INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Management
E3 Environmental 401(k) Plan
Clinton, Mississippi

Opinion

We have audited the accompanying financial statements of E3 Environmental 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits (modified cash basis) of E3 Environmental 401(k) Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits (modified cash basis) for the year ended December 31, 2022, in accordance with the modified cash basis of accounting described in Note B.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of E3 Environmental 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of

the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about E3 Environmental 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of

expressing an opinion on the effectiveness of E3 Environmental 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about E3 Environmental 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule (modified cash basis) of Schedule H, Line 4i – Schedule of Assets (Held At End of Year), for the year ended December 31, 2022, is presented for the purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule (modified cash basis) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**E3 ENVIRONMENTAL 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE A. DESCRIPTION OF PLAN

The following description of the E3 Environmental 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan became effective on May 1, 2018.

General

The Plan is a defined contribution plan covering all employees of Enhanced Environmental & Emergency Services, Inc. Dba E3 Environmental and any affiliate who has adopted the Plan. All employees who have at least 4 months of service and have reached the age of 18 are eligible to participate in the Plan. Eligible employees may enter the Plan on the first day of the month coinciding with or the next month following the date they satisfy the eligibility requirements and may receive employer matching contributions as long as they defer a portion of their compensation to the Plan during the Plan year. The Plan's assets are maintained by American Funds. At December 31, 2022 and 2021, there were 94 and 110 participants, respectively, with account balances in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute 100% of pretax annual compensation, as defined in the Plan, up to an annual dollar limit of \$20,500 and \$19,500 in 2022 and 2021, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Roth contributions are permitted on an after-tax basis. Rollover contributions and qualified non-elective contributions are permitted, with restrictions, as described in the Plan document. Participants are also eligible for a profit-sharing contribution if certain requirements are met, which are described in the Plan document. There were no profit sharing contributions in the year ended December 31, 2022. The Plan is a safe harbor plan. Under the safe harbor provision, the Company is required to make matching contributions on behalf of participants who make pretax contributions during the Plan year. The safe harbor contribution for each eligible participant is calculated as follows: 100% of the participant's elective deferrals not to exceed 3% of compensation plus 50% of the amount of matched employee contribution that exceed 3% of compensation but do not exceed 5% of compensation. Safe harbor contributions totaled \$313,493 for the year ended December 31, 2022.

NOTE A. DESCRIPTION OF PLAN – CONTINUED

Vesting

Participants are immediately fully vested in their elective deferrals, rollover contributions, qualified non-elective contribution account and safe harbor contributions plus actual earnings thereon. Profit sharing contributions will vest based on the participant's years of vesting services, which is listed in the Plan document.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, (b) Plan earnings, and (c) administrative expenses. Allocations are based on participant wages or account balances, as defined. Participants direct their investment options at the time of enrollment and may request changes throughout the year. At both December 31, 2022, and 2021, 100% of the Plan's investments were participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to reduce future employer contributions to the Plan or pay Plan expenses. The amount forfeited in both years ended December 31, 2022, and 2021 was \$0. For the years ended December 31, 2022, and 2021, the Plan has available unused forfeitures in the amounts of \$2,488 and \$0, respectively. During 2023, the Company will reduce employer contributions or pay expenses by the remaining forfeiture balance at December 31, 2022, in the amount of \$2,488.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 7.50%. Principal and interest is paid ratably through monthly payroll deductions. Participant loans are valued at the amortized cost of loans. The balance of the participant loans at December 31, 2022 and 2021 was \$63,223 and \$48,336, respectively, and all are considered collectible.

Administrative Expenses

Significant costs of Plan administration, other than those allocated to participants, are paid by the employer.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Termination

Although it has not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time, subject to plan provisions. Upon such termination of the Plan, each participant will be entitled to the full amount of their account at the date of termination.

Payment of Benefits

Benefits are recorded when paid. On termination of service due to death, disability, or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. At December 31, 2022 and 2021, there was \$285,109 and \$317,286, respectively, of vested benefits held by the Plan on separated participants.

Basis of Accounting

The financial statements and supplemental schedule of the Plan were prepared under the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this basis, certain revenues and the related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Investments are also reported at market value rather than historical cost.

Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. See Note F for discussion of fair value measurements.

DECEMBER 31, 2022 AND 2021

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Investment Valuation and Income Recognition – Continued

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividend income are recorded when received. Gains and losses (realized and unrealized) included in the changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2022, are reported in net appreciation (depreciation) in fair value of investments.

Concentration of Credit Risk for Cash Held at Uninsured Institutions

The Plan maintains its cash balances in money market funds. Such balances are not insured.

NOTE C. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. Significant concentration of investments exists due to American Funds funding making up 100% of the Plan's investments at both December 31, 2022 and 2021 with a total fair market value of \$3,290,944 and \$3,566,652, respectively.

NOTE D. TAX STATUS

The Plan has not applied with the Internal Revenue Service for a determination letter as of this date. However, Dyatech, LLC, who was the third-party administrator until March 25, 2022, received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014, for their Prototype Standardized Profit-Sharing Plan. This letter stated that the Prototype Plan was acceptable under the Internal Revenue Code for use by employers for the benefit of their employees. Capital Group Retirement Plan Services, who became the third-party administrator on March 26, 2022, received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, for their Standardized Profit-Sharing Plan. E3 Environmental 401(k) Plan was established under this Standardized Profit-Sharing Plan, and therefore, according to the favorable opinion letter can rely on this letter with respect to the qualification of the Plan under the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with

the applicable requirements of the Code. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date. In evaluating the Plan's tax provisions and accruals, future taxable income, and the reversal of temporary differences, interpretations, and tax planning strategies are considered. The Plan believes their estimates are appropriate based on current facts and circumstances.

NOTE E. INVESTMENTS

At December 31, 2022 and 2021, the Plan's investments were held by American Funds. All of the investments of the Plan are participant directed. The following is a summary of the Plan's financial information that is included in the financial statements.

NOTE F. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for

identical assets or liabilities, and Level 3 inputs consist of unobservable inputs, and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs determined by an independent third party to value its common/collective trusts. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Continued

E3 ENVIRONMENTAL 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS – CONTINUED
DECEMBER 31, 2022 AND 2021

NOTE F. FAIR VALUE MEASUREMENTS – CONTINUED

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stock, corporate bonds, and U.S. Government securities are based on quoted market prices in an active market.

Level 2 Fair Value Measurements

The common/collective trusts consists of investment contracts and short-term investments, which are both valued at contract value. The investment contracts are not tradable on any secondary market. Therefore, significant other observable inputs were obtained through a report provided by an independent third party. The report states that the fair value of the common/collective trusts at December 31, 2022 and 2021 was \$26,964 and \$0, respectively.

NOTE G. PARTY-IN-INTEREST TRANSACTIONS

At December 31, 2022 and 2021, certain Plan investments are shares of mutual funds and common/collective trusts managed by American Funds. American Funds is the custodian of the Plan assets; therefore, these transactions qualify as party-in-interest transactions.

NOTE H. RELATED PARTY TRANSACTIONS

Prior to the change in trustees on March 26, 2022, the trustee of the Plan was also a participant in the Plan. During 2022 and 2021, the trustee contributed \$12,115 and \$19,500, respectively, to the Plan and these contributions were matched by the employer in the amount of \$10,931 and \$5,200, respectively.

NOTE I. SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date the financial statements were available to be issued.

NOTE J. PLAN AMENDMENTS

Effective March 27, 2022, the Plan was amended to allow Roth IRA rollover contributions. The amendment allows a participant to elect to roll over the distribution to a designated Roth contribution account in the Plan, but it does not allow the participant to distribute loans as a part of the contribution. The Plan was also amended to change the Plan sponsor's name, Plan administrator's name and the Plan name. The Plan sponsor's and Plan administrator's name changed to Enhanced Environmental & Emergency Services, Inc. Dba E3 Environmental, and the Plan name changed to E3 Environmental 401(k) Plan. On March 26, 2022, the Plan also changed Trustees to Capital Bank and Trust Company. In addition, the Plan was amended to allow participants to enter the plan on the first day of the month coinciding with or the next month following the date they satisfy the eligibility requirement instead of only being able to enter the plan on the first day of the month of the Plan year or the first day of the seventh month of the Plan year.
