Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **Whitestone Group 401(K) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the The Whitestone 401(K) Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

INDEPENDENT AUDITOR'S REPORT

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Whitestone Group 401(K) Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Whitestone Group 401(k) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records .

INDEPENDENT AUDITOR'S REPORT

respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Whitestone Group 401(K) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions events, considered in the aggregate, that raise substantial doubt about

INDEPENDENT AUDITOR'S REPORT

Whitestone's Group 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. WHITESTONE GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN

The following description of the **Whitestone Group 401(k) Plan** (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering all employees of **Whitestone Group** (the “Company”) who have completed one year of service and are not non-resident aliens. Upon satisfaction of eligibility requirements, employees may enter the Plan on the first day of any month. Employees paid under a prevailing wage contract are eligible to participate on the date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each year, participants may elect to contribute up to 100% of pretax annual compensation, as defined in the Plan Agreement and subject to the annual IRS contribution limits. Participants may also rollover amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. Additional amounts may be contributed at the option of the Company. During 2022, the Company contributed \$683,660 principally to employees paid under prevailing wage contract. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts – Great Western Trust (the “Trust”) is Trustee and Custodian of the Plan investments at December 31, 2022. The Trust maintains the self-directed investment accounts for each participant containing the participant’s contributions, Company contributions, net earnings or losses, and distributions and withdrawals. Company contributions are allocated based on participants’ contributions as defined by the Plan Agreements. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance. Each participant directs both separately, and distinctly, into which investment the participant contribution and employer contribution is to be invested.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021**

NOTE A – DESCRIPTION OF PLAN (Continued)

Vesting – Participants are immediately vested in their voluntary contributions, employer contributions related to prevailing wages, and corresponding earnings.

Distributions – Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants or designated beneficiaries may elect to receive their vested balance in a lump sum amount. If the participant's account balance is \$5,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant in a single-sum payment. In addition, participants may receive distributions of their vested account balance for qualified financial hardships.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions in any of 27 investment options in increments of one percent. Participants may change their investment options at any time.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Financial Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

Plan Expense – The plan document specifies that all expenses for the administration of the Plan may be paid by the Plan unless paid by the employer. For the year ended December 31, 2022, the Plan paid only certain record-keeping fees, investment fees, and audit expenses. Certain administrative functions are performed by officers or employees of the Company at no charge to the plan. All fees paid by the plan are considered related party expenses.

**WHITESTONE GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021**

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and Uncertainties – The Plan provides for various investment options that are pooled separate accounts and insurance contracts. The underlying investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the amounts reported in the Statement of Net Assets Available for Benefits and participants' individual account balances.

Investment Valuation and Income Recognition - Investments, with the exception of the fully benefit responsive contract are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability, in an orderly transaction between market participants at the measurement date.. See Note G for discussion of fair value measurement. Unrealized appreciation and depreciation are calculated by comparing fair value to cost. Security transactions are recorded on a trade date basis. Gains and losses are computed using the specific identification method.

Payments of Benefits – Benefits are recorded when paid.

Subsequent Events - In preparing these financial statements, Plan management has evaluated events and transactions for potential recognition or disclosure through October 9, 2023, the date the financial statements were available to be issued.

NOTE C – SUMMARY OF INFORMATION CERTIFIED BY PLAN TRUSTEE

The total current value of investments held by the Trustee at December 31, 2022, was \$3,180,278 and at December 31, 2021 was \$4,179,320.

**WHITE STONE GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021**

NOTE C – SUMMARY OF INFORMATION CERTIFIED BY PLAN TRUSTEE
(continued)

The Trustee of the Plan, Great Western Trust, have supplied the Plan Administrator with a certification as to the completeness and accuracy of the following information:

- Investments in pooled separate accounts
- Investment in Insurance Contracts
- Net appreciation in fair value of investments

NOTE D – TAX STATUS

The IRS has determined and informed the Company by a letter that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA.

NOTE F – BENEFITS ALLOCABLE TO WITHDRAWN PARTICIPANTS

There were no benefits payable to participants terminated prior to year-end as of December 31, 2022 or 2021.

WHITESTONE GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

NOTE G – FAIR VALUE MEASUREMENTS

The Plan has adopted fair value measurement accounting standards. Accounting standards define fair value and establish a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under accounting standards are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified contractual term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

December 31, 2022 and 2021

NOTE G – FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered investment accounts: Valued at fair market value (fair value) of the mutual funds for the year ended 2021 and 2022.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

<u>2022</u>	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments	<u>\$3,138,864</u>	<u>\$3,138,864</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE H- INSURANCE CONTRACT

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Great Western totaling \$41,414 for 2022 and \$92,997 for 2021. Great Western manages the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The average yield and crediting interest rates were approximately 0.90% for the years 2022 and 2021.

This contract meets the fully benefit-responsive investment contract criteria and therefor is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great Western, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE I – RECONCILIATION OF FORM 5500 TO FINANCIAL STATEMENT.

There were no differences between the Financial Statements and form 5500 for the years ended December 31, 2022 and 2021.
