INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
the Sunil Gupta, M.D., L.L.C. Profit Sharing Plan
Pensacola, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Sunil Gupta, M.D., L.L.C. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Sunil Gupta, M.D., L.L.C. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Sunil Gupta, M.D., L.L.C. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Sunil Gupta, M.D., L.L.C. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sunil Gupta, M.D., L.L.C. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Sunil Gupta, M.D., L.L.C. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SUNIL GUPTA, M.D., L.L.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Sunil Gupta, M.D., L.L.C. (the “Company”) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General:

The Plan is a defined contribution plan covering substantially all employees of the Company who have attained age 21 and completed 12 months of service. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions:

Participants may elect to contribute a percentage of their eligible compensation as pre-tax or after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company makes safe harbor matching contributions of 100% of a participant’s elective deferral up to 3% of the participant’s compensation, plus 50% of the amount of the participant’s elective deferral that exceeds 3% of the participant’s compensation up to 5% of the participant’s compensation. The Company may also make discretionary profit-sharing contributions to the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan with the initial deferral rate set at 6% of eligible compensation.

Participant Accounts:

Each participant’s account is credited with the participant’s contribution, the Company’s contribution and allocations of Plan earnings, and charged with withdrawals and allocations of administrative expenses and Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting:

Participants are 100% vested in the balances of their voluntary contributions and safe harbor employer contributions plus actual earnings thereon. Vesting in the employer nonelective profit sharing contributions is based on years of continuous service. A participant is 100% vested after six years of credited service.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Investment Options:

Upon enrollment in the Plan, a participant may choose from several investment options which are offered by the Plan. The investment options consist of collective investment trusts, mutual funds, and a group annuity contract.

Notes Receivable from Participants:

Beginning March 1, 2021, the Plan no longer issues loans. Prior to March 1, 2021, participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans outstanding at December 31, 2021, were secured by the balance in the participant's account and continued to bear interest at one percentage point over the prime rate. Loans were only to be made for hardship reasons as previously defined by the Plan. As of December 31, 2022, there were no loans outstanding.

Forfeited Accounts:

Forfeitures of participants' nonvested accounts may be used to pay administrative expenses and reduce the Company's contributions. During the year ended December 31, 2022, forfeitures of \$70,468 were used to reduce employer contributions and \$793 were used to pay administrative expenses. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$22,398 and \$22,777, respectively.

Payment of Benefits:

Distributions to the participants or beneficiaries take place upon the employee's separation of service, retirement, disability, birth or adoption of a child, or death, or upon attainment of age 65. Distributions equal to the value of the participant's vested interest in his or her account will be made in a lump-sum amount or rolled over into another qualified retirement plan. A participant may request a distribution from their rollover contribution account at any time. A participant may request a distribution in case of hardship as detailed in the Plan provisions.

DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan. Interest income on notes receivable from participants is recorded when it is earned.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value, except for the fully benefit-responsive group annuity contract, which is reported at contract value. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Administrative expenses are paid by the Plan or the Company as provided in the Plan document. Substantially all administrative expenses are paid from the fees deducted from investment earnings by the investment manager. If the fees deducted from investment earnings exceed the Plan's administrative expenses, the excess amount is allocated to participants and is recorded as other income.

Subsequent Events:

The Plan has evaluated subsequent events through October 9, 2023, which is the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements*, defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements. The guidance establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale or use of an asset.

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Three levels of inputs may be used to measure fair value:

Level 1: Quoted prices (unadjusted) or identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a plan’s own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The financial instrument’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for financial instruments measured at fair value:

Mutual funds: Valued at the quoted net asset value (“NAV”) of shares held by the Plan at year-end.

Collective investment trusts: Valued at the NAV as reported by the investment manager.

DECEMBER 31, 2022 AND 2021

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following tables present the financial instruments carried at fair value as of December 31, 2022 and 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Collective investment trusts	\$ 7,747,792	\$ -	\$ -	\$ 7,747,792

Collective investment trusts	<u>\$ 10,923,088</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,923,088</u>

NOTE 4 - GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan provides an investment option to invest in the Principal Guaranteed Option, which is a group annuity contract issued by Principal Life Insurance Company. Principal Life Insurance Company maintains the contributions in a general account. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The rate credited to accounts is a composite weighted average of underlying guarantees provided in the contract. The crediting rate is reviewed on a semi-annual basis for resetting.

The group annuity contract is included in the financial statements at contract value as it is fully benefit-responsive. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value. The Plan administrator believes the occurrence of such events that would limit the Plan's ability to transact at contract value with Plan participants is not probable.

SUNIL GUPTA, M.D., L.L.C. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 5 - INCOME TAX STATUS

Effective February 18, 2022, the Plan was restated through the adoption of a pre-approved plan document (formerly known as a prototype plan) provided by Principal Life Insurance Company. Principal Life Insurance Company received an opinion letter from the Internal Revenue Service (“IRS”), dated June 30, 2020, which states that the pre-approved plan document satisfies the applicable provisions of the Internal Revenue Code (“IRC”). Prior to February 18, 2022, the Plan used a prototype plan document sponsored by Principal Life Insurance Company. Principal Life Insurance Company received its latest opinion letter from the IRS, dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. The pre-approved plan document has been amended since receiving the opinion letter; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan’s financial statements.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.
