Independent Auditors' Report

Participants and Plan Administrator
BEAMS, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of BEAMS, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of BEAMS, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BEAMS, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BEAMS LLC, 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of BEAMS, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BEAMS, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes at End of Year is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

Note 1. Description of Plan

The following description of the BEAMS, LLC 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: Effective January 1, 2021, the following plans were merged into the BEAMS, LLC 401(k) Plan; Anagnos Door Co., Inc, 401(k) Profit Sharing Plan, Crown Incorporated 401(k) Profit Sharing Plan, Dan's Overhead Doors & More, Inc. 401(k) Plan, Lund Manufacturing 401(k) Plan, Premier Tooling & Manufacturing, LLC Profit Sharing 401(k) Plan, Rossco Crane & Rigging, Inc. 401(k) Profit Sharing Plan. The Plan is a defined contribution plan covering substantially all full-time employees of BEAMS, LLC, A-1 Crane & Machinery Moving, Inc., A-1 Mobile Storage Service, LLC, Anagnos Door Company, LLC, All State Steel, LLC, B&M Diesel & Repair, LLC, Crown Doors, LLC, Cedar Valley Steel, Inc., CJ Beeps Equipment, LLC, Dan's Overhead Doors, Design Build Structures, LLC, Eastern Iowa Equipment, LLC, Icon Industrial Services, LLC, Industrial Doors of Northern Indiana, LLC, Jeda Polymers, LLC, Lund Manufacturing, Inc., Premier Tooling & Manufacturing, LLC, Tri-State Crane & Rigging Service, LLC, Rossco Crane & Rigging, Inc. Rossco Shop, LLC, CIG Raynor, LLC, collectively referred to hereafter as the Company. Eligibility requires employees to have three months of service for both elective deferrals employer contributions. Union employees of the Company are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan Administrator, management of the Company, is responsible for oversight of the Plan, determining appropriateness of the Plan's investment offerings, and monitoring investment performance. Empower Retirement, LLC allocates to each participant account its appropriate share of the fund's investment earnings and invests contributions as directed by the participants. Empower Retirement, LLC is the custodian of the Plan assets.

Contributions: Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan, subject to the maximum allowable limits established by the Internal Revenue Code (IRC). Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions, as defined. The Plan allows participants to designate contributions as Roth 401(k) contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. If the participant does not make an investment election, the contributions are invested in the Plan's default investment option.

Participant Accounts: Each participant's account is credited with the participant's contributions and Company matching contributions. Company matching contributions are allocated among participants for the year based on elective deferrals. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options: Upon enrollment in the Plan, a participant may direct employee and employer contributions to various investment options offered by the Trustee. Participants may change their investment options or reallocate their account balances on a daily basis.

Note 1. Description of Plan (continued)

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon and employer matching contributions. Vesting for balances transferred in from the merged plans for matching contribution portion of their accounts is based on years of service and will continue on those vesting schedules.

Participant Loans: The Plan does not allow for new participant loans. Participant loans were allowed previously by one of the merged plans. The loans are secured by the balance in the participant's account and bear interest at a rate of 6.5%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits: For termination of service due to death, disability, retirement or other reasons, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution or installments, in accordance with the Plan. Participants may also elect to roll over their account to another tax deferred account or keep their account in the Plan until a future date. The Plan further provides for hardship distributions. If the participant's account balance is less than \$5,000 at the time of termination, a lump-sum payment of cash will be automatically made.

Forfeited Accounts: Forfeitures may be used to pay Plan expenses or reduce employer contributions, as defined. Nonallocated forfeited account balance amounted to \$8,121 and \$6,945 as of December 31, 2022 and 2021, respectively.

Administrative expenses: The Plan paid administrative expenses for the years ending December 31, 2022 and 2021 totaling \$80,044 and \$47,103 respectively. Administrative expenses of the Plan are charged against earnings, except to the extent expenses are paid by the Company.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, except that benefits paid to plan participants are recorded when paid.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of the net assets available for benefits and changes in net assets. Actual results could differ from those estimates.

Risk and uncertainties: The Plan utilizes various funds as investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits: Benefits are recorded when paid.

Subsequent events: The Plan has evaluated subsequent events through October 16, 2023, the date the financial statements were available to be issued.

Note 3. Information Prepared and Certified by Trustee

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021 included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the Trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certification from Empower Trust Company, LLC, the Custodian, that information provided to the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	December 31 2022	December 31 2021
Investments, at fair value		
Registered investment companies	\$ 16,851,063	\$ 19,353,677
Fixed annuities	237,875	9,625
Guaranteed interest on account	8,121	6,945
	<u>\$ 17,097,059</u>	<u>\$ 19,370,247</u>

The Trustee also certified to the completeness and accuracy of (\$3,804,780) and \$1,120,551 of net (depreciation) appreciation in fair value of investments (including investments bought, sold and held during the year), and \$400,651 and \$480,883 of interest and dividends related to the aforementioned assets for the years ended December 31, 2022 and 2021, respectively.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability; and
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

BEAMS, LLC 401(k) Retirement Plan
Notes to Financial Statements

Note 4. Fair Value Measurements (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of an input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment companies: Fair value is based on quoted market prices available on an active market at the measurement date. Mutual funds trade within industry standard settlement periods. The mutual fund inputs are classified as Level 1.

Fixed Annuities: Valued using pricing models maximizing the use of observable inputs for similar securities.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investments measured at fair value.

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$16,851,063	\$ -	\$ -	\$ 16,851,063
Fixed annuities	-	237,875	-	237,875
Total assets at fair value	\$ 16,851,063	\$ 237,875	\$ -	\$ 17,088,938

The following tables set forth, by level, within the fair value hierarchy, the Plan's investments measured at fair value as of December 31, 2021.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$19,353,677	\$ -	\$ -	\$ 19,353,677
Fixed annuities	-	9,625	-	9,625
Total assets at fair value	\$ 19,353,677	\$ 9,625	\$ -	\$ 19,363,302

For the years ended December 31, 2022 and 2021, there were no transfers in or out of Level 3.

Notes to Financial Statements

Note 5: Related-Party and Party-in-Interest Transactions

The registered investment companies and money market fund are investments managed by Empower Retirement, LLC. North Pointe Advisors is the investment advisor as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$78,894 and \$47,103 for the years ended December 31, 2022 and 2021, respectively.

Note 6: Plan Termination

Although is has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the net assets of the Plan, after payment of any expenses properly charged, will be distributed to each participant according to the amount then credited to his or her account. Additionally, in the event of Plan termination, all participants will become 100% vested in their account balances.

Note 7. Tax Status

The nonstandardized 401(k) profit sharing plan sponsored by Empower Retirement, LLC and adopted by the Plan has received an advisory letter from the IRS dated June 30, 2020, as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by this Plan. Although the Plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
