743,322 at December 31, 2021 and 2020, respectively.

Note 1. Summary of Significant Accounting Policies and Plan Characteristics (continued)

Administration:

Administration of the Plan has been vested in an Operating Committee as governed by the shareholders of Galen Medical Group, P.C. Principal Trust Company is the Plan's Trustee.

Plan termination provisions:

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts. The Company has not expressed any intent to terminate the Plan.

Basis of accounting:

The financial statements of the Plan are prepared in accordance with the accrual method of accounting. Income is recorded as earned and expenses are recorded when incurred.

Investment valuation and income and expenses:

The Plan's investments are stated at fair value established by the Trustee, except for a fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for this investment because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. The Operating Committee determines the Plan's valuation policies.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative expenses are paid by the Plan, unless the employer elects to pay these expenses. Administrative expenses of \$8,114 and \$7,912 were paid by the Company during 2021 and 2020, respectively.

Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note 1. Summary of Significant Accounting Policies and Plan Characteristics (continued)

Forfeited accounts:

Participant forfeitures are used to reduce future employer contributions or administrative fees. No forfeited nonvested accounts were available during 2021 or 2020.

Note 2. Tax Status of the Plan and Plan Amendments

Principal Trust Company is the Plan's record keeper and Trustee. The Internal Revenue Service (IRS) has determined and informed Principal Trust Company by letter dated August 8, 2014, that the Prototype Plan and related trust are designed in accordance with the applicable requirements in the Internal Revenue Code.

The Plan has been amended since receiving the determination letter. However, the Plan's administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The years 2017 forward are open to examination by the Internal Revenue Service. The Plan has not received notice of intent to audit any prior years.

Note 3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits with the exception of the fully benefit-responsive investment contract which is reported at contract value. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

EMPLOYEES' RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements (continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. All of the Plan's investments that are required to be reported in the fair value hierarchy qualify as Level 1. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The fair value of the Plan's assets is based on quoted net asset values of the shares held by the Plan at year-end.

Fair values of assets measured on a recurring basis at December 31, 2021 and 2020, are as follows:

	December 31, 2021		December 31, 2020	
	<u>(Level 1)</u>	<u>Total</u>	<u>(Level 1)</u>	<u>Total</u>
Mutual funds	\$ 4,316,468	\$ 4,316,468	\$ 2,333,024	\$ 2,333,024
Collective investment trusts	43,544,365	43,544,365	38,021,000	38,021,000
Pooled separate accounts	6,045,481	6,045,481	6,457,923	6,457,923

Investments measured at fair value	<u>\$ 56,389,074</u>	56,389,074	<u>\$ 47,574,837</u>	47,574,837
Investments measured at NAV as a practical expedient (a)		<u>1,451,300</u>		<u>1,229,261</u>
Total investments at fair value		<u>\$ 57,840,374</u>		<u>\$ 48,804,098</u>

- (a) In accordance with Subtopic 820-10, certain investments are measured at net asset value (NAV) as a practical expedient to estimate fair value and, therefore, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4. Information Furnished by the Trustee

Principal Trust Company is the Plan Trustee and held all of the Plan's assets during 2021 and 2020. The amounts set forth in the accompanying financial statements for investments, income from investments, and the information shown in the attached supplemental schedule were summarized from information furnished by the Trustee. The Plan Administrator has received a certification from the Trustee that the information furnished by the Trustee is complete and accurate.

Note 5. Principal Fixed Income Guaranteed Option

In 2016, the Plan entered into a guaranteed fully benefit-responsive guaranteed investment group annuity contract issued by Principal Life Insurance Company (Principal Life) to Principal Trust Company, as custodian, totaling \$1,451,300 and \$1,229,261 at December 31, 2021 and 2020, respectively. Principal Trust Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer and was 1.55 and 1.60 percent at December 31, 2021 and 2020, respectively. The crediting rate is reviewed on a semiannual basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Life, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

GALEN MEDICAL GROUP, P.C.
EMPLOYEES' RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Note 5. Principal Fixed Income Guaranteed Option (continued)

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. This contract does have surrender charges if it is terminated by the contract holder or a plan terminates its interest in such contract within certain time periods.

Note 6. Reconciliation of Form 5500 to the Financial Statements

The Form 5500 does not agree to the financial statements due to the Form 5500 being prepared on the modified cash basis of accounting and the financial statements being prepared on the accrual basis of accounting. The following is a reconciliation of items on Form 5500 to the audited financial statements:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the Form 5500	\$ 57,927,617	\$ 49,175,667
Contributions receivable not on Form 5500	<u>1,673,589</u>	<u>1,521,039</u>
Net assets available for benefits per the audited financial statements	<u>\$ 59,601,206</u>	<u>\$ 50,696,706</u>
Contributions per Form 5500	\$ 4,850,703	\$ 3,392,601
2021 contributions receivable not on 2021 Form 5500	1,673,589	-
2020 contributions receivable at 12/31/20 on 2021 Form 5500	(1,521,039)	1,521,039
2019 contributions receivable at 12/31/19 on 2020 Form 5500	-	(969,828)
Other	-	3
Contributions per audited financial statements *	<u>\$ 5,003,253</u>	<u>\$ 3,943,815</u>

* The difference in contributions on Form 5500 and the financial statements is the same difference that exists on net increase in net assets available for benefits between Form 5500 and the financial statements.

Note 7. Related Party Transactions

Principal Trust Company is the Plan Trustee as defined by the Plan. Certain Plan investments reported in the 2021 and 2020 financial statements were shares of mutual funds, collective investment trusts and pooled separate accounts managed by the Trustee, and a guaranteed investment contract issued by a related party to the Trustee, and therefore these transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization declared a pandemic related to the rapidly spreading coronavirus (COVID-19) outbreak, which has led to a global health emergency. Events that unfold with the COVID-19 pandemic could materially impact the Plan's financial position and results of operations depending upon future developments, including the duration of the pandemic and its impact on the global economy, however, the ultimate impact, if any, cannot be reasonably estimated at this time.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted. The CARES Act is a stimulus package that is a part of a series of bills meant to address the economic uncertainties associated with COVID-19. The CARES Act contains certain provisions that will temporarily impact the Plan, including allowing certain eligible individuals to receive coronavirus-related distributions without early withdrawal penalties, and suspending required minimum distributions.

Note 9. Evaluation of Subsequent Events

The Plan has evaluated subsequent events through October 7, 2022, the date which the financial statements were available to be issued.
