Independent Auditor's Report

Plan Administrator
R.T. Vanderbilt Holding Company, Inc. 401(k)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of R.T. Vanderbilt Holding Company, Inc. 401(k) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1. Description of Plan

The following description of the R.T. Vanderbilt Holding Company, Inc. 401(k) (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established for the benefit of the employees of R.T. Vanderbilt Holding Company, Inc. (the Sponsor) not covered by a collective bargaining agreement. The Plan and Trust, of which it is a part, are intended to satisfy all the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

On December 31, 2020, Empower Retirement LLC acquired the retirement business of Massachusetts Mutual Life Insurance Company (Mass Mutual). Following an initial transition period, Empower Retirement LLC became the sole administrator of this plan. On August 1, 2022, Empower announced certain operating companies within Empower's corporate group would be renamed to include "Empower" in their legal names. Great-West Life & Annuity Insurance Company (GWL&A) is now Empower Annuity Insurance Company of America (Empower Annuity).

Eligibility: Employees of the Sponsor who have completed three months of service, are 21 years of age and are not covered by a collective bargaining agreement, are eligible to participate in the Plan.

Contributions: Each year, participants may make salary deferral contributions not to exceed IRC limits of pre-tax annual compensation, as defined in the Plan document. The Plan allows for nondiscretionary employer contributions to be made at a rate equal to 3% of each eligible participant's eligible compensation, as defined. To be eligible to receive the nondiscretionary employer contribution, an employee must be eligible to participate in the Plan.

Participant accounts: Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contributions, employer contributions and allocations of Plan earnings, and charged with distributions and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions and employer contributions plus actual earnings thereon.

Participant investment options: Participants are allowed to invest in a variety of investment choices as more fully described in the Plan's literature. Participants may change their allocation on a daily basis.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. Participants are limited to one loan outstanding. Loans are secured by the balance in the participant's account and bear interest at prime plus 2%, which equaled 5.25% to 9.00% during 2022 and is commensurate with local prevailing rates as determined by the Plan trustee. Principal and interest are paid ratably through monthly payroll deductions. Any outstanding balance of a loan at the time of any distribution due to death, retirement or termination of employment shall be deducted from the amount which would otherwise have been payable to the participant.

R.T. Vanderbilt Holding Company, Inc. 401(k)

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Payment of benefits: Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Termination of the Plan: The Sponsor may terminate, amend, modify or suspend the Plan in whole or in part at any time. No such change is currently being contemplated; however, in any such event the participants' rights to their accrued benefits are nonforfeitable.

Expenses of the Plan: The Plan's administrative expenses are paid by either the Plan or the Plan's Sponsor as provided by the Plan document. Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Investment-related expenses are included in net depreciation of fair value of investments.

Forfeited accounts: Participants are vested immediately in their own contributions, employer contributions, and actual earnings or losses. As such, there are no forfeited accounts.

Income taxes: Accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 2. Significant Accounting Policies

The Plan's significant accounting policies are as follows:

Basis of accounting: The accompanying financial statements have been prepared under the accrual basis of accounting.

Investment valuation and income recognition: The Plan's investments are reported at fair value (except for fully benefit-responsive contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements and Note 5 for discussion of investment contract.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive contracts. Contract value is the relevant measurement for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions, under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation (depreciation) in fair value of investments for such investments.

R.T. Vanderbilt Holding Company, Inc. 401(k)

Notes to Financial Statements

Note 2. Significant Accounting Policies (Continued)

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Use of estimates: The preparation of the Plan's financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and uncertainties: The Plan provides for various investment options that may invest in equity, fixed income or other investment securities. These investment securities are exposed to various risks, such as interest rate, market volatility and credit risks. Due to the level of risk and uncertainty associated with certain investment securities, it is possible that participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits could be materially affected in the near term.

Benefit payments: Benefit payments to participants are recorded upon distribution.

Note 3. Information Certified and Provided by the Custodians

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Empower Trust Company, LLC and Empower Annuity on behalf of Mass Mutual under a power of attorney granted to Empower Annuity (formerly GWL&A) as of December 31, 2022 and for the period September 10, 2022 to December 31, 2022 and Empower Retirement, LLC (Empower) on behalf of Mass Mutual under a power of attorney granted to GWL&A, an affiliate of Empower, as of December 31, 2021 and Reliance Trust Company as of December 31, 2021 and for the period January 1, 2022 to September 9, 2022.

The Plan Administrator has obtained certifications from the custodians that information provided to the Plan Administrator by the custodians related to the following assets is complete and accurate to the best of their knowledge and belief. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

	December 31	
	2022	2021
Investments at fair value:		
Pooled separate accounts	\$ 45,968,319	\$ 62,765,714
Mutual fund	1,165,596	1,571,945
Total investments at fair value	47,133,915	64,337,659
Investments at contract value:		
Guaranteed investment contract	25,318,516	23,020,766
Total investments	\$ 72,452,431	\$ 87,358,425
Notes receivable from participants	\$ 392,379	\$ 465,777

Notes to Financial Statements

Note 3. Information Certified and Provided by the Custodians (Continued)

The custodians also certified to the completeness and accuracy of \$13,515,907 of net depreciation in fair value of investments, \$763,776 of interest and dividend income and \$23,958 of interest income on notes receivable from participants for the year ended December 31, 2022.

Note 4. Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under this guidance are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Mutual fund: Valued at the daily closing price as reported by the fund. The Mutual fund held by the Plan is an open-ended mutual fund that is registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual fund held by the Plan is deemed to be actively traded.

Pooled separate accounts: Investments in pooled separate accounts are valued using the NAV provided by the administrator of the fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities and then divided by the number of shares outstanding.

R.T. Vanderbilt Holding Company, Inc. 401(k)

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

	Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual fund	\$ 1,165,596	\$ -	\$ -	\$ 1,165,596
Investments measured at NAV (a)				45,968,319
Investments at fair value				<u>\$47,133,915</u>
	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual fund	\$1,571,945	\$ -	\$ -	\$ 1,571,945
Investments measured at NAV (a)				62,765,714
Investments at fair value				<u>\$64,337,659</u>

(a) In accordance with Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

The following table sets forth additional disclosures of the Plan's investments, whose fair value is estimated using NAV per share (or its equivalent), as of December 31, 2022 and 2021.

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2022	2021			
Pooled separate accounts:					
Large cap (a)	\$ 27,289,792	\$ 37,236,744	-	Daily	None
Asset Allocation (b)	8,275,890	11,126,379	-	Daily	None
Mid cap (c)	3,519,590	4,855,895	-	Daily	None

Total pooled separate accounts	\$ 45,968,319	\$ 62,765,714			

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

- (a) The investment seeks to produce income and to provide an opportunity for growth of principal consistent with sound common stock investing.
- (b) The investment seeks a high total return until the fund's target retirement date, with a greater focus on income beyond the target date.
- (c) The investment seeks long-term capital growth.
- (d) The investment seeks long-term capital appreciation.
- (e) The investment seeks total return consisting of income and capital appreciation.
- (f) The investment seeks long-term growth of capital while providing current income.

Note 5. Investment Contract With Insurance Company

The Plan has a traditional, fully benefit-responsive guaranteed investment contract with Mass Mutual and is reported at contract value. Mass Mutual maintains the contributions in a general account. The account is credited with contributions, earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 3%. Such interest rates are reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date. The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) the Plan's failure to qualify under Section 401(a) of the Internal Revenue Code (the Code) or the failure of the trust to be tax-exempt under Section 501(a) of the Code, (2) premature termination of the contracts, (3) Plan termination or merger, (4) changes to the Plan's prohibition on competing investment options, (5) bankruptcy of the Sponsor or other Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreements without the consent of the issuer.

Notes to Financial Statements

Note 6. Tax Status

Effective July 30, 2003, the Plan adopted a volume submitter profit sharing plan (volume submitter) sponsored by Mass Mutual. The volume submitter plan has received an advisory letter from the Internal Revenue Service as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by this Plan. Although the Plan has been amended since the volume submitter plan received its advisory letter, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Note 7. Party-in-Interest Transactions

Certain Plan investments represent funds administered by MassMutual. MassMutual was acquired by Empower Retirement LLC, the custodian, and, therefore, qualify as party-in-interest transactions.

Note 8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Form 5500:

The following is a reconciliation of net decrease in net assets available for benefits per the financial statements to Form 5500:

	Year ended December 31, 2022
Net decrease in net assets available for benefits per the financial statements	\$ (15,079,183)
Less current-year deemed distributions	(13,229)
Net loss per Form 5500	<u>\$ (15,092,412)</u>

Note 9. Transfer in From Other Plan

Individuals with assets totaling \$99,791 and \$87,742 were transferred into the Plan from a related plan during 2022 and 2021, respectively, when the individuals became eligible and began participating in the Plan.

Note 10. Subsequent Events

The Plan has evaluated events through October 16, 2023, the date the financial statements were available to be issued.
