## **Independent Auditors' Report**

Administrative Committee  
T&T Construction 401(k) Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of T&T Construction 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of T&T Construction 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of T&T Construction 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about T&T Construction 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of T&T Construction 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about T&T Construction 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing

standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2021 Financial Statements**

The 2021 financial statements of T&T Construction 401(k) Plan were audited by predecessor auditors. Management, having determined it was permissible in the circumstances, elected to have the audit of T&T Construction 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Management obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating the certified investment information as described within those financial statements, was complete and accurate. The predecessor auditor's report dated February 8, 2023 indicated that the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and, that the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respect, the information prepared and certified by an institution that management determined meets the requirements of ERISA section 103(a)(3)(C).

## Notes to Financial Statements

December 31, 2022 and 2021

### (1) Description of Plan

The following description of T&T Construction 401(k) Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### (a) General

The Plan is a defined contribution plan covering all employees of T&T Construction of Central Fla, Inc. (the "Company") and T&T Construction Management Group, Inc. (the "Company") who have completed six months of service and have attained 18 years of age. The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA).

Effective April 20, 2021, the Company ended their contract with Securian Financial and entered into a contract with Fidelity Management Trust Company. On May 1, 2021, a conversion plan was established using the T & T Construction of Central Fla. 401(k) Plan.

Plan assets from the T&T Construction Management Group, Inc. 401(k) Savings Plan (the "Plan") and the T&T Construction of Central Fla. 401(k) Plan (the "Plan") were liquidated on April 30, 2021 and transferred to Fidelity Management Trust Company on May 2, 2021. Fidelity Management Trust Company received those funds and temporarily invested them in the Fidelity Government Money Market Fund. There was a transition period (black out period) to facilitate the transfer. The funds entered into the T&T Construction of Central Fla. 401(k) Plan (the "Plan") on May 13, 2021.

Effective May 31, 2021, the plan name was amended. The Plan name was changed from T&T Construction of Central Fla. 401(k) Plan to T&T Construction 401(k) Plan.

Effective January 1, 2022, the plan was amended and restated and in June 9, 2022, the Company ended their contract with Fidelity Management Trust Company and entered into a contract with American Trust Company. Plan assets were liquidated on August 31, 2022 and transferred from Fidelity Management Trust Company and entered into American Trust Company on September 1, 2022.

#### (b) Contributions

Participants direct the investments of their contributions into various investment options offered by the Plan. Below are the descriptions of the types of contributions permitted by the Plan:

Elective Contributions: The plan administrator may allow each participant to make elective pre-tax contributions and Roth 401(k) deferral contributions up to the maximum percentage allowable, not to exceed the statutory dollar limit determined by the Internal Revenue Code

## T&T CONSTRUCTION 401(K) PLAN

### Notes to Financial Statements

December 31, 2022 and 2021

#### (1) Description of Plan - Continued

##### (b) Contributions - Continued

(\$20,500 - 2022). Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions (\$6,500 - 2022). The allocation of the contribution to various investment funds that are made available is at the discretion of the participant. For the Plan year ended December 31, 2021, corrective distributions were accrued in the amount of \$24,073 and paid in 2022.

Employer Contributions: The Company will make a discretionary match contribution using the basic matching contribution method of 50% of the amount of the participant's elective deferral contributions that do not exceed 6% of the participant's compensation contributed to the Plan. The Company made a matching contribution of \$89,875 for the year ended December 31, 2022.

Other Contributions: The Company may also, at its discretion, make profit sharing contributions. In order to be eligible to receive this contribution, the employee must be employed on the last day of the Plan year and will have completed a year of service with a minimum of 1,000 hours during the Plan year. Profit sharing contributions are allocated based on the proportion of the participant's compensation to the compensation of all eligible participants, subject to certain IRS limitations for highly compensated employees. There were no discretionary profit sharing contributions made during the year ended December 31, 2022.

Employer Prevailing Wage Contributions: The Company will make employer prevailing wage contributions to the Plan on behalf of Participants with employment that are subject to prevailing wage laws. These contributions will be based on the fringe benefit requirements of the law. There were no prevailing wage contributions made during the year ended December 31, 2022.

Rollover Contributions: The Plan administrator may permit a participant to deposit into their account, distributions received from other qualified plans. Such a deposit is called a "rollover" and may result in tax savings to the participant.

##### (c) Participant Accounts

Each participant's account is credited with their elective pre-tax and after tax contributions, allocations of any Company contributions, and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## T&T CONSTRUCTION 401(K) PLAN

### Notes to Financial Statements

December 31, 2022 and 2021

#### (1) Description of Plan - Continued

##### (d) Notes Receivable and Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may only have one outstanding loan at a time. Loans are secured by the balance in the participant's account. The interest rate for the Plan year ended December 31, 2022 was 4.25%. If a loan is not repaid in full, the unpaid balance, plus accrued interest, will be deducted from the participant's account balance and reported as a distribution.

##### (e) Vesting

Participants are immediately vested at 100% in their Elective Contribution Account, Prevailing Wage Account and Rollover Contribution Account. Participants shall be vested in their Employer Matching Account and their Profit Sharing Contribution Account based on the 0-3 year graded vesting schedule. Participants will be 100% vested upon death or permanent disability.

##### (f) Payment of Benefits

Participant benefits under the Plan are payable to the participants, their beneficiaries or their estate upon severance of employment, normal retirement or death. Benefits for any of these events are payable in the form of a lump-sum distribution.

##### (g) Forfeited Accounts

The forfeiture nonvested account balance was \$1,211 for the Plan year ended December 31, 2022 and is maintained in an account separate from individual participant accounts. Amounts forfeited from participant accounts during the Plan year ended December 31, 2022 totaled \$1,854. The Plan provides that forfeited nonvested account balances may be used to reduce future employer contributions or pay administrative expenses. During the Plan year ended December 31, 2022, plan expenses were paid and employer contributions were reduced by the use of forfeited account balances in the amount of \$643.

#### (2) Summary of Significant Policies

##### (a) Basis of Accounting

The financial statements of T&T Construction 401(k) Plan are presented on the accrual basis of accounting.

T&T CONSTRUCTION 401(K) PLAN

**Notes to Financial Statements**

December 31, 2022 and 2021

**(2) Summary of Significant Policies - Continued**

**(a) Basis of Accounting - Continued**

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, as applicable. Contract value is the relevant measure for the portion of the net assets available or benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

**(b) Management Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**(c) Investment Valuation and Income Recognition**

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants and the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the plan year.

**(d) Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded for the Plan year ended December 31, 2022. If a participant ceases to make a loan repayment and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

**(e) Payment of Benefits**

Benefits are recorded when paid.

## T&T CONSTRUCTION 401(K) PLAN

### Notes to Financial Statements

December 31, 2022 and 2021

#### (2) Summary of Significant Policies - Continued

##### (f) Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless other-wise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. Administrative fees paid by the plan for the Plan year ended December 31, 2022 totaled \$7,931.

##### (g) Subsequent Event

Management has evaluated subsequent events through October 12, 2023 the date the financial statements were available to be issued.

#### (3) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### (4) Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022, and net appreciation/depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company and American Trust Company.

#### (5) Fair Value Measurements

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

T&T CONSTRUCTION 401(K) PLAN

**Notes to Financial Statements**

December 31, 2022 and 2021

**(5) Fair Value Measurements - Continued**

- Level 2 - Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

December 31, 2022	Fair Value Measurement Using:			
	Level 1	Level 2	Level 3	Total
Mutual funds/cash	\$ 1,695,667	-	-	1,695,667
Common/collective trust	-	331,966	-	331,966
	\$ 1,695,667	331,966	-	2,027,633
December 31, 2021	Fair Value Measurement Using:			
	Level 1	Level 2	Level 3	Total
Mutual funds/cash	\$ 2,206,475	-	-	2,206,475
Common/collective trust	-	-	-	-
	\$ 2,206,475	-	-	2,206,475

**(6) Party-In-Interest Transactions**

Plan investments include shares of certain mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company and currently American Trust Company, has provided recordkeeping services to the Plan. Since Fidelity Management Trust Company and American Trust Company have been trustees/custodians of the Plan, administrative fees charged by these entities and paid from Plan assets qualify as party-in-interest transactions. Fees paid by the Plan for the administrative services were \$7,931 for year ended December 31, 2022.

## T&T CONSTRUCTION 401(K) PLAN

### Notes to Financial Statements

December 31, 2022 and 2021

#### (7) Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially and adversely affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

#### (8) Tax Status

Effective May 01, 2021, the Plan was established under a Volume Submitter Profit Sharing Plan with a Cash or Deferred Arrangement (CODA), which received from the IRS a favorable opinion letter dated March 31, 2014. Although the Plan has been amended since receiving the favorable opinion letter, the Plan administrator and Plan's tax counsel believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe the Plan is qualified, and the related trust is tax exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### (9) Reconciliation to Form 5500

The following is a reconciliation of Statement of Changes in Net Assets Available for Benefits within the financial statements to Form 5500 for the year ended December 31, 2022:

Benefits paid to participants per the financial statements	\$ 154,174
Corrective distributions	<u>24,073</u>
Benefits paid to participants per the Form 5500	<u>\$ 178,247</u>
