INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Shaklee 401(k) Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Shaklee 401K Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Shaklee 401K Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Shaklee 401K Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Shaklee 401K Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Shaklee 401K Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Shaklee 401K Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Shaklee 401(k) Retirement Savings Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the Shaklee 401(k) Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Effective May 27, 2004, Shaklee Corporation (the “Company”) was sold by Yamanouchi Consumer Inc. to Silver Acquisition L.P. and the Plan was established effective July 1, 2004. Participants in the Yamanouchi Consumer Inc. 401(k) Retirement Savings Plan who continued in the employ of the Company following the sale rolled over their account balances and loans into this Plan. All employees of the Company are eligible to participate except for union employees, non-resident aliens, leased employees and employees on temporary status. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Trustee and Recordkeeper

Reliance Trust Company (“Reliance”) is the trustee of the Plan. J.P. Morgan Invest Holdings LLC is the recordkeeper of the Plan.

Participant’s Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s matching contribution and (b) Plan earnings, and charged with certain expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Contributions

A participant may elect to defer up to 80% of his or her pre-tax compensation each payroll period subject to the limitations set by the Internal Revenue Code (“Code”). The limit for Plan years 2022 and 2021 was \$20,500 and \$19,500, respectively. The catch-up contributions for participants over age 50 is \$6,500 for 2022 and 2021. The Company makes safe harbor matching contributions to the account of each eligible participant equal to the sum of 100% of the amount of participant’s elective deferrals that do not exceed 3% of the participant’s compensation, plus 50% of the amount of participant’s elective deferrals that exceed 3% of participant’s compensation but do not exceed 5% of participant’s compensation. The safe harbor matching contribution is determined for the entire year. As such, a true-up calculation is performed at the end of the Plan year. The Plan includes an auto-enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation. The Plan allows rollover contributions from other tax qualified plans provided certain requirements are satisfied.

Vesting

Each participant is immediately and 100% vested in his or her accounts.

Notes Receivable from Participants

A participant may borrow a minimum of \$1,000 up to the lesser of 50% of his or her account balance or \$50,000. The term of the loan is limited to not more than 5 years, except for residential loans which may be extended up to a longer term. The interest rate will be similar to the interest rate charged for similar types of loans by other lenders. Interest rates range from 4.25% to 8.00% for loans with varying maturity dates through 2044. Loan repayments are made through payroll deductions and are credited to the participant’s account. A participant may only have one outstanding loan at any time.

Benefits Payments

A participant shall be entitled to receive all of his or her account upon reaching age 65, death, disability, or termination of employment. In-service withdrawals due to hardship or upon reaching age 59 ½ are permitted subject to the provisions of the Plan document.

2. SIGNIFICANT ACCOUNTING POLICIES

Significant accounting policies of the Plan are summarized below:

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles ("GAAP"). Revenues are recognized as earned.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on ex-dividend date. Management fees and operating expenses charged to the Plan for investments in mutual funds and common collective trust funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction in the net appreciation in fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Contributions Receivable

Employer contributions receivable are based on employer contributions due and not paid prior to year-end. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Benefit Payments

Benefits to participants are recorded when paid.

Administrative Expenses

Expenses are paid by the Company, except for loan distribution and redemption fees which are borne by the participant.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

As of December 31, 2022 and 2021, and for the years then ended, the Plan Administrator elected the alternative method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified to by Reliance, the trustee, as complete and accurate except for comparing such information certified to by the trustee to the information included in the Plan's financial statements and supplemental schedule.

The following table summarizes the investments held and certified by Reliance as of December 31, 2022 and 2021.

	<u>2022</u>	<u>2021</u>
Investments in mutual funds and collective investment funds	\$ 53,534,800	\$ 61,258,176
Notes receivable from participants	364,459	349,394
Investment income		
Net appreciation (depreciation) in fair value of investments	(11,807,019)	3,819,012
Interest and dividends on investments	2,345,167	3,752,769
Interest on notes receivable from participants	15,761	16,826

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Shaklee 401(k) Retirement Savings Plan
Notes to Financial Statements
December 31, 2022 and 2021

The following is a description of the valuation methodologies used for investments measured at fair value:

Mutual Funds: Are valued at the net asset value of shares held by the Plan at year-end.

Common/Collective Trust: The fair value of the units in the common/collective trust is estimated based on the net asset value per unit of the investments, which is calculated based on quoted market prices or other observable inputs. The net asset value is being used as a practical expedient to estimate fair value.

There have been no changes in the methodologies used as of December 31, 2022 and 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value on a recurring basis, based on their fair value hierarchy at December 31, 2022 and 2021, are as follows:

Description	December 31, 2022	Fair Value Measurements at Reporting Date Using
		Quoted Prices in Active Markets for Identical Assets (Level 1)

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. INVESTMENTS IN CERTAIN ENTITIES THAT CALCULATE NET ASSET VALUE

The fair value and redemption information for investments that calculate net asset value per share as of December 31, 2022 and 2021, are as follows:

<u>Investment Type</u>	<u>Fair Value as of December 31,</u>		<u>Redemption</u> <u>Frequency</u> <u>(if currently eligible)</u>	<u>Redemption</u> <u>Notice Period</u>

There were no unfunded commitments as of December 31, 2022 and 2021.

This investment is a direct filing entity with the Department of Labor; therefore, information regarding the investment's strategy is not disclosed.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. Should the Plan be terminated, the net assets are to be distributed to participants, the value of their adjusted accounts.

7. TAX STATUS

The Company adopted a Prototype Nonstandardized Profit Sharing Plan ("Adoption Agreement") with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020. Subsequent to the receipt of this opinion letter, the Adoption Agreement was amended. The Plan Administrator believes that the Plan as amended is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan Administrator believes that the Plan, as amended, was qualified and tax-exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that would not meet the more likely than not standard and be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

8. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the recordkeeper. Transactions with the recordkeeper qualify as party-in-interest transactions. Notes receivable from participants also qualify as exempt party-in-interest transactions.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. PLAN OBLIGATIONS

In accordance with GAAP, benefits due to terminated participants are included in net assets available for benefits. There were no benefits due to terminated participants as of December 31, 2022 and 2021.

11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2022 and 2021, per financial statements to Form 5500:

The financial statements are prepared on accrual basis of accounting while the Form 5500 is on the cash basis.

12. SUBSEQUENT EVENTS

In preparing these financial statements, management has evaluated events and transactions that occurred after December 31, 2022, for potential recognition or disclosure in the financial statements. These events and transactions were evaluated through October 13, 2023, the date the financial statements were available to be issued, and no items have come to the attention of management that require recognition or disclosure.
