## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator  
Nothum 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Nothum 401(k) Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### Opinion on the 2022 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section,

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis-of-Matter**

The accompanying financial statements have been prepared assuming that the plan will continue as a going concern. As described in Note 4 to the financial statements, in 2023 the company elected to complete a total transfer of plan assets to another 401(k) plan, which indicates the plan is not a going concern. The financial statements do not include any adjustments that might be necessary upon termination. Our opinion is not modified with respect to this matter.

## **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the 2022 financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued (see emphasis-of-matter paragraph).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

#### **Other Matter - 2022 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Report on the 2021 Financial Statement**

Plan management is responsible for the preparation and fair presentation of the accompanying 2021 financial statement of the plan, which comprise the statement of net assets available for benefits as of December 31, 2021 and the related notes to the financial statement ("2021 financial statement"), in accordance with GAAP. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2021 financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the 2021 financial statement.

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Method of accounting** - Nothum 401(k) Plan ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

**Accounting estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

**Subsequent events** - The financial statements include management's evaluation of the events and transactions occurring subsequent to December 31, 2022 through October 10, 2023, which is the date the financial statements were available to be issued.

**Risks and uncertainties** - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Key parties of the plan** - Nothum Manufacturing Company, Inc. is the plan sponsor/employer and the plan administrator. Nationwide Trust Company, FSB is the investment agent that maintains investment and participant records and holds custody of the mutual fund investments. Nationwide Life Insurance Company ("NLIC") is the investment agent that holds custody of the fixed selected investment option. The two investment agents are collectively referred to as "Nationwide". Retirement Strategies, LLC is the third party administrator that maintains plan documents and tax counsel that performs various compliance tests. Two officers of the plan sponsor are the plan trustees. Morgan Stanley Wealth Management is the plan's investment advisor.

**Investments** - The plan sponsor determines the investments available to plan participants. The participants allocate their contributions and transfer existing balances among the available investment options. Earnings, including the net appreciation (depreciation) in fair value of investments bought, sold, and held during the year is reflected in the statement of changes in net assets available for benefits. Participants should refer to the prospectuses and annual reports of the investments for more information.

**Fair value measurements** - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Following is a description of the valuation methodology used for investments measured at fair value.

**Mutual funds** - Valued at the daily quoted market prices as reported by the fund. Mutual funds held by the plan are registered with the U.S. Securities and Exchange Commission, are required to publish their daily net asset value and are deemed to be actively traded.

**Investment at contract value** - The plan offers a fully benefit-responsive fixed select investment option through NLIC. NLIC maintains the contributions made to this investment option in a general account. NLIC is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the plan. The interest crediting rate is reset quarterly. The average yield earned by the fund was 0.98% during 2022.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the plan. Contract value, as reported to the plan by NLIC, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal of all or a portion of the investment at contract value at any time. Amounts may be transferred from the participant's account balance in the fund at any time.

The contract does not have a maturity date and there are no contract provisions that require a distribution at contract value at any specified time. The plan sponsor can request a lump sum distribution with a market value adjustment or an installment payout, at contract value, over a period of years. The contract will continue in full force until all assets have been distributed or no further payments are due.

The plan's ability to receive amounts due is dependent on NLIC's ability to meet its financial obligations. NLIC's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the plan to transact at contract value with NLIC. At this time, the plan sponsor is not aware of any events that are probable of occurring that might limit the ability of the plan to transact at contract value with the contract issuer or limit the ability of the plan to transact at contract value with the participants.

## **2. DESCRIPTION OF PLAN**

The following description of the plan provides only general information. Participants should refer to the plan documents for a more complete description of the plan's provisions.

**General** - The plan was adopted effective January 1, 2018 as a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

(2021 compiled - see independent auditors' report)

---

**Eligibility** - Employees are eligible once they have completed 6 months of service and have reached age eighteen. An employee will be deemed a participant and allowed to enter the plan on the first day of the plan quarter after meeting the eligibility requirements. Upon meeting these eligibility requirements, employees are also eligible to participate in employer safe harbor matching contributions.

**Contributions** - Contributions to the plan can be made in the following ways:

- a. Participants may contribute a percentage of their compensation subject to certain limitations (elective deferral contributions). The plan also permits Roth elective deferrals.
- b. Rollover contributions are accepted by the plan from other qualified plans.
- c. Employer safe harbor matching contributions are made equal to 100% of the first 3% contributed by the employee and 50% of the next 2% contributed by the employee. These contributions are funded coinciding with each payroll.
- d. Profit sharing contributions may be made at the employer's discretion. There have been no such contributions since the plan's inception.

**Participant accounts** - Earnings, including the fair value appreciation (depreciation), are allocated to participant accounts on a daily basis based upon the performance of the investment options selected. Each participant's account is credited with the participant's elective deferral and rollover contributions and an allocation of the employer's contributions. Participants are allowed to change their investment options on a daily basis and change their deferral percentage quarterly.

**Vesting** - Participant account balances are 100% vested as of December 31, 2022, due to no profit sharing contributions since plan inception.

**Payment of benefits** - Benefit payments may commence upon termination of employment, death or disability. Distributions are generally in the form of a single lump sum payment. Hardship withdrawals are not permitted by the plan.

**Administrative expenses** - Certain administrative expenses of the plan are paid by the employer. Certain other administrative expenses are paid directly from plan assets and recorded as administrative expenses in the accompanying financial statements. Such expenses include participant directed charges for distribution fees and non-participant directed charges for investment advisory and contract administrator fees. Non-participant directed charges are allocated to the participants on an account value basis.

**Notes receivable from participants** - Participant loans are not permitted under the plan.

### **3. PARTY-IN-INTEREST TRANSACTIONS**

Certain plan investment options are managed by Nationwide. Nationwide also holds custody of the plan's investment assets. As such, transactions between Nationwide and the plan qualify as party-in-interest transactions. Direct fees paid by the plan to Nationwide for investment management services were \$25,000 in 2022. These direct fees are recorded as a reduction of net appreciation (depreciation) in fair value of investments in the accompanying statement of changes in net assets available for benefits. In addition, Nationwide provides certain administrative and recordkeeping services for the plan pursuant to a service agreement between the plan and Nationwide. Nationwide receives revenue in the form of indirect compensation from mutual fund providers for services Nationwide provides to the funds. This revenue is used to offset certain other amounts that would otherwise be owed by the plan to Nationwide for its administrative and recordkeeping services to the plan. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**4. TERMINATION OF PLAN**

Effective in 2023 the company elected to complete a total transfer of plan assets to another 401(k) plan. The liquidation date will be November 15, 2023, at which time all assets will be rolled over into another qualified 401(k) plan and there will be no further activity in the Nothum 401(k) plan.

**5. INCOME TAX STATUS**

Prior to July 1, 2022, the plan was operating under a volume submitter profit sharing plan that received a favorable opinion letter on March 31, 2014. The plan was restated July 1, 2022. At this time, the plan adopted a new pre-approved profit sharing plan that received a favorable opinion letter on May 20, 2021. There were no functional changes to the plan as a result of the adoption. The favorable opinion letters from the Internal Revenue Service stated that the plans, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination letter for the plan; however, the plan administrator and tax counsel believe the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) for any uncertain tax positions taken by the plan that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for such uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2022 and 2021. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress.

**6. INFORMATION CERTIFIED BY NATIONWIDE**

Management has obtained certifications from Nationwide, which are qualified institutions under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, that state the following information with respect to assets held for investment of the plan is complete and accurate.

- a. Investments held and the fair and contract values of such as of December 31, 2022 and 2021;
- b. Interest income from investments and net appreciation (depreciation) in fair value of investments during 2022;  
and
- c. Contributions to, withdrawals from, purchases, sales and transfers between investment accounts during 2022.
