Independent Auditor's Report

Board of Trustees
CHG Senior Living, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of CHG Senior Living, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule, schedule H, line 4i—schedule of assets (held at end of year), as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

CHG Senior Living, LLC 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the CHG Senior Living, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and eligibility: The Plan is a defined contribution profit sharing 401(k) salary deferred plan covering all eligible employees of, and sponsored by, CHG Senior Living, LLC (the Company or Employer or Plan Sponsor) who have completed one month of service and reached the age of 18. Employees may begin participating on the first day of the calendar month coincident with or next following the date the service and minimum age requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Participants may elect to contribute, on a tax-deferred basis, up to 60% of their eligible compensation, subject to certain limitations under the Internal Revenue Code (IRC). Participants may also elect to make Roth contributions, on an after-tax basis. Participants may also contribute amounts representing distributions from other qualified plans or individual retirement accounts. Catch-up contributions are allowed by the Plan as allowed by federal law.

In addition, the Company may make discretionary matching contributions in an amount subject to determination by the Board of Directors of the Company. The Company may also make discretionary profit-sharing contributions for each eligible participant in an amount subject to determination on an annual basis by the Board of Directors of the Company. There were no such discretionary matching or profit-sharing contributions for the year ended December 31, 2022.

Participant accounts: Each participant's account is credited with (a) the participant's contribution, (b) discretionary employer matching contributions and profit-sharing contributions, if applicable, and (c) an allocation of Plan earnings(losses) and administrative expenses based on account balances, as defined by the Plan. Plan earnings (losses) are allocated based on the number of shares in each participant's account in each investment fund.

Participants' investment options: Participants direct the investment of their contributions and any discretionary employer contributions to be invested amongst various investment options offered by the Plan, which are more fully described in the Plan literature. Participants may change their investment options at any time.

Vesting: Participant contributions and actual earnings thereon are fully vested at all times. Vesting of discretionary employer contributions and actual earnings thereon are based upon the participant's years of service with the Company as listed below. Participants will become fully vested in all contributions upon death, disability, or normal retirement age.

Years of Service	Vesting Percentage
Less than 1 year	0%
1 year	25%
2 years	50%
3 years	75%
4 years	100%

CHG Senior Living, LLC 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Notes receivable from participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. Participants are allowed to have no more than one loan outstanding at any time. The repayment period for participant loans cannot exceed five years, except for loans used for the purchase of a participant's primary residence, which must be paid back within 15 years. The notes receivable are secured by the balance in the participant's account and bear interest at a commercially reasonable rate of interest as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Interest rates on outstanding loans as of December 31, 2022, ranged from 4.25% to 7.25% with various dates of maturity through October 2027.

Payment of benefits: Benefits in the form of a lump-sum payment may be distributed to a participant or a participant's beneficiary upon retirement, the participant's reaching the age of 59½, death, disability, hardship or termination of employment. The Plan has a mandatory cash-out provision if the participant's vested balance is less than \$5,000. If the participant's vested balance is less than \$5,000 but greater than \$1,000, benefits shall be distributed through a direct rollover into another qualified plan. If the participant's vested balance is \$1,000 or less, benefits shall be distributed to the participant through a lump-sum distribution.

Administrative expenses: The administrative expenses of the Plan are paid by the Plan, unless paid by the Company, at its discretion. Administrative expenses include participant-based transaction expenses such as distribution and loan fees as well as Plan related expenses. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Note 2. Summary of Significant Accounting Policies

Basis of presentation: The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

CHG Senior Living, LLC 401(k) Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document. There was no allowance at December 31, 2022 or 2021, as the loans are fully collateralized by the participants' accounts.

Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America, requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Contributions and contribution receivables: Contributions are recorded on the accrual method of accounting. Contribution receivables are obligations arising from amounts owed to the Plan from the participants or the Employer that have not been included in the Plan's investments at year-end. Contribution receivables are recorded at cost, which approximates their fair value.

Payment of benefits: Benefits are recorded when paid.

Subsequent events: The Plan Administrator has evaluated subsequent events for potential recognition and disclosure through October 16, 2023, the date on which the financial statements were available to be issued. On July 3, 2023 the Plan changed custodians from John Hancock Retirement Services to T. Rowe Price Retirement Plan Services, Inc.

Note 3. Information Certified and Provided by John Hancock Life Insurance Company (U.S.A.)

The following is a summary of the Plan's asset and income information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information provided by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian related to the following assets that the information provided to the Plan Administrator by the custodian is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and the ERISA-required supplemental schedule related to the following assets:

	2022	2021
Investments, at fair value:		
Pooled separate accounts	\$ 784,710	\$ 879,305
Collective investment trust	541	535
Cash	6,404	127
Notes receivable from participants	9,462	5,646
	<u>\$ 801,117</u>	<u>\$ 885,613</u>

The custodian also certified to the completeness and accuracy of \$143,036 of net depreciation of investments and \$432 of interest income from notes receivable from participants for the year ended December 31, 2022.

CHG Senior Living, LLC 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Collective investment trust: The collective investment trust is made up of a stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the net asset value (NAV) of units of the collective trust. The NAV is used as a practical expedient to estimate fair value.

Pooled separate accounts: Valued based on the NAV of shares held by the Plan based on the market value of its underlying investments as determined by John Hancock Life Insurance Company (U.S.A). The NAV is used as a practical expedient to estimate fair value.

CHG Senior Living, LLC 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	Level 1	Level 2	Level 3	Total
2022:				
Total assets in fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Collective investment trust measured at NAV (a)				541
Pooled separate accounts measured at NAV (a)				784,710
				<u>\$ 785,251</u>
2021:				
Total assets in fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Collective investment trust measured at NAV (a)				535
Pooled separate accounts measured at NAV (a)				879,305
				<u>\$ 879,840</u>

(a) In accordance with Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the statements of net assets available for benefits.

Changes in fair value: To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. For the year ended December 31, 2022, there were no transfers in or out of Level 3.

The following table sets forth additional disclosures of the Plan's investments, whose fair value is estimated using NAV per share (or its equivalent) as a practical expedient as of December 31, 2022 and 2021:

	Fair Value		Unfunded	Redemption	Redemption
	2022	2021	Commitment	Frequency	Notice Period
Pooled separate accounts:					
Asset allocation	\$ 655,412	\$ 761,733	None	Immediately	None
Large U.S. equity	78,738	74,262	None	Immediately	None
Small/mid U.S. equity	50,349	43,071	None	Immediately	None
Fixed income	211	239	None	Immediately	None
Total pooled separate accounts	784,710	879,305			
Collective investment trust	541	535	None	Immediately	15 days
	<u>\$ 785,251</u>	<u>\$ 879,840</u>			

Note 5. Related Party and Party-In-Interest

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. As such, transactions conducted with John Hancock Life Insurance Company (U.S.A.) and the Plan Sponsor qualify as party-in-interest transactions.

CHG Senior Living, LLC 401(k) Plan

Notes to Financial Statements

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants would become fully vested in their entire account balances and the net assets of the Plan would be distributed to the participants of the Plan in accordance with the provisions of ERISA.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Tax Status

The Plan has adopted a volume submitter profit-sharing plan with a cash or deferred arrangement (CODA), where it has received an opinion letter dated March 31, 2014, from the Internal Revenue Service as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Management has evaluated the Plan's tax positions and concluded that the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.
