We were engaged to perform an audit of the financial statements of TIAA-CREF Retirement Plan for Employees of Franklin Road Academy (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

DISCLAIMER OF OPINION

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

BASIS FOR DISCLAIMER OF OPINION

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP"), and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

OTHER MATTERS

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

TIAA-CREF RETIREMENT PLAN FOR EMPLOYEES OF FRANKLIN ROAD ACADEMY

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of TIAA-CREF Retirement Plan for Employees of Franklin Road Academy (collectively the "Plan") is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution plan, covering eligible employees of Franklin Road Academy (the "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Board of Trustees is responsible for oversight of the Plan.

Eligibility

The Plan covers substantially all employees with regards to employee deferrals. The Plan covers substantially all employees who are age eighteen or older and have completed two consecutive years of service with regards to Plan Sponsor contributions.

Participant accounts

Each participant's account is credited with the participant's contributions, allocations of Plan Sponsor contributions and plan earnings, and reduced by an allocation of administrative expenses, any distributions and plan losses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 403(b) of the Internal Revenue Code ("IRC"). Participants may also contribute after-tax Roth deferrals. In addition, participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants can make contributions up to 100% of compensation, as defined by the plan document.

The Plan Sponsor contributes a percentage of compensation based on years of service. For participants with two to three years of service, 5% of compensation will be contributed. For participants with four to six years of service, 6% of compensation will be contributed. For participants with seven or more years of service, 8% of compensation will be contributed. The Plan Sponsor does not make a contribution for participants with less than two years of service. Plan Sponsor and participant contributions may not exceed the maximum amount allowable for federal income tax purposes.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at rates that range from 4.25% to 7.25% which are commensurate with local prevailing rates as determined by the Plan Administrator. Loan terms are for a maximum of 5 years, or longer if used for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions.

Policy loans

Participants can borrow directly from Teachers Insurance and Annuity Association ("TIAA") and College Retirement Equities Fund ("CREF") using a portion of their Plan account as security for the loan. As of December 31, 2022 and 2021, \$28,554 and \$33,051, respectively, was held as collateral against policy loans. Collateral amounts are held in stable/fixed investments. Principal payments on the loans release collateral and increase the amount of funds available for a participant's use. Interest and principal are paid directly to the Plan Custodians.

Payment of benefits

Benefit distributions equal to a participant's vested account balance are payable to the participant or their beneficiaries upon retirement, death, disability or termination of employment. The method of distribution shall be determined by the Plan Administrator in accordance with the provisions of the Plan. Payment methods include lifetime monthly payments, lump-sum payments or periodic payments over a specified period of time.

In-service withdrawals

In-service withdrawals are permitted by participants who have reached the age of 59 and 1/2. Early withdrawals may also be made in the case of financial hardship, as determined by the Plan Sponsor. Hardship withdrawals are permitted from elective deferrals.

Vesting

Participants are immediately vested in their contributions, Plan Sponsor contributions and actual earnings thereon.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements in conformity with GAAP requires the Plan to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses as incurred.

No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Investment valuation and income recognition

Investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the valuation policies utilizing information provided by the investment advisers, Custodians and insurance company. See Note 4 for discussion of fair value measurements.

Contract value is the relevant measure of that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. See Note 5 for a discussion of investments at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefit payments are recognized in the year paid.

Expenses

The Plan is responsible for its administrative expenses unless paid by the Plan Sponsor. Expenses paid by the Plan Sponsor are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Events occurring after reporting date

The Plan has evaluated events and transactions that occurred between December 31, 2022 and October 13, 2023, the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN

Except for the fair value of the investment contract, certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplementary information, including investments and notes receivable from participants held at December 31, 2022 and 2021, and investment income and interest income on notes receivable for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified by TIAA and CREF, the Custodians of the Plan. The contract value of the investment contract was certified by the Custodian.

NOTE 4 - FAIR VALUE

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using unadjusted quoted prices from active markets for identical assets), Level 2 (not traded on an active market, but for which observable market inputs are readily available) and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value:

Mutual funds	Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
Separate accounts	Separate accounts that are classified in the fair value hierarchy consist of the TIAA Real Estate Account, which is a pooled separate account valued at the daily price as reported by the fund based on the market value of the underlying assets. The unit values are published on NASDAQ. The fund is not traded on this exchange. The account is not redeemable daily; transfers out of the fund can be executed on any business day but are limited to once per calendar quarter.
Money market funds	Valued based on the funds' closing NAV of shares held by the Plan as of the last business day of the plan year. The shares are deemed to be actively traded.
Fixed annuity contracts	Valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. Any market value adjustments would also be included. See Note 5 for additional information on the fixed annuity contracts.

TIAA-CREF RETIREMENT PLAN FOR EMPLOYEES OF FRANKLIN ROAD ACADEMY

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes, by level, within the fair value hierarchy, investments measured at fair value on a recurring basis as of December 31, 2022 and 2021:

NOTE 5 - INVESTMENTS AT CONTRACT VALUE

The Plan holds investment contracts that meet the fully benefit-responsive investment contract criteria and, therefore, are reported at contract value. The investment contracts are traditional investment contracts. The following represents the disaggregation of contract value between types of investment contracts held by the Plan:

	<u>2022</u>	<u>2021</u>
TIAA Traditional Benefit Responsive Contract	<u>\$ 1,426,605</u>	<u>\$ 1,216,035</u>
Total	<u><u>\$ 1,426,605</u></u>	<u><u>\$ 1,216,035</u></u>

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

With traditional investment contracts, the Plan owns only the contract itself; the underlying assets are owned by the contract issuer. Traditional investment contracts are designed to accrue interest based on crediting rates established by the contract issuers. The traditional investment contracts held by the Plan are fixed annuity contracts. The contract issuer is contractually obligated to repay the principal and interest at specified rates that are guaranteed to the Plan. The crediting rates are based on formulas established by the contract issuer.

TIAA fixed annuity contracts are credited with interest at minimum rates of 1% to 3%, depending on the subcontract. Benefit responsive subcontracts of TIAA include the Supplemental Retirement Annuity ("SRA") contract and the Group Supplemental Retirement Annuity ("GSRA") contract. The SRA and GSRA subcontracts have no liquidity restrictions.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Such events include the following: (1) failure of the trust to be tax-exempt under federal income taxes, (2) permanent termination of the contract, (3) amendment to the plan documents including the Plan's termination or merger, (4) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions or (5) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 6 - NON-FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan invests in investment contracts with TIAA that are non-fully benefit-responsive.

The TIAA Traditional Nonbenefit Responsive contract is a fixed annuity contract that is offered through a variety of subcontracts. Nonbenefit responsive subcontracts consist of the Retirement Annuity ("RA") contract and Group Retirement Annuity ("GRA") contract. The RA contract does not allow lump-sum cash withdrawals from the fixed account and transfers occur over a period of ten annual installments while the GRA contract permits lump-sum withdrawals within 120 days following termination of employment and is subject to a 2.5% surrender charge. Other withdrawals from the RA and GRA contracts or transfers from the contracts to other investment options occur over a period of ten annual installments if still employed or five annual installments for withdrawals after termination from employment.

The TIAA Traditional Nonbenefit Responsive 2 contract is a fixed annuity contract that is offered through a variety of subcontracts. Nonbenefit responsive subcontracts consist of the Retirement Choice ("RC") contract. The RC contract allows lump-sum withdrawals within 120 days following termination of employment and is subject to a 2.5% surrender charge. Other withdrawals from the RC contract or transfers from the contract to other investment options occur over a period of 84 monthly installments.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

Both the TIAA Traditional Nonbenefit Responsive and TIAA Traditional Nonbenefit Responsive 2 contracts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The credited interest rate is based on a formula agreed upon by the issuer and may not be less than 1% to 3%, depending on the subcontracts. Such rates are reviewed and may be reset on a monthly basis.

Non-fully benefit-responsive investment contracts are required to be reported at fair value. An adjustment from contract value to fair value was not made in the accompanying financial statements, as the Plan Sponsor determined that the contract value of the contracts approximated fair value.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in investment securities which are exposed to various risks, such as interest rate, credit and overall market risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

At December 31, 2022 and 2021, the Plan had a concentration of investments in two funds, which represented approximately 27% of total investments.

NOTE 8 - INCOME TAX STATUS

The Plan was designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service ("IRS") in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for participants under Section 403(b).

NOTE 9 - PARTY-IN-INTEREST AND RELATED-PARTY TRANSACTIONS

Parties-in-interest are defined under United States Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Plan Sponsor and certain others. Plan investments are held by the Custodians, and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, rather than a direct payment.

These party-in-interest transactions are exempt from the prohibited transactions provisions of ERISA and the IRC.

NOTE 10 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.
