INDEPENDENT AUDITOR'S REPORT

Plan Participants and Administrative Committee,
Sunkist Match+ Savings Plan
Valencia, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Sunkist Match + Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SUNKIST MATCH+ SAVINGS PLAN

Notes to Financial Statements
December 31, 2022 and 2021

NOTE 1. PLAN DESCRIPTION

The following description of the Sunkist Match+ Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Sunkist Match+ Savings Plan document for more complete information.

General: The Plan, as adopted on May 16, 1983, is a defined contribution pension plan covering the employees of (a) Sunkist Growers, Inc. (Sunkist, or the Company, or Plan Sponsor), (b) member local associations, packinghouses or district exchanges of Sunkist (as defined in the by-laws of Sunkist) electing to participate, and (c) any affiliated organization, as designated by the Board of Directors of Sunkist, which elects to participate (Participating Affiliate). Effective January 1, 1989, the former Match+ Savings Plan was split into two separate plans to comply with certain requirements of the Tax Reform Act of 1986. The Plan comprises salaried employees of Sunkist and salaried employees of other participating affiliate companies excluding hourly employees (unless covered by a bargaining agreement), including the former Match+ Savings Plan retirees and vested terminated employees as of December 31, 1988. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Each participant's contributions are permitted at the participant's specified rates, ranging from 1% to 50% of the participant's base gross compensation, on a pre-tax basis, up to an annual maximum amount of \$20,500 and \$19,500 in 2022 and 2021, respectively. Catch-up contributions by participants age 50 or older are allowed and limited to \$6,500 in 2022 and 2021. Sunkist or a Participating Affiliate shall make a matching contribution to the Plan on a payroll-by-payroll basis to each participant who elects compensation deferrals equal to the lesser of: (1) 75% of the participant's compensation deferrals for such payroll period, or: (2) 3% of the participant's compensation for such payroll period. As an alternative to the matching contribution stated previously, the Company or Participating Affiliate can elect to make a matching contribution in an amount equal to at least: (1) 100% of each participant's compensation deferrals up to 3% of eligible pay; plus (2) 50% of the next 2% of compensation deferrals not to exceed a total of 5% of the participant's compensation. If a Company or Participating Affiliate has elected to make matching contributions under the alternative matching formula, advance written notice will have been provided to the Participants employed by that Company or Participating Affiliate. After-tax contributions, ranging from 1% to 10%, can be made by the participants in addition to the pre-tax contributions.

Eligible Plan participants may receive discretionary contributions of up to 6% based upon their relative compensation to the total Plan compensation. The amount of discretionary contributions will be based upon Company results measured as of the end of a fiscal year.

Effective February 1, 2020, a new employee is deemed to have elected to become a participant and to have his or her compensation reduced by 3% of eligible compensation.

Participant Accounts: Each participant's account is credited with the participant's contributions, the Company's contributions, rollovers and the allocation of earnings or losses from the investments. Participants direct all contributions into the various investment options offered by the Plan.

Vesting: Participants have a 100% vested and non-forfeitable interest in their accounts.

December 31, 2022 and 2021

NOTE 1. PLAN DESCRIPTION (Continued)

Notes Receivable from Participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. Loan terms are up to 5 years unless they are for the purchase of a primary residence. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions. Interest rate is based on the bank prime loan rate provided on www.federalreserve.gov. Interest paid is credited to the participant's account.

Payment of Benefits: Upon retirement, a participant may elect to begin receiving benefit payments. If a participant retires or terminates employment with an account balance less than \$5,000 the benefits will be automatically paid in a lump-sum amount. Upon termination of service due to death or disability, the participant, or his/her beneficiary, may elect to receive a lump-sum amount equal to the value of the participant's interest in his/her account. If a participant terminates employment, the participant is entitled to receive the entire value of his/her Match+ Savings Plan account at that time or any time thereafter, or to continue to invest the existing account balance in the Plan.

Plan Administration: The Plan is administered by an administrative committee (the Committee) appointed by the Sunkist Board of Directors.

Plan Termination: Neither the Committee nor the Plan's Sponsor has expressed any intent to terminate the Plan. It is expected that the Plan will continue indefinitely, but continuance of the Plan is not a contractual obligation. However, in the event of termination of the Plan, the net assets of the Plan will be allocated per the Plan document and as prescribed by ERISA and its related regulations.

Administrative Expenses: The Company incurs certain administrative expenses and management fees related to the Plan, which if not paid by the Company are paid by the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan have been prepared using the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Benefit Payments: Benefits are recorded when paid.

Valuation of Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balances plus accrued but unpaid interest.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Recognition of Income (Loss): Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) of those investments.

Benefit Payments: Benefits are recorded when paid.

NOTE 3. CERTIFIED FINANCIAL INFORMATION

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the financial information included in the Plan's financial statements as it relates to investment assets, investment transactions, investment income (loss), notes receivable from participants, and the schedule of assets held at end of year has been derived from information certified as complete and accurate by Charles Schwab Bank, the trustee of the Plan, in accordance with Section 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4. INCOME TAX STATUS

The Plan obtained its latest determination letter on August 28, 2013, in which the Internal Revenue Service (IRS) stated that the Plan and the related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The Plan Administrator has analyzed tax positions taken by the Plan and concluded that, as of December 31, 2022, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for years prior to December 31, 2019.

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain transactions involving the investments of the Plan assets in investment funds managed by Charles Schwab Bank, the trustee of the Plan, qualify as exempt party in interest transactions. Fees paid by the Plan for investment management services were primarily included as a reduction of the return earned on each investment.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan holds mutual funds and a common collective trust that invests in various investment securities, which are exposed to various risks such as interest rate, market performance and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7. FAIR VALUE MEASUREMENTS

Fair value is determined based on assumptions that a market participant would use in pricing an asset or liability. Measurements of fair value are classified within a hierarchy based upon valuation inputs that gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The fair value hierarchy is as follows:

- Level 1* Observable quoted prices in active markets for identical assets and liabilities.
- Level 2* Observable quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar instruments in markets that are not active and model-based valuation techniques for which all significant assumptions are observable in the market.
- Level 3* Model-based techniques that use at least one significant assumption not observable in the market. These unobservable assumptions reflect estimates of assumptions that market participants would use in pricing the asset or liability. Valuation techniques include use of option pricing models, discounted cash flow models and similar techniques.

There have been no changes in the methodologies used as of December 31, 2022 and 2021. The following methods and assumptions were used to estimate the fair value of each class of assets that are recognized at fair value.

Mutual Funds: Valued at the closing price reported on the active market, which represents the net asset value of shares held by the Plan.

Stable Value Collective Trusts: The Plan invests in the Morley Stable Value Fund (Stable Value Fund). The Stable Value Fund invests in a variety of stable value investment contracts, as well as cash and cash equivalents, and also enters into wrapper contracts, which are issued by third-parties and are designed to allow the Stable Value Fund to maintain a constant net asset value (NAV). The Stable Value Fund is valued at NAV, which is used as a practical expedient for fair value. The use of NAV as fair value is deemed appropriate as there are no imposed redemption restrictions, and the Plan does not have any contractual obligations to further invest in the Stable Value Fund.

NOTE 7. FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets that are measured at fair value:
