INDEPENDENT AUDITOR'S REPORT

To the Trustees, Plan Administrator and Participants of
DXI Construction, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of DXI Construction, Inc. 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Trustees, Plan Administrator and Participants of
DXI Construction, Inc. 401(k) Profit Sharing Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Trustees, Plan Administrator and Participants of
DXI Construction, Inc. 401(k) Profit Sharing Plan

Auditor's Responsibilities for the Audits of the Financial Statements - continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Trustees, Plan Administrator and Participants of
DXI Construction, Inc. 401(k) Profit Sharing Plan

Supplemental Schedules Required by ERISA - continued

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan of DXI Construction, Inc. (Company) and was established on January 1, 1990. The Plan is subject to the provisions of ERISA.

Effective June 30, 2020, the prototype plan with Transamerica Retirement Solutions, LLC (TRS) was amended and restated in accordance with the Cycle 3 Restatement as required by the Internal Revenue Service (IRS). Accordingly, the plan administrator executed a new TRS Adoption Agreement, effective February 8, 2022. In conjunction with the amended and restated Adoption Agreement, the Plan executed a Trust Agreement with the discretionary trustees, effective February 11, 2022.

Eligibility - The Plan includes all employees of the Company, except leased employees, and effective February 8, 2022, residents of Puerto Rico. Employees are eligible to participate and subject to auto enrollment once they have completed six months of service and are age twenty-one or older. Employees may enter the Plan on the first day of the month coinciding with or next following the date the eligibility requirements are met.

Contributions - Each year, participants may elect to contribute from 1% up to 100% of their eligible compensation (as defined), up to the maximum allowable contribution under the Internal Revenue Code (IRC). These contributions may be made as pre-tax or after-tax Roth deferral contributions. Under the Plan's auto enrollment provision, a pre-tax deferral contribution of 1% of compensation will automatically be elected, unless otherwise directed by the employee. This initial automatic deferral percentage shall increase by 1% annually on each January 1 up to a maximum amount of 5% of compensation. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company may contribute a discretionary matching contribution on a pay period basis, as determined by the Board of Directors. For the year ended December 31, 2022, the Company elected to match 20% of participants' salary deferral contributions, totaling \$194,484, net of forfeitures.

The Company may contribute a discretionary profit sharing contribution as determined by the Board of Directors, which is to be allocated on a pro-rata basis. In order to share in the allocation of the discretionary profit sharing contribution, a participant must complete a year of service and be actively employed at the end of the plan year. These conditions are waived for employees who have terminated during the year due to retirement at normal retirement age (as defined), total and permanent disability or death. No discretionary profit sharing contribution was made for 2022.

The Company may also make Qualified Nonelective Contributions (QNECs), as defined in the Plan. For 2022, the Company's QNEC totaled \$1,457.

The Company may also make prevailing wage contributions, as defined, on behalf of prevailing wage employees. A prevailing wage employee is any employee, excluding highly compensated employees, who performs services for the Company under a contract covered by a prevailing wage law. No prevailing wage contributions were deposited to the Plan for 2022 as all payments were made in cash to prevailing wage employees.

DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Participant Accounts - Each participant's account is credited with the participant's contributions and Company contributions, as well as allocations of plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings/losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - Participants may direct the investment of their contributions and any Company contributions into various registered investment companies, collective investment trusts and the Stable Value Core Account (SVCA) (a deposit liability account) offered by the Plan. These investments are available through an Annuity Accumulation Contract (Contract) issued by Transamerica Financial Life Insurance Company (Transamerica). For those participants who do not make an investment selection, their contributions and the related Company contributions are automatically invested in the Plan's qualified default investment account.

Vesting - Participants are immediately vested in their contributions, prevailing wage contributions and QNECs plus earnings thereon. Vesting in the Company discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service. Regardless of the vesting schedule, participants will become fully vested upon reaching the normal retirement age while still employed, total and permanent disability or death.

Notes Receivable from Participants - Participants may borrow from their fully vested fund accounts in the event of a financial hardship, as defined. The minimum note amount is \$1,000; however, no note to any participant shall be made in an amount which exceeds 50% of their vested account balance. The maximum aggregate dollar amount outstanding to any participant may not exceed \$50,000, reduced by the excess of the participant's highest outstanding note balance during the 12-month period ending on the date of the note over the participant's current outstanding participant note balance on the date of the note. The notes are secured by the balance in the participant's account, bear interest at a rate based on prevailing interest rates as determined by the plan administrator and can only exceed a repayment period of five years for the purchase of a principal residence. Only one note may be outstanding at a time and one new note granted each year. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits - Benefit payments may be in the form of lump sums or substantially equal installment payments and are payable upon termination of employment, death or retirement at age 65. The Plan shall make automatic distributions of vested account balances that are less than \$5,000 in accordance with plan provisions. Distributions from a participant's rollover account may be made at any time. In-service withdrawals at age 59 ½ are also permitted, subject to provisions defined in the plan document.

Forfeitures - Forfeitures of the Company contributions (due to participants' termination prior to full vesting) are to be used to reduce any Company contribution or pay administrative expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$11,190 and \$16,080, respectively. During 2022, forfeitures of \$22,093 were used to reduce the Company discretionary matching contribution.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Basis of Accounting - The Plan's financial statements are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Plan's investment advisor and Transamerica. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Unit Values - Individual participant accounts for the collective investment trusts and SVCA are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the trusts and SVCA, but do have an interest therein represented by units valued daily. The trusts and SVCA earn investment income which is automatically reinvested in additional units. Generally, contributions to and withdrawals from each trust and SVCA are converted to units by dividing the amounts of such transactions by the unit values last determined (see Note 3), and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant notes are reclassified as distributions based on the terms of the plan document.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment management fees of individual fund investments are charged to the respective investment and included in the net appreciation/depreciation of the investment. Fees related to the administration of notes receivable from participants, participant distributions, asset based recordkeeping fees and investment advisor fees (through June 30, 2022) are charged directly to the participant's account and are included in administrative expenses. Effective March 18, 2022, an Expense Budget Account (EBA) is funded by monthly revenue sharing credits from TRS for payment of plan expenses. During 2022, investment advisor and auditing fees of \$22,663 were paid from the EBA and the balance as of December 31, 2022 was \$4,546.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2

Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; and (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Investment Trusts: Valued as of the close of regular trading on the New York Stock Exchange (NYSE) each day the NYSE is open for trading based on the total value of its assets less its liabilities.

Deposit Liability Account: The Plan invests in the SVCA which is a deposit liability with no underlying assets. This type of investment has no defined maturities and is fairly valued at contract value. The contract value of the SVCA on any business day is the beginning balance plus any deposits and credited interest less any withdrawals, charges or expenses. The SVCA is credited with interest at a rate declared by Transamerica and is subject to change every six months; there is no minimum guaranteed interest rate under the Contract.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

	<u>Assets at Fair Value as of December 31, 2022</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered Investment Companies	\$ 5,964,354	\$ -	\$ -	\$ 5,964,354

Investments at fair value	<u>\$ 6,936,762</u>	<u>\$ 2,872,443</u>	<u>\$ -</u>	<u>\$ 9,809,205</u>

The collective investment trusts and SVCA do not have unfunded commitments or significant restrictions on redemptions, as they may be redeemed daily. Transfers and surrenders of the SVCA may be delayed up to twelve months, as defined in the Contract.

NOTE 4 - INFORMATION CERTIFIED BY A QUALIFIED INSTITUTION

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest income on notes receivable from participants, dividend and interest income for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company, a qualified institution.

NOTE 5 - TAX STATUS

The IRS has determined and informed TRS by a letter dated June 30, 2020, that the prototype plan adopted by the Plan effective February 8, 2022, is designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The IRS had determined and informed TRS by a letter dated March 31, 2014, that the prototype plan adopted by the Plan through February 7, 2022, was designed in accordance with applicable sections of the IRC. Although the Plan had been amended since receiving the opinion letter, the plan administrator believed that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified, and the related trust was tax-exempt.

DXI CONSTRUCTION, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 5 - TAX STATUS - CONTINUED

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions. Currently, there is an audit for the 2019 and 2018 tax periods in progress. The plan administrator notes the audit has been completed with no findings or corrections; however, a formal letter closing the audit has not yet been received from the IRS.

NOTE 6 - DELINQUENT CONTRIBUTIONS

DOL regulations require employee contributions be remitted as soon as they can be segregated from the plan sponsor's assets, but in no instance later than the fifteenth business day of the month following the month of the contribution. The Company's procedures allowed for the employee contributions and loan repayments to be remitted as soon as reasonably segregated. However, there were two remittances that exceeded this practice. The Company has determined \$19,265 for 2021 and \$1,408 for 2018 of employee contributions and loan repayments were not remitted timely. Lost earnings on the untimely remittances were calculated and remitted to the Plan during 2022 with the exception of \$35 to be corrected during 2023.

NOTE 7 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Plan investments include collective investment trusts established and offered by TRS and a deposit liability account offered by Transamerica, and therefore, these transactions qualify as party in interest transactions.

TRS provides certain administrative services to the Plan pursuant to the Retirement Plan Program Services & Plan Fees Schedule (the Agreement). TRS receives an asset-based recordkeeping fee and fees related to the administration of notes receivable from participants and participant distributions per the Agreement. In addition, TRS receives revenue associated with the investments offered by the Plan, and compensation in the form of interest or similar income (float) on contributions, plan loan repayments and withdrawals from the Plan. Fees paid by the Plan to TRS amounted to \$47,044 for the year ended December 31, 2022.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. As of December 31, 2022 and 2021, 26% and 25%, respectively, of net assets available for benefits are invested in the TRS LifeGoal Funds; however, by their nature, these funds are a diversified mix of equities and fixed income that rebalance over time.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 9 - RISKS AND UNCERTAINTIES - CONTINUED

In addition, as of December 31, 2022 and 2021, 22% and 23%, respectively, of the Plan's investments were held in the Fidelity 500 Index Fund. As such, this is considered to be a concentration of credit risk.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of the total net decrease per the financial statements for the year ended December 31, 2022, to Schedule H of Form 5500:

Total net decrease per the financial statements	\$ (1,070,586)
Add - prior year employer corrective contribution receivable	9,826
Less - prior year excess contributions payable	<u>(39,409)</u>
Total net decrease per the Form 5500	<u><u>\$ (1,100,169)</u></u>

NOTE 11 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.

Effective January 1, 2023, the Plan's automatic deferral provisions were amended. Under the amended automatic deferral provisions, a pre-tax deferral contribution of 3% of compensation will automatically be elected, unless otherwise directed by the employee and this initial automatic deferral percentage shall increase by 1% annually on each January 1 up to a maximum amount of 10% of compensation. In addition, rehired employees are excluded from the automatic deferral provisions.
