INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Caruso Homes Employee 401(k) Plan
Crofton, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of **Caruso Homes Employee 401(k) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of **Caruso Homes Employee 401(k) Plan's** 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in **Note 3** to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of **Caruso Homes Employee 401(k) Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the 2022 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Caruso Homes Employee 401(k) Plan** 's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Caruso Homes Employee 401(k) Plan**'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Caruso Homes Employee 401(k) Plan**'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – 2022 Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent contributions and assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Accountant's Report on the 2021 Financial Statements

Plan management is responsible for the accompanying 2021 financial statements of **Caruso Homes Employee 401(k) Plan**, which comprise the statement of net assets available for benefits as of December 31, 2021, and the related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed our compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2021 financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any assurance on the 2021 financial statements.

Caruso Homes Employee 401(k) Plan

Notes to Financial Statements

As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

Note 1 – Description of The Plan

The following description of Caruso Homes Employee 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan sponsored by Caruso Homes, Inc. (the “Company”). The Plan was originally formed on September 1, 2014, and has been subsequently amended and restated. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

T. Rowe Price is the Plan’s custodian and recordkeeper. The Plan adopted Reliance Trust Company as trustee for the year ended December 31, 2022.

Eligibility

The Plan covers substantially all employees of the Company who have 90 days of service and have attained twenty-one years of age. Prior to December 20, 2020, eligibility was 30 days of service and attainment of age twenty-one. Participants can enter the plan the first day of the month coinciding with or next following date eligibility requirements are satisfied.

Contributions

Each year, participants may contribute up to the maximum amount allowed by law of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan permits Roth elective deferrals. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company provides a discretionary matching contribution equal to a uniform percentage of salary deferrals. During the year ended December 31, 2022, the Company made discretionary matching contributions equal to 25 percent of the participants deferral up to \$1,250. The Company may also elect to make a discretionary profit-sharing contribution on behalf of eligible participants as defined in the Plan. Participants must be employed by the Company on the last day of the Plan year to receive the discretionary profit-sharing contribution. During the year ended December 31, 2022, the Company made no profit-sharing contributions. Contributions are subject to certain Internal Revenue Services (IRS) limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and Company matching contributions, as well as allocations of the Company’s profit-sharing contributions and Plan earnings.

Caruso Homes Employee 401(k) Plan

Notes to Financial Statements

As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on the value of the account balances or as an equal dollar amount based on the number of Participants in the Plan as defined in the Plan provisions. Participant accounts may also be charged for individual expenses such as distribution and participant loan origination fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon.

Vesting in the Company's contribution portion of their accounts is based on a two-to-six-year graded vesting schedule as follows:

Years of Vesting Service	Vesting Percentage
Less than Two Years	0%
Two Years but less than Three Years	20%
Three Years but less than Four Years	40%
Four Years but less than Five Years	60%
Five Years but less than Six Years	80%
Six or More Years	100%

Year of vesting service means a vesting computation period during which a participant completes 1,000 hours of service during the Plan year and considers Breaks in Service as defined in the Plan provisions.

Participants become fully (100%) vested upon employee death, disability or attainment of Normal Retirement Age while an employee.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Participants may have one loan outstanding. The loans are secured by the balance in the participant's account and bear interest at market rates as determined by the plan administrator. At December 31, 2022, the interest rates for outstanding loans range from 4.25 percent to 8.50 percent. At December 31, 2021, the interest rates for outstanding loans range from 4.25 percent to 6.50 percent. Principal and interest is paid ratably through payroll deductions for a term of not greater than five years unless for the purchase of a participant's primary residence.

Payment of Benefits

The Plan provides benefit payments to participants upon termination of employment, death, hardship, attainment of age 59 1/2, normal retirement, or plan termination. On termination of employment other than death, for vested balances less than \$5,000, a participant may elect to receive payment in the form of a single

Caruso Homes Employee 401(k) Plan

Notes to Financial Statements

As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

lump-sum and for vested balances greater than \$5,000, a participant may elect to receive distribution in:

- a single lump-sum
- partial withdrawal or installments but only with respect to minimum required distributions, over a period of not more than the participant's assumed life expectancy.

On death, for vested balances less than \$5,000, a participant's beneficiary will receive payment in the form of a single lump-sum and for vested balances greater than \$5,000, a participant's beneficiary may elect to receive distribution in:

- a single lump-sum
- partial withdrawal or installments that do not exceed the limitations on when the entire death benefit must be paid as described in the Plan provisions.

Terminated participants with vested account balances less than \$1,000 will automatically receive a lump sum distribution directly to the participant.

In-service withdrawals are permitted at age 59½, subject to provisions described in the Plan provisions. The Plan also permits withdrawals from the Plan due to circumstances of financial hardship, in accordance with provisions specified in the Plan document.

Forfeited Accounts

At December 31, 2022 and 2021, there were \$3,298 and \$12,418 of unapplied forfeitures, respectively. These accounts will be used to reduce future employer contributions or pay reasonable Plan expenses. Also, in 2022, \$20,910 of Plan expenses were paid from forfeited nonvested accounts.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Caruso Homes Employee 401(k) Plan

Notes to Financial Statements

As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

Use of Estimates

The preparation of the financial statements in accordance with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value based on quoted market prices of the underlying investment securities held by each investment fund. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 excess contributions to the applicable participants after March 15, 2023 and will file a Form 5330 to pay the 10% excise tax. The Plan distributed the 2021 excess contributions to applicable participants during Plan Year 2023 and used the self-correction program to make qualified non-elective contributions to participants' accounts.

Benefits Paid

Benefit payments are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Individual fees charged directly to

the participant's account are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 16, 2023, the report date of these financial statements, the date these financial statements were available to be issued.

Note 3 – Certified Investments

The following information related to investments disclosed in the accompanying financial statements and ERISA-required supplement schedule, including investments held at December 31, 2022, and net depreciation of investments and other income for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, the trustee of the Plan. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets:

	<u>2022</u>
Statements of Net Assets Available for Benefits	
Investments:	
Money market fund	\$ 4,111

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Money Market Fund and Registered Investment Companies

Valued at the daily closing price of the shares as reported by the fund. The money market fund and registered investment companies held by the Plan is open-ended funds registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded. The Plan's money market fund and registered investment companies are Level 1 within the fair value hierarchy.

Notes to Financial Statements

As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Money market fund	\$ 4,111	\$ -	\$ -	\$ 4,111
Registered investment companies	2,909,230	-	-	2,909,230
Total	\$ 2,913,341	\$ -	\$ -	\$ 2,913,341

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Money market fund	\$ 12,418	\$ -	\$ -	\$ 12,418
Registered investment companies	2,966,886	-	-	2,966,886
Total	\$ 2,979,304	\$ -	\$ -	\$ 2,979,304

Note 5 – Related-Party Transactions and Party in-Interest Transactions

Certain Plan investments are managed by T. Rowe Price. T. Rowe Price is the custodian and recordkeeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

Certain accounting and administrative functions of the Plan are performed by employees of the Sponsor at no cost to the Plan.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Note 7 – Income Tax Status

The Plan has received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, which states that the non-standardized pre-approved profit sharing/money purchase/cash or deferred arrangement plan is qualified under section 401(a) of the IRC and, therefore, the related trust is intended to be exempt from federal income taxes under the applicable sections of the IRC. The Plan has been amended since the date of this opinion letter; however, the plan administrator believes that the Plan is currently

Notes to Financial Statements

designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8 – Delinquent Contributions

Due to missed payroll processing by Plan sponsor, certain participant contributions totaling \$18,933, and \$850 of employer match, were not credited to participant accounts on a timely basis as defined by ERISA for Plan Year 2021. Plan management has taken steps to correct these delinquent participant contributions in Plan Year 2023. The Company computed the lost earnings on these deposits and contributed the lost earnings to the Plan. No such instance occurred in Plan Year 2022.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying modified cash basis statements of net assets available for benefits.

Note 10 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021, to the Form 5500:

	2022	2021
Net assets available for benefits per financial statements	\$ 2,933,626	\$ 2,979,010
Add: Excess contribution payable	12,715	6,720
Net assets available for benefits per the Form 5500	\$ 2,946,341	\$ 2,985,730

Employee contributions differ from Form 5500 and the financial statements by \$12,715 due to excess contributions payable in 2022. The following is a reconciliation of employee contributions per the financial statements to Form 5500 for the year ended December 31, 2022:

	2022
Participant contributions per financial statements	\$ 589,632
Add: Excess contributions payable at December 31, 2022	12,715
Participant contributions per the Form 5500	\$ 602,347

Notes to Financial Statements

As of December 31, 2022 and 2021, and for the Year Ended December 31, 2022

Benefits paid to participants differ between the Form 5500 and the financial statements due to excess contribution payable. See reconciliation for the year ended December 31, 2022:

	<u>2022</u>
Benefits paid to participants per financial statements	\$ 131,280
Add: Excess contributions payable at December 31, 2021	<u>6,720</u>
Benefits paid to participants per the Form 5500	<u>\$ 138,000</u>
